INTRODUCTION

A. Background

In 2006, the State of Wisconsin signed into law, the 2005 Wisconsin ACT 186, a legislative declaration created to give Wisconsin municipalities (i.e., cities, villages and towns) the power to establish one or more Neighborhood Improvement Districts (NIDs) within their community. An assessment methodology is developed to allow the accessible residential and commercial properties within the geographic area to contribute to programs aimed at neighborhood lighting, distinctive signage, pocket-parks, enhanced public green spaces and other activities as approved by the NID Board. The ACT was drafted similar to the business improvement district.

On 11/7/17 the City of Milwaukee Common Council approved the creation of Neighborhood Improvement District #9, resolution #170606 for the purpose of revitalizing and improving the Havenwoods neighborhood area on Milwaukee's far northwest side. (See Appendix C). The NID law requires that every district have an annual Operating Plan. This document is the sixth annual Operating Plan for the Havenwoods NID district. The NID board prepared this Plan based on the Original Operating Plan that included technical assistance from the City of Milwaukee Department of City Development.

B. Physical Setting

The boundary for the Havenwoods Southeast NID begins at N. 55th Place and goes to N. 76th St from Silver Spring Drive through Kaul Avenue with the following exclusions being public spaces and industrial uses:

- Carmen to Kaul Avenue from N. 55th St. to N. 60th St.
- Florist to Kaul Avenue from 64th St. to 73rd St.

The Havenwoods community consists of primarily affordable, post WW2 developments of ranch style homes with large yards on a traditional urban grid. Havenwoods is home to vast green spaces and recreation destinations such as the Havenwoods State Forest, McGovern Park, Westlawn Gardens, and numerous pocket parks.

Havenwoods enjoys a significant level of civic engagement via block watch activities, volunteerism for special events, and resident leadership training.

The community is economically supported by over 70 industrial businesses including Direct Supply, Brady Corporation, Fed-Ex, and HellermannTyton. In addition to those global corporate headquarters, there are smaller family owned manufacturing companies that have over 50 years of history in Havenwoods. Retail goods and services include a major grocery store chain, national franchises for apparel, and national and local restaurants. Havenwoods businesses currently support the community through job creation and through the Business Improvement District #31.

Quality of life amenities and services in the community include initiatives brought forth by the lead community development agency Havenwoods Economic Development Corporation DBA Havenwoods Neighborhood Partnership. Amenities include summer community concerts, home repair assistance, and community banquets. Resources in Havenwoods include but are not limited to Lighthouse Youth Center, Silver Spring Neighborhood Center, Milwaukee Achievers and Milwaukee Job Corp.

II. DISTRICT BOUNDARIES

Boundaries of the proposed district are shown on the map in Appendix C of this plan. A listing of the properties included in the district is provided in Appendix D.

III. PROPOSED OPERATING PLAN

A. Plan Objectives

The objective of the NID is to improve quality of life within the established NID boundaries through increased resident engagement, funding community improvement projects, implementing safety initiatives, and improving housing conditions. The NID will not own real estate.

Proposed Budget– Year Six 2022-2023

See Appendix A

D. Financing Method

It is proposed to raise \$86,575 through NID assessments (see Appendix D). HEDC will leverage additional grant dollars to assist in implementing the NID operating plan as indicated in Appendix A (budget).

E. Organization of NID Board

The board's primary responsibility is the implementation of this Operating Plan. This requires the board to negotiate with providers of services and materials to carry out the Plan; to enter into various

contracts; to monitor development activity; to periodically revise the Operating Plan; to ensure district compliance with the provisions of applicable statutes and regulations; and to make reimbursements for any overpayments of NID assessments.

State law requires the local legislative body to set the time and place for a meeting at which members of the board will be elected, and shall publish a class 2 notice under Ch. 985 that contains the information. The notice shall specify that all individuals who either own or occupy real property within the neighborhood improvement district are eligible to serve on the board and vote at the election.

It is recommended that the NID board be structured and operate as follows:

1. Board Size - minimum 5 and maximum 11
2. Composition - NID Board must consist of at least five members. The composition of the NID board will be divided between commercial and residential properties in the same proportion as the aggregate valuation of commercial property and the aggregate proportion of residential property.
3. Term - Each group shall elect from among its members a number of board members to represent its group. One group shall consist of those individuals who own or occupy commercial property, and one group shall consist of those individuals who own or occupy residential properties. All members will be elected to the Board for a one year term.
4. Compensation - None
5. Meetings - All meetings of the board shall be governed by the Wisconsin Open Meetings Law.
6. Record Keeping - Files and records of the board's affairs shall be kept pursuant to public record requirements.
7. Staffing - The board may employ staff and/or contract for staffing services pursuant to this Plan and subsequent modifications thereof.
8. Meetings - The board shall meet regularly, at least twice each year. The board shall adopt rules of order ("by laws") to govern the conduct of its meetings.
9. An Annual meeting shall be held within the first two months of the calendar year, at which members will elect a Board of Directors, with one vote allocated to each member present.

F. Relationship to the Havenwoods Neighborhood Partnership (HNP)

The NID shall be a separate entity from the Havenwoods Economic Development Corporation notwithstanding the fact that members, officers and directors of each may be shared. HNP shall remain a private organization, not subject to the open meeting law, and not subject to the public record law except for its records generated in connection with the NID board. HNP may, and it is intended, shall, contract with the NID to provide services to the NID, in accordance with this Plan.

IV. METHOD OF ASSESSMENT

A. Assessment Rate and Method

Residential property owners will be assessed a flat fee based on the following property classes:

Owner Occupied Single Family Homes: \$25.00
Owner Occupied Two & Three Unit Homes: \$50.00
Investor Owned Single, Double and Triple-Unit homes: \$75.00
Mercantile Apartments (buildings with 4 or more units): \$25 per unit to a maximum of \$300.
Investor Owned Single, Double and Triple Unit homes owned by NID resident: \$50.00
Property parcels that serve as a yard to adjacent property: \$0

This plan proposed to assess the property in the district at the flat fee outlined above. Appendix D shows the projected NID assessment for each property included in the district.

V. PLAN AND ORDERLY DEVELOPMENT OF THE CITY

A. Enhanced Safety and Cleanliness:

Under Wisconsin Statutes section 66.1110 (2) (d) this operating plan is required to specify how the creation of the District promotes the orderly development of the City. The will enhance the safety and cleanliness of the Havenwoods NID and consequently, encourage positive commercial and residential activity in the City. Increased activity in the City will increase property tax base and sales tax revenues.

B. City Role in District Operation

The City of Milwaukee has committed to helping private property owners in the district promote its development. To this end, the City is expected to play a significant role in the creation of the Neighborhood Improvement District and in the implementation of the Operating Plan. In particular, the City will:

1. Provide technical assistance to the proponents of the district through adoption of the Plan, and provide assistance as appropriate thereafter.
2. Monitor and, when appropriate, apply for outside funds that could be used in support of the district.
3. Collect assessments, maintain in a segregated account, and disburse the monies of the district.
4. Receive annual audits as required per sec. 66.1110 (4) (c) of the NID law.
5. Provide the board, through the Tax Commissioner's Office on or before June 30th of each Plan year, with the official City records and the assessed value of each tax key number with the district, as of January 1st of each Plan year, for purposes of calculating the NID assessments.
6. Encourage the State of Wisconsin, Milwaukee County and other units of government to support the activities of the district.
7. The City of Milwaukee, through the Office of the City Attorney, **will not** provide legal advice to the district.

VI. PLAN APPROVAL PROCESS

A. Public Review Process

The Wisconsin Neighborhood Improvement District law establishes a specific process for reviewing

and approving proposed districts. Pursuant to the statutory requirements, the following process was followed:

1. The Milwaukee City Plan Commission will review the proposed district boundaries and proposed Operating Plan and will then set a date for a formal public hearing.
2. The City Plan Commission will send, by certified mail, a public hearing notice and a copy of the proposed Operating Plan to all owners of real property within the proposed district. In addition a Class 2 notice of the public hearing will be published in a local newspaper of general circulation.
3. The City Plan Commission will hold a public hearing, will approve or disapprove the Plan, and will report its action to the Common Council.
4. The Community and Economic Development Committee of the Common Council will review the proposed NID Plan at a public meeting and will make a recommendation to the full Common Council.
5. The Common Council shall publish a class 2 notice regarding the meeting at which it will vote on whether to adopt the proposed initial operating plan. Before publication, a copy of the notice shall be sent by certified mail to all owners of real property within the proposed NID.
6. The Common Council will act on the proposed NID Plan.
7. If adopted by the Common Council, the proposed NID Plan is sent to the Mayor for his approval.
8. If approved by the Mayor, the NID is created and the election of NID board members occurs pursuant to Wis. Stat. § 66.1110(4) (a).

B. Petition to Terminate the District: The City shall consider terminating the District if a petition to terminate is filed with the City Planning Commission in conformity with Wisconsin Statutes Section 66.1110(6) (a).

VII. FUTURE YEAR OPERATING PLANS

A. Phased Development

It is anticipated that the NID will continue to revise and develop the Operating Plan annually, in response to changing development needs and opportunities in the district, in accordance with the purposes and objectives defined in the original Operating Plan.

Wisconsin Statutes section 66.1110(4)(b) of the NID law requires the Board and the City to annually review and make changes as appropriate in the Operating Plan. Therefore, while this document outlines in general terms the complete development program and proposed activities, information on specific assessed values, budget amounts and assessment amounts are based on current conditions. Greater detail about subsequent year's activities will be provided in the required annual Plan updates.

In later years, the NID Operating Plan will continue to apply the assessment formula, as adjusted, to raise funds to meet the next annual budget. However, the method of assessing shall not be materially altered, except with the consent of the City of Milwaukee.

B. Amendment, Severability and Expansion

This NID has been created under authority of Section 66.1110 of the Statutes of the State of Wisconsin. Should any court find any portion of this Statute invalid or unconstitutional its decision will not invalidate or terminate the NID and this NID Plan shall be amended to conform to the law without need of re establishment.

2. The number of board members who represent commercial and residential property, respectively, shall be set by the local legislative body, as closely as possible, in the same proportion as is the aggregate valuation of commercial property in the neighborhood improvement district to the total assessed value of all property in the district, and the aggregate valuation of residential property in the district to the total assessed value of all property in the district.

(a) 3., that the owner requests continuation of the neighborhood improvement district under subd. 3.

(c) After the expiration of 30 days after the date of the hearing under par. (b) 3., and after adding any additions and subtracting any retractions under par. (b) 4. and 5., the municipality shall terminate the neighborhood improvement district on the date on which the obligation with the latest completion date entered into to implement the operating plan expires if the owners who have signed the petition requesting the termination of the neighborhood improvement district under par. Financial Relationships with Other Entities (CDCs, non-profits, associations)

- ❖ Havenwoods Economic Development Corporation is the fiscal agent for NID#9. In addition, part of the NID funding goes toward the staffing, technical and administrative services that
- ❖ HEDC provides the NID neighborhood per the original Operating Plan and accompanying budget and the NID's inception.
- ❖ Employ Milwaukee committed up to \$8,791 for our Earn and Learn Youth Crew. That was 6 students at 6 weeks, 20 hours per week, \$12.21/hr. Due to vacation and some days missed, the full final amount was somewhat less than \$8,791.
- ❖ The NID works with Lighthouse Youth Center on the leaf raking service project and the Holiday Lights Contest.
- ❖ Conservation Energy does free energy assessments for NID residents, providing scopes they can use for energy improvement grants.

Core Programs

1. Neighborhood Safety Initiatives:

- ❖ Develop and maintain activities of existing block watch clubs throughout the NID district. Liz Hammer, our community organizer, continues to assist the three block watch groups and one block watch email loop functioning in the NID. This includes helping with block watch meeting agendas, participating in block watch meetings, helping deal with nuisance properties, connecting residents to City resources and departments and distributing useful information.
- ❖ Maintain grant programs for improved safety and security of homes and public spaces. HNP manages the approval process and reimbursement for three current grant programs including the exterior improvement program, exterior lighting program, and Ring doorbell program.

2. Community engagement activities:

- ❖ Continue to build relationships with homeowners, landlords and tenants to encourage pride and ownership of the community. The NID worked to build relationships not only through the previously mentioned block watches but also through neighborhood events and communications via the Newsletter.
- ❖ Develop and support neighborhood events such as plant sales, neighborhood clean-up days, performing arts and community gatherings. The NID was able to hold their Annual Meeting event, virtually, at the beginning of the year. However the July 4th Neighborhood Block party was held in person. The Resident Engagement committee also hopes to have in-person projects in the fall and the holiday lights contest in the winter.
- ❖ Continue to provide technical assistance to landlords within NID boundaries via landlord meetings. Community Organizer, Liz Hammer, continues to facilitate meetings for the KANDO Landlord Compact and other technical assistance, which serves many of our NID landlords.
- ❖ Work to develop and fund neighborhood beautification initiatives. The NID is funding one mural. Finally, the leaf raking project and holiday lights contest provides seasonal beautification.

3. Youth Work Crew:

- ❖ Continue to hire youth from the community for neighborhood youth employment and enrichment programs. Ultimately, 7 of those youths made it into the program.
- ❖ Hire supervisor(s) for youth employment program. Havenwoods NID hired one new supervisor this year. Harvey Williams did an excellent job with the students, emphasizing career readiness skill building.
