

## MARTHA LOVE ASSOCIATION B, LLC

*"Working together, we can make it happen"*

**1846 West Cherry Street. Milwaukee. WI 53205. [REDACTED] Email mlove46@aol.**

---

March 17, 2014

Martha Love has been a longtime Community Activist, Political Organizer and Labor leader at AFSCME AFL-CIO in Milwaukee County for over 37 years, now retired. During her years as union president she fought hard to ensure equal treatment on behalf of Public Employees at Milwaukee County.

Her experiences are extensive and ranges from being the former Chairman of the State & Milwaukee County Democratic party to serving on a number of Community and National Board of Directors. She has held these positions in order to help continue the social justice fight in our community.

In addition, Martha is a black History Maker and currently is a successful small business owner of Martha Love Association, a Community Relations & Community Outreach Business. Her business motto is **"Working together, we can make it happen"**

Martha's goals at the Human Trafficking Task Force are to fight crimes against children and protect them from being sexually exploited in our community, because over 80% of all kids lured into commercial sex trafficking is by trusted friends and relatives. Sex Traffickers recruit kids from malls, bus stops and around schools, with the average age of entry into the commercial sex industry in Wisconsin is between 10-13 years of age.

Martha is one of the founding members of the Human Trafficking Task Force of Greater Milwaukee .**Their mission at the task force is to eradicate crimes against children.**

Sincerely yours,

Martha Love
