Re: Communication from Dawn Peterson
C.I. File No: 1030-2021-189

Dear Mr. Peterson:

We are in receipt of your claim for damages to your 2000 Chevy Silverado that resulted in a total loss after colliding with a city plow on February 1, 2021.

We have conducted and concluded our investigation of this matter. Our investigation revealed that our driver was traveling westbound on Bluemound Road ahead of the driver of your Chevy Silverado. Our driver was plowing snow off the streets, with hazard lights in operation, when he began to turn left on North 75th Street.

While our driver was in the process of making that turn, your driver attempted to pass our driver on the left, resulting in the plow blade striking the passenger side of your vehicle. There is no evidence that the City was negligent. As such, the City would not be liable for the damages being claimed. Therefore, we are denying your claim.
