CITY CLERK'S OFFICE

MAR 6 - 2020

To whom it may concern:

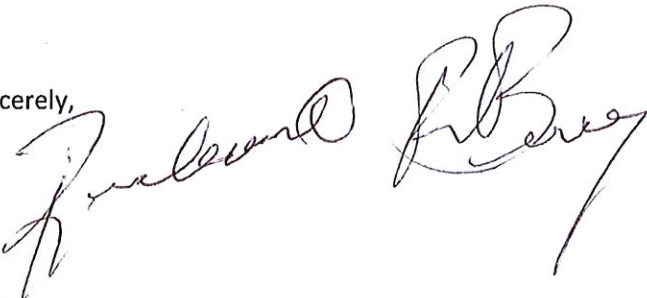

My name is Richard Berry. I am a 60 year old disabled veteran. I live in Milwaukee, WI. My street address is 433 S Hawley Road Apt #56. On December 28, 2019, I went out of town with my step son and returned home on December 30, 2019. When I returned, I discovered that my car suffered extreme water damage. A water main break occurred on December 28, 2019 and completely flooded the parking lot to my complex. Before the flooding happened, residents were warned and were able to move their vehicles to avoid any damages. I was out of town and was not afforded that opportunity. Instead, my vehicle remained in the flooded zone during my absence.

The damages are beyond repair. The vehicle won't start because the water level was up to the dashboard. The interior was covered in sludge and mud. The entire interior will have to be completely reupholstered or replaced to remove the odor. I was told that I will have to install a new engine and a new electrical system to make the car operable again. The costs of repairs far outweigh the value of the vehicle.

I stated earlier that I am a disabled veteran. I heavily rely on this vehicle. I have regular doctor appointments as well as a part time job. It is my only mode of transportation. Now I have to rely on the city bus and rides from others to travel. The nearest bus stop to my home is blocks away. Exposure to the extreme winter elements we've experienced is threatening my health. Just last month I was ill with the flu due to walking in the frigid temperatures. The flu can be fatal to a man in my condition if it turns to pneumonia.

I live on a very limited and fixed income and I cannot afford to replace my vehicle. I was told to file a claim with the city to seek reimbursement for damages. I would like \$2,300 to purchase a new vehicle. I am including a copy of the letter I received from my property management company, the damaged vehicle's title, and two estimates stating the value of the damaged vehicle if it were operable. I can be reached at (414) 241-8195 and my email address R2raymondberry@yahoo.com. I appreciate your time and attention in this matter. Thank you and have a wonderful day.

Sincerely,

Richard Berry
