To the Honorable, the Common Council

Subject: City of Milwaukee Bicycle Task Force

Dear Council Members:

The City of Milwaukee Common Council adopted Resolution File Number 930071 on May 25, 1993 which created the City of Milwaukee Bicycle Task Force. That resolution established a 7-member task force, including 5 at-large citizen members, one representative of the Department of Public Works (DPW) and one member of the Safety Commission of the Police Department. The task force would like to expand membership to provide a more broad based representation. We, therefore, have prepared and recommend adoption of the attached resolution which expands the membership of the City of Milwaukee Bicycle Task Force to 8 at-large citizen members, one DPW representative, one Safety Commission representative and a representative of the Department of City Development.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer

Mariano A. Schifalacqua  
Commissioner of Public Works
