This applies within 10' of a driveway intersection, and within 15 to 25' of other intersections depending on the zoning district.</li><li>The fence must be built entirely on your property and shall not extend over lot lines.</li><li>Fences shall not be located within the street or alley (public) right-of-way unless the project meets all the applicable requirements of Ch 245 Milwaukee Code of Ordinances.</li><li>All fences shall be constructed in a workman-like manner and of approved fencing material. Plywood sheets, snow fence, chicken wire &amp; plastic material less than 1/2" thick are prohibited.</li><li>All structural elements of the fence must face inwards (toward your property). Supports shall not face toward the street or neighboring property.</li><li>Solid fences 4' or more in height shall be properly anchored to a minimum depth of 30 inches.</li><li>All fences shall be uniform in color. Two colors are allowed if the fence is painted, stained or otherwise properly finished.</li><li>If the new fence is constructed parallel to and within 6' of an existing fence on the same lot, the existing fence shall be removed within 10 days of completion of the new fence.</li></ul>			
When you provide a check as payment, you authorize us either to use information from your check to make a one-time electronic fund transfer from your account, or to process the payment as a check transaction. I attest that the above information accurately describes the property and the proposed work to be performed on it. I agree to comply with all City of Milwaukee and State of Wisconsin codes applicable to the occupancy and work stated above. No asbestos project, as defined in Ch. 66 of the Milwaukee Code of Ordinances, is included in the work performed under this permit. I understand that any falsification or misinformation may result in the penalties prescribed in the Milwaukee Code of Ordinances.
