Subject: "Title Only" Resolution

Dear Mr. Zielinski:

The Milwaukee Metropolitan Sewerage District (MMSD) currently owns and maintains sewers in East Wright Street from North Gordon Court to 363 feet east of North Gordon Court; and in North Riverboat Road between Milwaukee Metropolitan Sewerage District intercepting structures IS207 and IS207A. In March 2001, MMSD requested ownership of and future maintainance responsibilities for these sewers be transferred to the City of Milwaukee. By accepting these sewers, they will be available to provide service to the adjacent property. The attached "Title Only" resolution will authorize and direct the proper City officers to execute Bill of Sale SC-2700 pertaining to the transfer of these sewers.

Thank you for your consideration of this "Title Only" resolution.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer
