Subject: Common Council Resolution File Numbers 041671 & 051327

Dear Honorable Members:

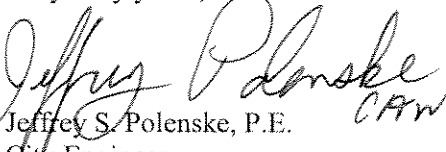

Returned herewith are Common Council Resolution Files 041671 and 051327, being amendments to special privileges for change of ownership of various items encroaching in the public right-of-way that were previously granted permission.

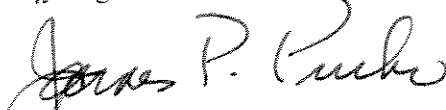

Common Council Resolution File Number 041671 changes the owner to Eric Paddock for two entrance stairways with platform and railing for the premises at 2900 South 11th Street. Permission for the two entrance stairways was granted in 1960 under Common Council Resolution File Number 60-2500.

Common Council Resolution File Number 051327 changes the owner to Liberty Holdings Company, Ltd for three tree grates with guards for the premises at 700 West Michigan Street. Permission for said tree grates with guards was originally granted in 1998 under Common Council File Number 971932.

We are not aware that the presence of said items will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolutions, which, if adopted, will amend the ownership of the above special privileges and will formally allow said items to continue to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.
