

## **JOAQUIN J. ALTORO**

**Vice President of Commercial  
Banking, Town Bank**

As a proud native to Milwaukee's vibrant community, he has become well acquainted with the diverse neighborhoods in order to serve its commercial banking needs. He is a multi-faceted community banking leader having both significant success aligning business strategies/objectives and a personal commitment to the unique economic development needs of neighborhoods at a local and national level. Joaquin has expertise in commercial banking, building supportive internal lending processes, and establishing and enhancing public and private partnerships. Through an engaged, high-energy approach and previous entrepreneurial experience, this experience complements strong business/quantitative acumen for advising community development projects and assisting individuals and businesses realize their current and future goals. When Joaquin is not working, he considers himself a self-proclaimed foodie. His travels and free time seem always to revolve around food. He enjoys cooking food from around the world for his brave and adventurous family.
