PA-33E Narrative

This report is written by P.O Daniel O'CONNELL assigned to District 1, Late Shift and equipped with body worn camera #0903.

On Sunday January 14, 2018, while assigned to Squad 1341, I along with Squad 1343, P.O. Michael DESTEFANIS, were dispatched to the George Webb's located at 812 N Old World Third Street, which is located in the City and County of Milwaukee, for a battery complaint at approximately 1:50 AM.

Upon our arrival I met with the victim and caller, Dorothy L ALEMAN (W/F, 03-18-81), who is the manager of the restaurant. I observed that ALEMAN had several scratch marks on her neck and face. ALEMAN stated she just needed our names because the subjects were already gone and we couldn't do anything about it. I asked her to clarify and explain what happened. ALEMAN state that at approximately 1:23 AM, three black females had entered the restaurant and ordered several food items. ALEMAN explained that one of the females began to demand things with their order prior to paying for the food, which is required after 10 PM.

ALEMAN stated that several times the server and the females adjusted the order until the female became infuriated that she had to pay extra for salsa with her meal. ALEMAN explained the female began to yell at her while ALEMAN stood in the kitchen. ALEMAN stated she instructed the female to stay out of the kitchen and to calm down, at which point the female entered the kitchen area and continued to yell at ALEMAN. ALEMAN stated she took a knife and told the female to get out of the restaurant but eventually put the knife down because "she didn't want to put herself through that" but would defend herself. The female then began to grab and scratch ALEMAN in the face and neck.

The female's two companions joined in the assault of ALEMAN, grabbing her, striking her, and scratching her causing her pain, redness, and scratch marks. ALEMAN stated that she began to defend herself and yelled to the other employees for help. She stated she grabbed a mug and struck one of the females in the forehead which causing a laceration to the female's forehead. The three females then fled the restaurant in an unknown direction.

ALEMAN described the females as follows:

- female who initiated altercation- Black female approximately 35 years old, 5'6" to 5'7" inches tall, 200 pounds. She had black hair with a pony tail, wore a gray jacket, and dark pants
- Black female, late 30's, 5'10", 140 pounds, curly hair with a pony tail. She wore a gray jacket, blue pants, and black heels
- Black female, unknown age, 5'5" to 5'6", 170 pounds. She wore a black hooded sweatshirt, and blue jeans.

I observed in the kitchen area several drops of blood on the floor as well as several items strewn about. ALEMAN stated kitchen equipment had been knocked out of place due to the altercation.

ALEMAN stated that they have a new computer system for their surveillance cameras and she wouldn't have any access to the cameras until Monday morning.

ALEMAN stated she did not consent to the actions of the three females and would prosecute if they were to be identified.

This report written by PO Seth EDWARDS, assigned to District 1, Late Power shift.

On Saturday, April 1, 2017 at approximately 3:16 AM Squad 1440W (myself) was dispatched to 812 N. Old World Third St. the George Webb's, which is in the City and County of Milwaukee, for a Fight call.

Circumstances:

The CAD stated that: The caller states that about 10 people were fighting at the location / No longer fighting.

Upon my arrival, I entered the restaurant and observed tables and chairs moved about in disarray and dishware, condiments and food on the tables and floors. I also observed that the front most northern window had been broken and glass was still in the frame breaking and falling onto the floor while on scene.

I spoke with an employee of the restaurant who was later identified as Dorothy L. ALEMAN (W/ F 03-18-91) who stated that a group of subjects started a fight and broke the glass.

Interview of ALEMAN:

ALEMAN stated that at approximately 3:00 AM she was working at the location and that it was very packed with patrons. ALEMAN stated that a group of 5 B/F's and 1 B/M came in to eat. ALEMAN stated that she told them the wait would be approximately 20-30 minutes for food as they were short staffed. ALEMAN stated that the group sat down at a table in the northern most section of the restaurant. ALEMAN stated that after approximately 10 minutes they became agitated with the wait. ALEMAN stated that the suspect began to swear at her and then start an argument with people that were sitting down eating food. ALEMAN stated that the suspect attempted to fight with the unknown individual and that another person jumped in and a fight began with a large group of members in the restaurant. ALEMAN stated that the subjects involved were the group of 5 B/F's and 1 B/M and the unknown subjects that were initially sitting and eating their meal. ALEMAN stated that while she called the police she observed the suspect pick up and throw a full container of sugar at the window causing it to break and shatter. The container of sugar is glass and is approximately 3" diam. x 5-1/8" h with a stainless steel top for the dispenser and are standard restaurant size for George Webbs. ALEMAN stated that the group fought a little more and then all members left the location. ALEMAN stated that the group that began the issues in the restaurant entered a Dodge Caravan and she was able to obtain a plate. ALEMAN stated that the plate was WI-PLATE KT9512. ALEMAN showed me the surveillance footage and she identified that suspect who was acting disorderly towards her and the patrons of the restaurant. ALEMAN also identified this subject as the woman who threw the container of sugar at the window causing it to break.

I called for a Forensic Investigator to the scene to retrieve the footage and take photos of the damaged committed. Squad 1921 (PO James PETERSON) arrived on scene. (Please see PO PETERSON'S report)

A check of the plate provided by ALEMAN came back to the listed vehicle in the vehicle tab of this report. A 2008 Silver Dodge Caravan, that lists to the residence of 3212 W. McKINLEY Blvd. and belonging to a Sequoia M. BASLEY (B/F 10-15-84).

Customer Disturbance Handling

President's Message

Our primary concern is the safety of our employees and customers.

The purpose of this document is to prepare employees to effectively handle typical customer disturbance situations and situations in which safety is jeopardized, as well the proper utilization of police resources.

All employees are welcome to address safety and security concerns with their manager or are always welcome to attend the Weekly Manager's Staff Meetings.

All employees must read and receive training in the following guidelines as part of their initial training.

The trainer will certify by his/her signature that the trainee has been trained in these areas.

Equal Public Accommodation

All employees will provide service to all individuals regardless of disability, age, race, religion, creed, color, sex, sexual orientation, disability, marital status, national origin, and will not discriminate under any unlawful basis.

No employee will bar from entry, refuse to provide service, make derogatory remarks, or treat customers differently based on their race, color, religion, sex, sexual orientation, marital status, national origin, physical or mental disability or age.

Non-Escalation Policy

A positive outcome for any interaction with a disruptive customer is what we want.

It is therefore vitally important that you as an employee, do not react to disruptive customers in a way that might escalate the "situation".

Remain calm, do not argue, etc.

Identifying Disruptive Behavior

On occasion, there are individual whose behavior becomes a detriment to building a steady clientele of regular customers.

Some examples of such behavior:

- **Odor:** Individuals whose odor is such that it is a disruption to others
- **Panhandling:** Individuals who enter the premises and attempt to beg for food or money from customers or employees
- **Vagrants:** These are individuals who wander from place to place, appear to live on the street, attempt to enter our premises to beg for a meal or just to hang out because they have no other place to go or to get warm.
- **Loitering:** Individuals who enter the premises and just want to "hang around" and not order anything; or customers who after eating, remain in the premises for an excessively long periods of time
- **Loud:** Individuals who are excessively boisterous to the obvious detriment of an enjoyable experience for others
- **Interference:** Individuals who interfere in the normal operating procedures of the restaurant employees
- **Possession of alcohol or illegal substances:** Individuals who bring in alcohol or illegal substances
- **Intoxicated:** Individuals who appear intoxicated to the point of not being able to keep their behavior from interfering with the enjoyment of others.

Approaching Disruptive Customers

Your initial reaction to any situation will have a tremendous impact on the overall situation. Making proper decisions early will ensure a positive outcome.

Whenever you approach such an individual

1. Protect your own safety by approaching carefully.
2. Remember, other customers will be watching how you handle the situation. The best policy is to treat everyone with r e s p e c t.
3. Speak quietly and do not embarrass the individual.
4. Do not yell at or make threatening remarks.

Suggestions as to What to Say

In a quiet, non-threatening tone of voice, say:

- **Odor:** I'm sorry but we cannot serve you as your odor is disruptive to others; alternatively we will package your order for carryout.
- **Panhandling:** I'm sorry but you cannot ask others for money or food here. You'll have to leave!
- **Vagrants:** I'm sorry but you cannot enter these premises. Out!
- **Loitering:** I'm sorry but you must place an order in order to remain here; -or- I'm sorry but it's time to leave as you have had your meal and are still here after x period of time. (Please use good judgment. There is a difference between someone who remains in the restaurant reading a book, working on a laptop or visiting with friends, versus someone who is just idly hanging around for an excessively long period.
- **Loud:** I'm sorry but you'll have to be quieter in order to be served
- **Interference:** I'm sorry but you cannot interfere with our operations
- **Possession of alcohol or illegal substances:** I'm sorry but you must leave if you have alcohol or illegal substances
- **Intoxicated:** I'm sorry but you seem excessively intoxicated. You'll have to straighten up before I can serve you or I will have to ask you to leave

Taking Further Action

- This is a warning, I am sorry but you will have to leave.
- This is a warning, I am sorry but I will call the police if you do not leave, stop, etc.
- Walk over to the phone and pick up the receiver as though you are about to call the police. This may cause the customer to leave without further incident.
- If necessary, call the police using the Non-Emergency Police # (see the speed-dial list)

Physically Threatening Customer

Our primary concern is the safety of our employees and customers.

NEVER intervene in the event of a fight or other threatening customer behavior.

NEVER touch or attempt to restrain any individual.

If a customer's behavior has become verbally abusive, call the police by dialing the **non-emergency #** (see the speed-dial list)

If the customer's behavior escalates to threats of violence, or becomes violent, this is a crime and **dial 911.**

3rd Shift Customer Handling

Working the 3rd shift, especially on Friday and Saturday nights, presents some situations that on other nights or on other shifts, you probably will not experience.

The obvious reason is that a number of customers, especially between the hours of 2 AM and 4 AM on Friday and Saturday nights, will patronize us after they have consumed alcohol. Most of these customers are just nice people out for a good time. On occasion though, some get carried away and become obnoxious or even worse.

In most situations, a smile and a sense of humor will go a long way to effectively handling late night patrons. Important suggestions for successful late night customer handling:

- Smile
- Ask if they had a good time out tonight. (This tends to break the ice and build rapport with the group.)
- Offer beverages right away and serve those before taking the food order
- Take the food order and be sure to repeat it back to avoid any misunderstandings
- Explain that due to how busy the restaurant is, it may take a little longer than usual for their order to be prepared
- Print the receipt and return to the group for immediate payment as per the pay-in-advance policy on third shift
- Return frequently to offer beverage refills
- Return frequently to remind the group that their food is coming – ask for their patience

Call-in Orders 2-4 AM

In order to focus on expedient in-store customer service, inform phone-in customer's that we do not take call-ins between 2-4 am on weekends.

Late Night Complainers and Agitators

During bar time (approximately 2-4 am on weekends), if necessary, rather than allow customer behavior that is too loud, too demanding, etc.:

- Stop what you are doing no matter what it is and deal with the issue. (If you just yell at a customer while you continue working, they'll likely just ignore you.)
- Again, stop what your doing and go to the customer
- Speak with authority (but do not yell)
- Say "this is a warning... no service will begin until the 'behavior' stops"
- Say "this is a warning... that the behavior must stop or they will have to leave"
- Give a refund if necessary if the situation seems to be escalating

Before You Call 911

Before you dial 911, ask yourself... is this a life threatening emergency or crime in progress? Because we have been put on notice by the Police Department that our business can be deemed a nuisance if we make 911 calls that are not for life threatening emergencies or crimes in progress.

Has an individual threatened violence or become violent and/or is there an actual crime in progress? If yes, dial 911.

However, for issues such as:

- Customer won't pay
 - Customer won't leave
 - Customer stole your tip
 - Customer is arguing
 - Loiterer
 - Vagrant
1. Attempt to handle the situation without police intervention.
 2. If necessary, dial the police non-emergency # (see the speed-dial list)

Only call 911 when it is a life threatening emergency or crime is in progress!

Examples of life threatening emergencies or crime in progress:

- Prowling
- Battery
- Robbery
- Shots fired

What will happen if we overuse or abuse 911?

If the police receive more than three 911 calls in a month, or if they deem any 911 call to be "911 abuse" (such as hanging up on a 911 operator or putting one on hold), the police can invoke a city ordinance deeming a business a nuisance, which has fines and charges up to \$5,000 per incident.

Call 911 for life threatening emergencies. Otherwise call the police non-emergency # (see the speed-dial list)

Police Call Incident Report

For every call to the police department, whether to 911 or to the non-emergency #, it is necessary to fill out a "Police Call Incident Report" immediately after the situation is under control.

A written report must be prepared for every call to:

- 911
- police non-emergency # (see the speed-dial list)
- pressing of the holdup button

A reminder about when and when not to call 911, along with a "Police Call Incident Report" form is posted on the employee bulletin board and under Forms in the Safety In The Workplace Binder. Please familiarize yourself with the location of these documents.

EXPLANATION FOR ITEM #1 – 2007 DISORDERLY CONDUCT

In 2007, as part of a very contentious divorce, my wife at the time made a false accusation. On advise of my attorney and for the sake of my young daughter, I accepted a city ordinance ticket of disorderly conduct in order to put the matter to an end rather than to enter into a prolonged court battle. The incident she alleged never actually occurred, and there has been no further incident.

EXPLANATION FOR ITEM #15 – 2016 WARRANT

The warrant should have never been issued and was canceled on 03/13/17 per the Defendant Court Record (attachment 1). A letter from the city attorney dated March 13, 2017 (attachment 2) explains that the warrant was due to an error by the city attorney. (Attachment 3) is a revised Citation Court Record showing a Plea of Not Guilty and Finding of Dismiss. (Attachment 4) is a letter from counsel asking the judge to correct the Defendant Court Record.

The accused was assaulted and defended himself. An onlooker reported that the parties were fighting. Other witnesses clarified the occurrence and the violation was dismissed.

RE: City of Mequon v. Thomas Aldridge
Citation Number: #S817BZLWF

Dear Judge Cain:

Please accept this letter behalf of the City of Mequon as a request to re-open and dismiss this matter without costs. The reason is that the City inadvertently defaulted this case even though defense counsel pre-tried the case by phone before the May 2016 pretrial date. At that time, the City offered a hold open for six months, with a condition that the defendant commit no new violations, which he has completed.

Unfortunately, because Mr. Aldridge's case was not in the section of the calendar for defendants with counsel, and because Attorney Loeb's name was not listed, I did not recall our prior conversation and defaulted the defendant, who I mistakenly believed was pro se and did not appear. I understand from speaking to the clerk that the reason it was not listed was because the clerk's office received a notice of retainer after the docket was already completed.

Ultimately it was my mistake, and I offer the above as an explanation not an excuse. I apologize for any inconvenience to the court or the defendant.

Sincerely,

Chris Smith

RE: City of Mequon v. Thomas L. Aldridge

File No.: 16120297
Request to Amend Court Record

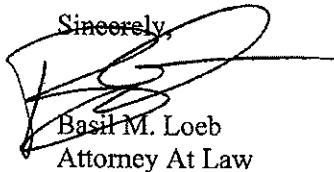

Dear Judge Cain:

Please note that I represent Mr. Aldridge in the above-referenced matter.

I have received a copy of the Defendant Court Record in the matter. I sent the record to Mr. Aldridge and he has a request to amend the record. Next to "Plea", the entry should be "Not Guilty" as opposed to "No Contest". The status and finding of the case (dismissal) is correct, but the plea portion of the Court Record should be changed to Not Guilty so that it is clear that Mr. Aldridge did not plead No Contest to the charge listed on the citation.

Thank you very much for your attention to this matter.

Sincerely,

Basil M. Loeb

Evidence regarding the fitness of the location of the premises to be maintained as the principal place of business, including but not limited to whether there is an overconcentration of businesses of the type for which the license is sought; whether the proposal is consistent with any pertinent neighborhood business or development plans, or the location's proximity to areas where children are typically present. There is a possibility that your application may be denied for one or more of the following reasons: The recommendation of the committee regarding the application shall be based on evidence presented at the hearing. Per MCO 85-2.7-4, probative evidence concerning whether or not a new license should be granted may be presented on the following subjects: whether or not the applicant meets the municipal requirements, the appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion. Probative evidence relating to these matters may be taken from the plan of operation submitted with the license application, if any, but shall not include the content of any music. Evidence regarding the fitness of the location of the premises to be maintained as the principal place of business, including but not limited to whether there is an overconcentration of businesses of the type for which the license is sought; whether the proposal is consistent with any pertinent neighborhood business or development plans, or the location's proximity to areas where children are typically present. The applicant's record in operating similarly licensed premises; and whether or not the applicant has been charged with or convicted of any felony, misdemeanor, municipal offense or other offense, the circumstances of which substantially relate to the activity to be permitted by the license being applied for or any other factor which reasonably relates to the public health, safety or welfare may also be considered. Alderman Zielinski,

Thank you for taking my call. I want to state that we do not want to cause issues with this festival as these types of events are good for Milwaukee.

Last year it was held during Marquette Graduation and we did not know anything about it. It went to 8pm and was devastating to Carnevor's business. We had several customers cancel due since they could not get to us. We also had 3 tables walk out because they had set up the stage with live music right outside of our windows. We probably lost close to \$10,000 of business due to this event moving to this Sunday. In the past it was always held on a Saturday but would close down by 5pm.

We are happy to support and sign off on this event if they close down and have the streets open back up by 6pm. They could start the festival at 11am or noon and still have 5 to 6 hours to throw this party.

Please let us know how to proceed.

Thank you.

Thank you for these comment. I have often wondered about this event's impact on other businesses but have never heard complaints.

This was probably the last year given the construction of the street car.

I will enter in licensing and special event file.

On Jun 8, 2017, at 5:11 PM, I

Dear Mr. Robert Bauman
District 4 Alderman

I found necessary to contact you about the block party on May 21st, on Milwaukee St. between Wisconsin and Mason St. that the restaurant Cubanitas organized.

We, as part of the Milwaukee street block were never told or consulted about the event, and that caused several problems. For instance, being a Marquette University Graduation weekend, our guests could not find a parking spot close enough. Another issue was the noise level, which was too high and caused three large parties to leave our restaurant without consuming anything.

When we approached the organizers, they were very dismissive and told us that this is a yearly event and they couldn't do anything about it.

At the end of the event, we were left with a dirty block and a stage in the middle of the road.

Overall, we lost a substantial amount of business that day, when it should've been a very profitable Sunday for us.

I urge you to consider this information for next events happening in this block and help us keep boundaries that would benefit both businesses during said event.

I appreciate your consideration.

Best Regards.

Subject: Complaint against Benihana (850 N Plankinton Ave)

Good Morning,

We've received a complaint from [redacted] home address [redacted] contacted us regarding the restaurant Benihana Milwaukee at 850 N Plankinton Avenue. [redacted] explained that she and her family were celebrating a birthday there on Saturday, March 3rd; her brother decided to get his car valeted, and when he got back to his vehicle they found that property was missing. There was no damage to the car indicating the lock or a window was opened, leading them to conclude that the valet had been involved with their missing property. They were not helped by restaurant management other than they were told a number to contact for the third party valet, which has disconnected.

I have CC'd [redacted] with her email address.

Thank you,
Jensen

Subject: Kilbourn Kitchen & Brothers Food

We received a complaint from a neighbor of the Kilbourn Kitchen (901 N 27th St) that the store has been selling expired meat, spoiled milk, rotten potatoes, and moldy bread. Similarly, Brother's Food (966 N 27th St) is also selling moldy bread (a complaint we have already on their file); according to the complainant, store owners are all family. I was told that these businesses will use customers quest cards to re-stock their shelves, re-selling expired food items from elsewhere their food. Additionally, as at Brothers, the operators of Kilbourn Kitchen permit people to sell weed in and outside of the store, frequently smoking in the store themselves. Can we corroborate any of this?
