To the Honorable Members of the
Zoning, Neighborhoods and Development Committee
City of Milwaukee
City Hall, Room 205

Dear Committee Members:

File No. 131529 relates to floodplain zoning regulations. This file adopts a flood insurance study for the portion of the city located in Waukesha County. Specifically, the following panels will be added: Waukesha County flood insurance rate map panel numbers 55133C0114F and 55133C0227F dated November 19, 2008. These panels were intended to be part of the larger floodplain ordinance text change file (FN 130955), which was before City Plan Commission in December 2013.

The Zoning Code Technical Committee met on February 25, 2014, and found the proposed file to meet the three criteria with respect to legality and enforceability, administrative efficiency, and consistency with the format of the zoning code.

Since the proposed amendment meets the standards of legality, enforceability, administrative efficiency, and consistency with the zoning code, the City Plan Commission at its regular meeting on March 10, 2014, recommended approval of the file.

Sincerely,

Rocky Marcoux
Executive Secretary
City Plan Commission of Milwaukee
