Dear Ms. Dukes:

Please be advised that the Fire and Police Commission, on November 20, 2003, approved your recommendation providing the following:

In the Salary Ordinance, under Pay Range 863, delete the title "Battalion Chief, Vehicle Operations 1." Under Pay Range 857, add the title "Vehicle Operations Training Coordinator 1" and delete the current footnote "1" and recreate it as follows: "1/ Employees promoted from the Fire Lieutenant, Administrative Fire Lieutenant, or Vehicle Operations Instructor classification to the Fire Captain, Administrative Fire Captain, or Vehicle Operations Training Coordinator classification shall be appointed at the fourth step of Pay Range 857."

In the 2003 Positions Ordinance under the Fire Department, Supporting Services Decision Unit, delete one position of Battalion Chief, Fire and add one position of Vehicle Operations Training Coordinator.

In the 2004 Positions Ordinance, under Fire Department, Supporting Services Decision Unit, delete one position of Vehicle Operations Manager and add one position of Vehicle Operations Training Coordinator.

Sincerely,

David L. Heard  
Executive Director
