To the Honorable, the Common Council

Subject: North Teutonia Avenue Bridge over
West Silver Spring Drive – Bridge Rehabilitation

Dear Council Members:

Common Council Resolution File Number 060918, adopted on November 14, 2006, authorized the Commissioner of Public Works to execute a project agreement with the Wisconsin Department of Transportation (WISDOT) for bridge rehabilitation of the North Teutonia Avenue Bridge over West Silver Spring Drive. The project agreement provided funding participation of 80 percent Federal and/or State aid with 20 percent City participation, under the Local Bridge Replacement program.

Since the time of executing the original project agreement, preliminary engineering work has been completed and construction estimates have been further refined and increased. Consequently, we have requested, and the WISDOT has authorized, additional funds for construction associated with the bridge rehabilitation. The amounts are reflected in the attached revised project agreement.

We have prepared and recommend adoption of the attached resolution authorizing the Commissioner of Public Works to execute the revised project agreement. The construction funds for this project will be requested in a separate resolution.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Jeffrey J. Mantes
