Subject: Filament/2nd and Seeboth Objection

Hello,

We are writing to express our concern and frustration about the frequent private parties and events that are held on our public street, hosted by Filament wedding venue. These parties create noise, trash, and safety issues for our neighborhood and disrupt the peaceful enjoyment of our properties.

Filament has been abusing Milwaukee's 'Special Event Permit' to extend their private business to the public street for their own profit. They pay only \$20 and face no regulation, accountability, or oversight.

Filament has sponsored more than 20 'special Events' this year alone, but there is nothing special about them. They are part of a regular business plan - Filament offers them as a 'Block Party Option' to clients. This means we will endure an increasing frequency and intensity of these events in the future.

We believe that our public street should not be exploited as a facility for private business.

We urge you to act promptly and decisively to stop these parties and help us create a stable environment for all the residents in our area.

We appreciate your attention and collaboration on this matter.

Please see the attached petition.

Hi Andrew,

I'd like to add a couple items to the record on this matter, and provide an update on a petition that is currently circulating.

For the record:

- Please see the attached photo showing a typical example of trash from Filament left for us to clean up.
- Here is a link to a video showing our entrance in relationship to events, along with people on the train tracks: [LINK](#)

There is a petition regarding the issue.

- The signatures collected so far can be viewed [HERE](#).
- **The petition is ongoing and will probably increase in signature quantity.**
- Note the quantity of signatures from 106 W Seeboth St.
- Please inform if 106 would be within the 250 ft. range for information distribution regarding the upcoming meeting.

If you have the information on a date/time/location for the licensing board meeting where residents will be able to speak, please let me know so we can prepare and inform.

If there's any issue with the links, please let me know and I'll run a flash drive over with the data.

Thanks Andrew.

Hi Mr. Perez,

My name is , a resident of The Cream City Lofts at 135 W Seeboth St.

We have been experiencing loud noise, public intoxication and hassle entering and leaving our building due to events the Filament wedding venue holds on the street outside of our building on a regular basis.

On each occasion a **full bar with sound reinforcement** is utilized in a **party tent** right outside of our buildings entrance.

No notice or opportunity for rebuttal has been given for any of these events.

Please see this short video of the latest incident (Event Permit No: PWSE-23-00344):

<https://youtube.com/shorts/DqRkgQrsB28?>

REDACTED RECORD

There are 45 families living at Cream City Lofts.
Residents are encumbered with street closing and disturbance in the following ways:

We can't have a normal conversation *inside* our units on any floor.

People who work from home, have alternate sleep schedules, need to study, etc. simply can't.

Deliveries and services (UPS, FedEx, Amazon, Lyft, Uber, Door Dash, etc.) are confused and can't perform their duties.

Move-in/Move-out: Residents need to bring trucks up to the door to move but can't.

Filament patrons congregate around our building door making egress/ingress a hassle.

The irresponsible actions of this company are a clear quality-of-life concern for all of us that live at The Cream City Lofts.

We have a right to the peaceful enjoyment of our residences at all times and are asking you and your team to protect that right for the residents of Cream City Lofts.

Sincerely,

Good Morning

I wanted to start out by letting you know we appreciate you coming forward to be a voice for you and your fellow neighbors at . Thank you for talking to me over the phone this morning. During our conversation you informed me the location 131 W. Seeboth St. is Filament, a venue used for weddings, where the events take place for approximately 3-4 hours until 7-8pm. The issues you have brought up are:

- Speakers playing music at a level of which disturbs you inside your place of residence.
- Being subjected to unknown subjects in the area setting off amateur fireworks early in the morning at 1am.
- These events are permitted to be in the street, and on the north sidewalk in front of their venue. ; from where these events are taking place. You explained you have been having issues with guests of these events gathering on the south sidewalk including in front . These guests continuously stop residents trying to enter , asking them why they were entering their private event.
- You have explained people attending these events have been witnessed being intoxicated.

-You stated _____ started out with not too many residence, but more and more are moving in, and concerned that the venues outdoor events with speakers/live entertainment may start to become more a nuisance

I am attempting to contact the License Premise Agent to discuss these matters further. For now, I know a Licensed Premise Report will be filed regarding, which are read at their license renewal hearings, stating everything you have experienced.

FYI, there are similar future events with approved Temporary Change of Place Applications. These allow speakers to play music from 4pm-7pm.
