PA-33E Narrative

This report is written by Sgt. Eileen DONOVAN-AGNEW, assigned to District Four, Early Shift.

On Monday, 8-4-14, at approximately 2:00pm, a meeting was conducted at District Four regarding the re-opening of Onyx. The meeting was with myself, Captain BEECHER, Jerrel JONES, Obiora OBI, and Lucas from Lucas security. The meeting was to make efforts and discuss the reopening of the bar, expectations of the department and the establishment, security, and how the department and club can work together to better the establishment.

It was stated by JONES and OBI certain things that the club will have that will help better operate the establishment. All security will be ran and provided by Lucas. The security inside the establishment will wear Onyx polo shirts that say "Staff" on the back of the shirt. Outside security will be uniformed. The guards will consist of 5 total. There will be 2 male unarmed, 2 female unarmed and 1 armed guard. The club will consist of roughly 12 for their staff. The club will have an ID reader that will consist with a time stamp. The reader will scan and beep if the subject is under the age of 25. The club will have HD cameras on the outside and will have a person on site at all times that can operate the camera system. OBI stated that they have agreements with other lots from businesses in the area for parking; Foodmart, Mcdonalds, and CVS. It was suggested a contact guide be made so we can get in contact with the owners of the parking lots if there are issues.

The opening of the club is set for August 15, 2014. They will be opening at 8:30pm and last call will be at 1:15pm. The goal is to get subjects out of the club before other bars and locations to deter problems. Both JONES and OBI are looking forward to working with the department and operating a successful business.

27. On 12/29/11, Captain Jerome O'Leary wrote a Licensed Premise Report in regards to numerous disturbances in and around the neighborhood it occupies. The following reads: The nightclub has been experiencing an increase in traffic and disturbances outside. These problems are being experienced not only by District Four, but also by District Seven, which shares Villard Avenue as a border with District Four. With the increase in problems around the nightclub, both Districts Four and Seven have had to increase the police personnel in the area of the nightclub. On the average Tuesday night, for Onyx's "Taco Tuesday", District Four deploys four officers and a supervisor to assist with controlling disturbances around the nightclub. On Friday nights, District Four deploys the same number of personnel to do the same. District Seven also deploys squads to the area on these nights to assist with the efforts of District Four. Due to this and the fact that there was a shooting related to the nightclub that involved a response of officers from Districts Four and Seven, Captain O'Leary and Captain Regina Howard called the nightclub owner into District Seven for a meeting to address these issues. Also present was Assistant City Attorney Robin Pederson. On Tuesday nights, the nightclub holds a special event, which draws a regular capacity filled crowd, which the owner informed Captain O'Leary that 80 to 90% of the crowd is under the age of 25. Mr. Obiora informed Captain O'Leary that he had to add extra security due to the increase in problems inside the club as well as outside. During the conversation, Assistant City Attorney Pederson informed Mr. Obi that his nightclub was not licensed to have patrons under the age of 25 during hours of operation unless by special permit. Mr. Obi stated that he knew this. When asked why was the nightclub disregarding the conditions of the license, there was no response from Mr. Obi. Mr. Obi was informed that police would ensure that the club complies with the conditions of the their license. The 25 and up age limit was granted and started in September of 2011, but the nightclub disregarded this provision from that date until this was brought to police departments attention on January 12, 2012. The nightclub advertised 21 and up for all of their events and allowed patrons under the age of 25 regularly, knowing they were not licensed to do so.

28. On 01/03/12 at 7:41 pm, Milwaukee police were on scene at 3120 W Villard Avenue monitoring the club because of its "Taco Tuesday" special. A total of five squads were on scene with the last squad clearing the area at 2:00 am. No incidents reported.
 29. On 01/07/12 at 12:18 am, officers were ordered by Captain O'Leary to conduct a License Premise Check at 3120 W Villard. Two squads responded and upon entry, officers observed two bouncers at the front door of the club. Officers identified one security guard as Aaron Pass who was asked by officers if he was checking ID's prior to entry. Pass responded, "Yes we always do here". Pass was asked if all patrons were 25 and up because the bar is licensed as such, Pass stated, "No just 21 and older here". The officer asked how long Pass has been an employee for the club to which he replied, "For a little bit now". It was later found during the permit check that the tavern had a special party permit for this date, allowing patrons 21 and older allowed in the tavern. Police also observed a booth with a cash register where they were actively charging a ten-dollar cover to patrons. No sign was posted and Mr. Pass was advised that this was a violation and needed to be addressed and corrected as soon as possible. Officers also spoke with a woman, identified as Shely Hill, who stated she was the manager and that all bartenders' were working under her and her license. When officers asked her to provide her bartenders license, officers assumed that Hill went to retrieve it, but she never returned. Approximately 5 minutes later, the tavern owner Obiora Obi came to the bar with his jacket on and asked officers if there was anything they needed. When officers attempted to locate Hill, police asked Obi, where the bartender in charge was to which Obi responded he was the bartender in charge. When asked who was responsible for serving drinks when Obi was not on the premise, Obi responded he was always on the premise. When further asked why Hill stated she was the manager in charge, Obi stated she was mistaken and did not mean that because her bartender's license was expired. When asked where Hill was, Obi stated he didn't know. Officers found the tavern employees' to be uncooperative when speaking with police.
 30. On 01/10/12 at 12:18 am, officers were ordered by Captain Jerome O'Leary to conduct a License Premise Check at 3120 W. Villard Avenue. As police entered, they observed the business charging a cover charge at the front door however the amount per individual was not posted in the entryway per city municipal code. This was the second incident when police observed the cover charge not being clearly posted. Officers found the club did have a special party permit for the night that allowed patrons 21 and older to be present. Officers spoke with Obiora Obi and advised him of the signage for the cover charge that has to be posted; any further violations would result in a citation.
 31. On 02/04/12 at 11:48 pm, Milwaukee police conducted a License Premise Check at 3120 W. Villard Avenue. No violations were observed.

Obi asked for permission to use barricades to block off 31st and 32nd streets northbound about fifteen minutes before closing time. Captain O'Leary agreed to the use of barricades to help with traffic at closing. Captain Howard suggested attending block watch meetings in the area so Obi can address any concerns that the neighbors may have regarding his business. All parties were in agreement.

39. On 03/02/13 at 2:05 am, Milwaukee police were dispatched to 3120 W Villard Avenue for a Theft complaint. The theft complaint was ordered into the district attorneys office and was not processed by an ADA. Officer's also cited the victim for Assault & Battery and the suspect for Possession of Alcohol by Underage Person.
40. On 03/31/13 at 10:26 pm, Milwaukee police responded to an anonymous report of a fight at Onyx located at 3120 W Villard. The fight became physical and their friends separated the two females with security escorting all parties out of the club. Upon being escorted out, the females continued to verbally argue before getting into their vehicles and leaving the area.
41. On 04/05/13, Milwaukee police investigated a Shooting complaint that occurred outside of the Onyx Night Club. Investigation found two patrons who were leaving Onyx, were approached by two unknown males who began to fight them. Shots were fired shortly after striking victim # 1 in the right hand. Victim # 2 fled the location on foot and when he returned he advised victim #1 he was robbed of his necklace. The victim sought medical attention at a hospital in Racine for the wound to his hand.

42. On 04/15/13 at 12:30 am, Milwaukee police were dispatched to 3120 W Villard for a Fight complaint. Investigation revealed two patrons had an argument, which escalated and became physical. 44. On 04/26/13 at 1:45 pm, members from the Milwaukee Police Department, ACA Nicholas Desiato and Attorney Michael Guerin met with Obi Obiora to discuss the substantial battery that took place on 04/15/13 and the nuisance status of his establishment. Discussed were future plans to work with the police department regarding any further incidents. Measures that were put in place already for Onyx was an identification scanner for each person who enters the facility. Each male who enters the club has a pat down, with females being scanned with a wand. Obiora stated he has posted signs on the building regarding no weapons allowed inside the business. The subject made threats to come back and shoot up the place. While conducting traffic control security identified the subject involved who was subsequently arrested and taken to District #4 for Substantial Battery-Int Bodily Harm.

47. On 05/27/2013 at 12:22am, Milwaukee Police were dispatched to a tavern violation at 3120 W Villard Av (Onyx), which was called in by a citizen who was concerned over the large number of vehicles and people. Once on scene, security notified officers that they had to remove a patron for being disorderly and while the subject was asked to remove his ID card a small baggie of suspected marijuana was observed falling out of his pocket by security. The subject was arrested for Possession of Controlled Substance- Marijuana and the case is still open (set for jury trial on 11/12/2013). Squads were positioned to block traffic from traveling in front of the club as patrons leave and were also monitoring the Villard Food Town at 3127 W Villard Av, where a large number patrons began to gather after leaving Onyx. An anonymous citizen called the shift commander to let them know there may be a shooting in front of Onyx involving 4 occupants of a white, Ford Expedition. The shooting never happened.
48. On 06/17/2013, at approximately 12:00am, squads from Districts 4,7, and the NTF responded to area of 3120 W Villard Av, Onyx to assist with traffic control and to deter violent crime from occurring. While squads were on scene security informed officers that they had a suspect of a Substantial Battery detained that had occurred on 05/20/2013. Officers reviewed the video footage from 05/20/13 and identified the suspect being held as the individual that committed the substantial battery. The subject was arrested.
49. On 07/01/2013, Milwaukee Police were conducting a Tavern check at 3120 W Villard Av (Onyx) as well as monitoring the patrons leaving and traffic control. While conducting traffic control a possibly armed subject was observed in the 5100 block of N 32nd St breaking into vehicles, which were parked, in close proximity to Onyx. While squads were investigating three entries to auto complaints and saturating the area for the possibly armed subject there was a foot pursuit and subsequent arrest of the subject. Due to the investigations, there was not a sufficient amount of squads at Onyx to control the patrons who became disorderly and started fighting. Onyx security had broken up the fights and dispersed the patrons before anyone could be cited or arrested.
50. On Saturday, July 6, 2013 at approximately 2:15am, there was a squad assigned to monitor Onyx at 3120 W Villard Av, which was parked at 3133 W Villard Av. The officers heard a gunshot that was believed to have come from the front of Onyx. Security from Onyx advised officers, shots were fired and provided a description of the suspect. Officers were advised by armed security from Onyx that they had the suspect from the shooting detained at 3026 W Eggert Place. Officers responded to the location and placed the subject in custody and a .25 caliber semi-auto handgun was recovered. At 2:54am Officers were advised by dispatch that there was shooting victim at St Josephs Hospital. Officers responded to the hospital and discovered the victim of the shooting was an onyx security guard. The investigation revealed that while the security guard was trying to escort the subjects out of Onyx he heard a loud gunshot. He then felt pain and burning in his right thigh and realized he was shot. He was helped into the "chocolate room" inside of the bar, by the owner (OBI) and another security guard named "country". He asked if an ambulance was responding and another security guard said, "I'll take you". Officers asked the victim why police were not notified that he was shot and he stated he thought the police knew about him being shot or that the other security guards or the owner notified the police. The owner of Onyx as well as security failed to inform police of the shooting victim, who is employed by Onyx as security guard and that the victim was driven to the hospital by another security guard.

51. On 07/06/13, at 2:15am, while officers were investigating the shooting previously described in item 50, another set of officers was observing patrons leaving Onyx. The officers observed the right rear passenger of a blue, Ford Crown Victoria, discharge a semi-auto handgun out the window of the auto, in the area of 5150 North 32nd Street. The vehicle was stopped and the three occupants were arrested. A .45 caliber Taurus handgun and Black 12 gauge Maverick Mossberg shotgun were recovered. Officers also located several spent .45 caliber casings in the auto. During a custodial interview the suspect stated he and his two cousins were at onyx and at closing time, while walking to their auto they heard one or two gunshots. He further stated he was drunk so he urinated on the side of the building. Once he entered the auto, he fired the handgun into the air.
52. On 07/16/2013, a meeting was arranged to discuss outstanding issues at Onyx, 3120 W Villard Av due to the district's appearance to contest the license renewal on 07/09/2013 and to review course of action from 05/03/2013 for abatement of nuisance activities. District Four Captain introduced a video of the shooting incident that depicts non-compliance with wandung of patrons. OBI stated that when it is "to busy", patrons are wanded after entering the club inside a hallway in the only place where there is no camera. The Captain asked OBI to explain what had happened on July 6, 2013. OBI stated he heard a gunshot and observed one of his security guards sitting on a couch in the "Chocolate Room" with what he thought was a scratch and tiny hole with blood on the security guard's leg. He said he thought the security guard hit his leg on a railing. OBI said he wanted the hospital to assess the injury so another security guard transported victim to the hospital. OBI was asked why he did not summon the police on scene to make the assessment and he again said he wanted the hospital to assess the injury. The Captain stated they needed to contact "Mario"(the victim) regarding the on-going shooting investigation. A phone number was provided that was later found to be disconnected. The Captain asked OBI what crime control measures he would implement to prevent similar incidents that occurred on 07/06/2013. OBI was asked if he would consider amending his license to have 25 years of age and older restriction, however he stated it would negatively impact his customer base. The Captain also asked OBI to address the weekend traffic control issues. The Captain stated MPD expends an inordinate amount of resources on traffic control for his establishment, which is not provided to other establishments in the district. The Security Manager, Derrick Smith, for Onyx disagreed with the Captains assessment because he has the largest number of security assigned to Onyx. He said he deploys teams of security guards to the Food Town parking lot as well as the parking lot located at 5150 N 32nd St and that security directs traffic. The Assistant City Attorney reviewed the crime for Onyx and during the period of 01/01/2013 to 07/10/2013 there were 12 incidents reported which was double the calendar year of 2012. In addition, for Class B establishments in the district, Onyx reported the highest crime and dispatched calls for service (82) in 2013, compared to (53) in 2012. OBI questioned the crime numbers and stated neither him or security was calling the police. OBI stated head of security is responsible for assessing the incidents and the need to cal the police.
53. On 07/19/2013, Milwaukee Police personnel from District Four conducted an undercover investigation at 3120 W Villard Av, Onyx. Two officers attended the club as regular patrons to observe the methods of security, functionality of the club, and any suspicious or illegal activity. Officers entered the establishment and were patted down and only male officer was wanded with a hand held metal detector.

54. On 07/20/2013, Milwaukee Police were instructed to conduct a tavern check at 3120 W Villard Av, Onyx, and to monitor the patrons leaving as well as conduct traffic control. During the walk through of the interior the owner (OBI) was observed and an official count as of 12:30am from the front door was 324 people. There was also a line of about 10 people waiting to enter the club because of a special event called "Reloaded." Observed outside the area around club were vehicles parked on W Villard Av from N Teutonia to approximately N 33rd St as well as the parking lot of Villard Food Town at 3217 W Villard Avenue.
55. On 07/21/2013, Milwaukee Police personnel from District Four conducted an undercover investigation at 3120 W Villard Av, Onyx. Two officers attended the club as regular patrons to observe the methods of security, functionality of the club, and any suspicious or illegal activity. The officers entered the establishment where they were patted down and wanded with a hand held metal detector. Officers observed two females enter the establishment without being searched or wanded. The two females then went to the bar and were served drinks.
56. On 07/22/2013, Milwaukee Police were instructed to conduct a tavern check at 3120 W Villard Av, Onyx, and to monitor the patrons leaving as well as conduct traffic control. During the walk through of the interior the owner (OBI) was observed and an official count as of 12:32am from the front door was 315 people. No one was waiting outside even though an event called "Red Zone Sunday" was being held. Observed outside the area around club were vehicles parked on W Villard Av from N Teutonia to approximately N 33rd St as well as the parking lot of Villard Food Town at 3217 W Villard Avenue.
57. On 07/29/2013, Milwaukee Police were instructed to conduct a tavern check at 3120 W Villard Av, Onyx, and to monitor the patrons leaving as well as conduct traffic control for the "Red Zone Sunday" event. During the walk through of the interior the owner (OBI) was observed and an official count as of 12:31am from the front door was 402 people. Observed outside the area around club were vehicles parked on W Villard Av from N Teutonia to approximately N 33rd St as well as the parking lot of Villard Food Town at 3217 W Villard Avenue. It was observed that security was having a difficult time initially at closing time with patrons near the front exit.
58. On 08/12/2013, Milwaukee Police were instructed to monitor the patrons and traffic around the area of 3120 W Villard Av, Onyx, due to the weekly "Red Zone Sunday" event. Numerous vehicles were observed traveling westbound on W Villard Av in front of the club had stopped to let subjects out of their vehicles so they could get in line for the club. Officers were flagged down by patron who said his vehicle was rear ended when letting a passenger out to go stand in line.

While completing the traffic accident, a large crowd of patrons began letting out because of bar close and dispatch advised there were females physically fighting outside Onyx. Due to the crowd officers did not observe the fight because they were attempting to set up traffic control at 3300 block of W Villard Av to block eastbound travel. Shortly after, dispatch notified officers of an anonymous caller reporting a "riot going on in the street" involving approximately 150 people. Additional squads were requested to assist with the crowd of patrons and traffic. Due to the volume of traffic an ambulance, which was responding to the area of Onyx for a possible battery victim, was delayed because of the extreme difficulty in maneuvering through stopped traffic.

At 3:30am, a squad was dispatched to a Battery complaint at Froedtert Hospital. The investigation revealed that the victim was at Onyx and at approximately 1:00am she was involved in an altercation inside the club with, someone she had dated in the past. The suspect pulled her to the ground by her hair. This incident was observed by security and both subjects were ejected. After exiting the club they began to physically fight each other. While victim was trying to run away one of her shoes fell off and the suspect picked it up and struck the victim to the left side of her face, causing visible swelling. This part of the incident happened in the parking lot across the street from Onyx. The suspect was not located and mailed a citation.

On 08/14/2013, officers went to 3120 W Villard Av, Onyx, to speak with the owner (OBI) regarding the incident, which occurred on 08/12/2013. OBI informed officers that he was unaware of it. OBI did say he was aware of the fight in the Villard Food Town parking lot. OBI also said if there is any fighting in the club, his security knows to eject the parties one at a time so the fight does not continue outside.

59. On 08/26/2013 at 12:11am, officers were dispatched to a Battery complaint at 3120 W Villard Av, Onyx. Officers contacted the caller, Gabrel Bledsoe who stated on 08/25/2013, at approximately 11:50pm, while on the main dance floor, she observed an Onyx security officer escorting an extremely intoxicated and staggering patron from the main dance floor to the hallway by the bathroom's. She heard security yell for the subject to calm down just prior to picking up the subject and "dropped him on his head." She gave a description of the subject and said he was unconscious for about 90 seconds. Then security escorted him to a couch by the main entrance. The subject was yelling, "who hit me" and security replied, "you got knocked out" and was escorted out of the club by his associates. She described the security involved as an "extremely large black male."

Another witness, Lucretia Workman, stated she observed a large security officer "slamming" a subject on the floor. She observed the subject was unconscious with a laceration to his nose. After the subject regained consciousness security escorted him to a couch and attempted to give him water. She advised security not to give the subject water due to possible concussion-like symptoms and moments later the subject left with associates.

Officers interviewed the security manager, Derrick SMITH, who stated he was not present during the incident. SMITH said as he approached the hallway he observed security officer Paul JONES escorting a very intoxicated and staggering patron to the couch and prior to reaching the couch observed the subject fall again due to his intoxication level. SMITH and JONES escorted the patron to the couch while trying to converse with the patron and giving him water. WORKMAN and BLEDSOE continued to agitate the patron by stating "they did this to you," and "I'm a nurse (WORKMAN) don't give him water." SMITH then escorted the patron to a secured area of the club. SMITH stated the patron advised him that he had "pint of vodka" and a "bottle of Remy" prior to be escorted by security and was apologetic for his actions.

Security officer JONES stated he observed a patron turning his hat backwards and throwing money on the stage. JONES stated both are direct violation of Onyx policies. JONES confronted the patron who became argumentative. JONES stated he grabbed the patron's right arm and attempted to escort him out of the club. After a brief struggle the patron was let go and fell to the ground at which time JONES placed his knee on the subjects chest to gain compliance.

JONES stated at this time other security personnel escorted the patron away from the scene and was unaware the subject had gone unconscious. Other security personnel interviewed, stated JONES never struck the patron and he lost consciousness after JONES let him go and he fell to the ground.

Officers interviewed the subject, Landrous Cox at St Josephs Hospital, in emergency room 18. COX immediately stated he did not call police and did not request to speak with them. Cox's physical description and injury to his nose was consistent with WORKMAN'S observations of the patron inside Onyx. COX to decline to give any specifics as to how he obtained his injuries.

60. On 08/26/2013 at 12:20am, officers were instructed to monitor the patrons and traffic around the area of 3120 W Villard Av, Onyx. Officers observed a subject being loud, boisterous, and disrespectful towards female patrons exiting the club. The disorderly subject was identified as (WEST) who was given an order to leave the premises to prevent further harassment of female patrons. WEST became verbally abusive towards officers by yelling profanities. During the altercation with WEST Onyx Security Manager SMITH advised that WEST was no longer welcome as a patron from July 2013 because of his continuously verbal abuse towards his staff and patron for several months. WEST was arrested for Loitering and/or Prowling citation and conveyed to District 4 for processing.
61. On Tuesday, August 27, 2013, a meeting was held at District Four at the request of Club Onyx owner Obiora Obi, with Captain Beecher, Lieutenant Seymer-Tabaska, Onyx Security Manager Derrick Smith and Mr. Obi's brother in attendance. Mr. Obi questioned why officers had gone to his establishment and requested a list of employees. Captain Beecher advised there was still an ongoing investigation being conducted. Captain Beecher discussed the security at the establishment and whether Mr. Smith was licensed. At a previous meeting Mr. Smith presented a card for Wisconsin Security Police Services Inc. During this meeting Mr. Smith stated he is an independent contractor and not affiliated with any security companies. It was discussed that there is no formal contract with Mr. Smith and Onyx or with Delta Ops who provides external security. It was determined that Mr. Smith is operating without a license, which is in violation of Stat Statue 440.26. It was also discussed that Mr. Obi stated that Mr. Smith carries a Taser while working. Mr. Smith is felon and there is concern with him carrying a Taser and being around the Delta Ops securities, who are armed.
