F. Lighting

- Existing Site Lighting will be utilized.
- There are decorative downlight sconces on the façade.

G. Hours of Operation – The store will operate during the hours established by the DIZ Standards.

Building Design

A. Massing

- The building massing is consistent with the mid-box retail establishment in-line with Michaels and Ross.

B. Facades

- The Front Façade (East Elevation) steps out from the main massing of the building creating interest in its multiple steps in depth as well as height. This articulation clearly establishes the main entrance of the building.
- There are no side elevations due to the location of the tenant.
- The West Façade incorporates steps and provides screening for the truck dock.
- The East Façade incorporate sconces to wash the building in light during the evening and night hours. Security lighting is provided north façade by the truck dock.
- There is also down lighting incorporated under the main entry elements to light the sidewalk during evening and nighttime hours.
