This report is written by P.O. Kevin VODICKA assigned to District Two, Early Power Shift Community Prosecution Unit. On Thursday, February 14, 2019, at 5:11 PM, Squad 2464 (P.O. Oscar ESPITIA) and 2268 (P.O. VODICKA) assisted Agents from the Wisconsin Department of Revenue with an inspection of Ollie's, located at 100 W Maple St.

The licensee, Louise BURDUE, was present and cooperative for the inspection. BURDUE'S daughter, Melissa BURDUE (F/W 12/18/84), was tending bar. Melissa BURDUE does not hold a bartending license; however, she resides with her mother so a license is not required. The inspection revealed that the alcohol and fermented malt beverages were purchased from licensed distributors and no alcohol was seized. I did observe 3 bottles of alcohol that were contaminated by fruit flies and BURDUE promptly disposed of the contents.

BURDUE was advised to keep her business records, including alcohol invoices, on premises instead of in her residence which is not a portion of the licensed premises and to deface empty bottles prior to recycling them.

Licensed Premises Report

Vodicka, Kevin E 018950

12/04/2019

This report is written by P.O. Kevin VODICKA assigned to District Two Day Shift, Community Prosecution Unit. On Monday, December 2, 2019, at or about 1:35 PM, Squad 2166 (P.O. Matthew DIENER and I) along with A.C.A. Heather HOUGH and Dept of Revenue Special Agent Georgeann KING, did conduct a licensed premises check at Ollie's, located at 100 W Maple St, after having received a complaint from another police officer that the tavern was operating without a license. A check of L.I.R.A. revealed that the license for the tavern had expired on 11/30/19 and that the licensee had not applied for a renewal of the license and that a provisional license had not been applied for or granted.

Upon approaching the tavern I observed a 3' sign on the sidewalk which read, "YES WE ARE OPEN". Upon entering the business officers observed the lights to be on, a bartender (later identified as Michael T KEMPA (M/W 01/29/60) working behind the bar, and one patron seated at the bar drinking a beer. Officers explained the nature of the visit, observed that the expired license was posted behind the bar, and requested that KEMPA notify the the licensee, who resides above the tavern, that officers needed to speak with her.

The licensee, Louise A BURDUE, descended the staircase from her residence but was unable to speak with officers due to health conditions. BURDUE was able to communicate by mouthing words and by writing them. BURDUE was unable to explain why the license had not been renewed or why the business was operating without a license beyond her medical issues. BURDUE'S daughter, Melissa BURDUE later arrived on scene and stated that she believed the license did not expire until 12/30/19 and she stated that she was interested in becoming the agent for the tavern. I did explain that the licensee would likely be cited and I also explained the processes for applying for a new license and a provisional license.

Agent KING conducted an inspection and provided the attached field inspection form.

Case #: 191210069

OtherEvent #: 19-LP-0389

Oscar PICENO and I received a phone call from Alderman Jose PEREZ in which Ald. PEREZ stated that the employees/owner of "Mi Super", located at 2200 S 13th St, were having a long-term problem with a chronic trespasses/aggressive panhandler, and that the subject was currently in the parking lot of the location after having been forbidden from the property by the owner/licensee. Officers were in full uniform and equipped with body-worn cameras.

Upon arrival, officers observed the subject waking in the parking lot of the premises, near the front door of the business. The subject was stopped at the intersection of W Windlake Av and W Becher St and identified as Jesse J LOPEZ M/W 02/24/82). LOPEZ acknowledged that he had been asked not to be on the property but that he is currently unemployed and the customers always help him out at the location and he feels that he has no other option. LOPEZ was given contact information for housing options.

I then spoke with the owner of the premises, Gurinder S. NAGRA (A/M 07/30/70 2200 S 13th st Milwaukee, WI 53204 414-467-2795), who stated that he would like a citation issued to LOPEZ as he had orally forbid him from being on the property numerous times, including on 04/27/19, over the past year because of complaints by employees and customers.

This report is written by Police Officer Corstan D. COURT, assigned to the License Investigation Unit, Days.

The Milwaukee Police Department's investigation regarding this application revealed the following:

1. On 06/15/12 at 1:58 am, Milwaukee police were dispatched to 1707 W Rogers Street for a Trouble With Subject complaint. Officers spoke with the clerk, Muhammad Kamal, who stated that several males came into the store and stole several boxes of candy and other items. Kamal was able to play back recorded tape that showed the suspects and incident that occurred. Report was filed.
2. On 07/09/12 at 2:28 am, Milwaukee police were dispatched to a Shooting at 1707 W Rogers Street. Officers spoke with Muhammed Kamal who stated he heard what appeared to be gunshots near his store, but did not know if anyone was shot. Kamal provided officers with video surveillance, which showed a male exit an auto in the alley just west of the gas station and walks to the front of the store and enters for a brief moment. The suspect then exits the store and as he is walking away, fires shots from a hand gun eastbound towards to victims. One victim sustained a gunshot wound to his right foot.

=====

3. On 05/19/13 at 4:06 am, Milwaukee police were dispatched to 17th and Rogers for an armed robbery complaint at the Clark gas station. Investigation found the victim had walked to the gas station and observed a friend sitting in a car on the gas station lot. The victim talked to this friend and his friends whom were all in the car. The subject sitting in the front seat all of sudden grabbed the victim's purse and tried to take it. The victim held on to her purse and her friend, who was the driver of the auto, started to drive off at a high rate of speed. The victim eventually let go of her purse after falling as she tried to hang onto the car. The victim sustained minor injuries and was treated on scene by MFD. Further investigation found the driver had been inside the gas station prior to the robbery. Surveillance captured the incident and police shortly after found and arrested the suspect.

INITIAL INVESTIGATION

Thompson, Matthew D 018576

09/02/2019

This report by PO Matt Thompson, District Two Day Shift. On 08-22-19, I responded to the Amstar gas station at 1707 W Rogers St. Upon arrival, I learned that employee Salman Ahmad called the police regarding pills being found. He stated that his manager (no longer on scene) and himself were cleaning up the gas station and located pills in a bag by the gas pumps. Ahmad showed me the pills, and I observed them to be packaged in two corner cut bags, with two pills in each bag. I observed these pills to be packaged in a manor consistent with sales of narcotics.

The pills were taken to District Two, and later determined to be heart medications. The pills were identified as Aspirin Enteric Coated 81mg and Metoprolol Succinate 25mg.

The pills were placed on MPD inventory 19027999 (found property)

Alderman,

There have been some on-going issues with a lack of cooperation regarding criminal investigations and standard tavern inspections at Don Pedro's, 1979 S 15th St. Please see the below emails.

The license for the tavern is set to expire on 12/13/19 and no application for renewal has been submitted. In the event that the licensee does apply for a renewal or a temporary renewal, please consider these factors.

All,
CPU was attempting to order in the licensee and the building owner (the licensee's father) but we're taking a new approach after speaking with Agent KING from the Dept. of Revenue. AGENT pointed out that the tavern has not applied for a renewal and the current license expires on 12/13/19. If the licensee applies for a renewal, MPD can contest it instead of having to file for a revocation.

In the mean time, SPITZER and ESPITIA should continue to do tavern checks and take appropriate action if security denies entrance (arrest, etc...).

Dept. of Revenue would like to do an inspection some time next week. What day/time do you guys think they'll be open and are you available to join us?

All,

On 11-24-19 while assigned to Squad 2565, PO BAAS and I, responded to Don Pedro's Tavern 1979 S. 15th St, regarding a subject with a gun complaint.

The initial shots fired/subject with a weapon complaint was a third party caller and deemed to be unfounded and baseless.

We attempted to gain entry to the tavern which was again locked to speak with them regarding the dispatched assignment (Cad#193280159). The security guard, identified as Antonio L. AYALA (W/M, 03-11-97), unlocked the door and stepped in front of the door not wanting to allow access to the tavern, and we had to push past AYALA to gain entry. I spoke with the bartender who had a valid Class D bartender's license identified as Omayra CANDELARIA (W/F, 04-18-77), who was cooperative. CANDELARIA wanted me to speak with the "manager" of the tavern whom was identified as Kenneth J. BLUE (B/M, 07-07-1982), through previous reports BLUE was identified as the licensee's, Jasmyn M. TOSADO, boyfriend. I attempted to explain to BLUE that we would like to set up a meeting at District Two with Captain Paul LOUGH, but BLUE was highly uncooperative. As we were exiting the tavern BLUE stated that he guaranteed this would be the last time we'd ever be inside of the tavern again. License premise report to be filed, and citations to be issued regarding the following violations.

Tavern violations observed-

Locked door, the licenses were not posted in the business nor were they viewable to the public, and no capacity sign posted within the premise.

On 11-16-19 PO ESPITIA of Squad 2565 investigated s subject with a gun complaint at the same tavern. TOSADO was uncooperative again, and the same violations were observed with additional citations to be issued filed by PO ESPITIA under MPD IR#193210009.

Thanks,

PO Benjamin SPITZER

This report is written by Police Officer Corstan D. COURT, assigned to the License Investigation Unit, Days.

The Milwaukee Police Department's investigation regarding this application revealed the following:

1. On 09/21/19 at 3:03am, Milwaukee Police were dispatched to 1972 S. 15th street for a ShotSpotter complaint. Upon arrival, officers interviewed the applicant who stated that she heard several gunshots coming from outside the tavern. When she went outside, she did not observe anyone shooting but noticed that someone had fired into her unoccupied vehicle. The applicant started picking up the spent shell casings before police arrival and did not call police to report the incident. The co-owner of the tavern was also interviewed and he said that he also heard the gunshots but did not see who did the shooting. They both stated that there was a large group of family members inside the establishment celebrating someone's birthday and the gun shots occurred about 5 minutes after the group was kicked out. 12 spent casings were found outside the tavern.
2. On 11/10/19 at 12:54am, Milwaukee Police conducted a license premise check at 1979 S. 15th Street because of information gained that the tavern was responsible for fights and shots fired complaints in the area. Upon arrival, officers attempted to gain entry into the establishment but the front door was locked. Officers did observe several people inside the tavern and after knocking on the door, the applicant opened the door for officers but was hesitant to let the officers inside. Officers spoke with the applicant outside of the business. The applicant was advised of the expiration of her Class B Tavern License on 12/13/19, the strong odor of marijuana coming from inside her tavern, and the fact that she cannot lock the tavern doors when the establishment is open for business. The applicant will be cited.

3. On 11/10/19, Milwaukee Police were monitoring the tavern, located at 1979 S. 15th Street, prior to closing because of a shots fired complaint earlier in the area. Officers observed approximately 100-120 patrons exiting the establishment, they were highly disruptive, and multiple (patrons) vehicles were blocking traffic around the business's surrounding streets. A license premise check was conducted to view the licenses and check on the establishments' capacity. While inside the tavern, the applicant was agitated and accused the police of harassing her. She said her maximum capacity was 52 persons and she was not over that number tonight. The applicant was advised of the disruptiveness outside the establishment and to try and keep the volume to a minimum. While exiting the business an employee stated to officers that after 2:30am the business is closed which means officers are no longer allowed to walk into the business.
4. On 11/17/19 at 12:15am, Milwaukee Police were dispatched to 1979 S. 15th Street for a subject with gun complaint. Upon arrival, officers observed a subject matching the description of the subject with a gun given to them by the dispatcher standing outside the tavern. The subject walked into the establishment, so the officers followed him in an attempted to apprehend him but when they got to the door of the tavern, a patron stood by the door, held the door close, and told officers they were not allowed inside. After pushing their way into the tavern, officers were met by the applicant who told them she was tired of the police harassment and was so uncooperative that a supervisor had to be summoned to the scene. While inside the establishment, the officers could smell a strong odor of marijuana inside and were unable to proceed with their investigation because of the applicants' obstructive nature. After the supervisor explained to her why police were there, the applicant stated that she is not responsible for what happens outside her establishment. She also said that her capacity is 52 patrons (there was no sign posted and her true capacity is 49), she does not have security, and that she checks all identification cards for underage persons. After ending the contact outside with the applicant and before leaving, officers attempted to gain entry to the tavern but found that the door was locked again after telling the applicant not to lock the door earlier in the investigation. Citations were issued.

5. On 11/24/19 at 1:41am, Milwaukee Police were dispatched to 1979 S. 15th Street for a shots fired, subject with gun complaint. A third party caller stated that his cousin was in the tavern earlier in the evening and observed subjects inside the tavern who, in the past, discharged firearms outside the establishment. The assignment was later found to be unfounded and baseless. When officers attempted to gain entry to the tavern, the door was locked and when they knocked on the door, security opened up the door and said that the police were not allowed inside. Once officers pushed their way inside, they spoke with the bartender, Omayra Candelaria, who was unaware that the door was locked. The bartender decided to close the

bar for the night but wanted the officers to talk to the manager. The manager was identified as Kenneth Blue. The manager was advised the agent would be receiving a citations for the violations. Officers attempted to explain to the manager the District Captain would like to have a meeting. The manager was not responsive to the officers and did not appear as if he wanted to speak with the officer. As the officers were exiting the establishment the manager guaranteed that this would be the last time police would be inside the establishment again. The applicant will be issued two citations.

6. On 11/29/19 at 10:23pm, Milwaukee Police conducted a license premise check at 1979 S. 15th Street regarding recent violations observed by officers. Upon arrival, officers were met by the applicant, outside, and the door appeared to be unlocked. The applicant was cooperative but upset because she said the police were intentionally harassing her and she wanted a meeting with Alderman HAMILTON and Alderman PEREZ but she was unable to contact the officers to set up the meeting. The applicant was issued citations for the previous violations.
7. On 12/06/19 at 8:57pm, Milwaukee Police, along with an agent from the Department of Revenue, conducted a license premise check at 1979 S. 15th Street. Upon arrival, officers/agent interviewed the applicant who was argumentative but later became cooperative during the investigation. The Department of Revenue Agent confiscated hookah tobacco and liquor/beer from the premise because the applicant was unable to produce invoices for the purchases. The applicant was advised how to properly obtain alcohol/tobacco.
8. On 12/12/19 at 11:00am, a meeting was held at the Second District Police Station regarding the incidents at 1979 S. 15th Street. Among topics of discussion were; three incidents regarding firearms, employees and customers denying police entrance to the establishment, patrons loitering and disturbing the surrounding neighborhood, capacity, and hiring security to help with issues with the tavern. The applicant said that she has tried to set up a meeting with police by leaving voicemail messages, but they have not been returned and that she does have security but does not remember the name of the company. The applicant was reminded that she is ultimately responsible for her establishment.

TAVERN REPORT/SHOTS FIRED

Pupovac, Radivoje 024295

09/21/2019

This report is written by P.O. Radivoje PUPOAVC, assigned to District Two, Late Shift, Squad #2324 along with P.O. Murray HAYES.

On Saturday, September 21st, 2019, at 3:03a.m., squad 2324 P.O. HAYES and I were in full MPD uniform with body worn cameras and in marked MPD squad vehicle 254. We were dispatched to a Shotspotter, flex #608-74434, at 1972 S 15th St.

Upon arrival, I spoke with the victim, identified as Jasmyn M. TOSADO (w/f, 02/19/91), who owns Don Pedro's Bar, located at 1979 S 15th St. TOSADO stated she was closing up her bar and heard several gunshots from multiple guns coming from outside the bar. TOSADO stated when she went outside she did not see who was shooting but noticed her unoccupied vehicle was shot into two times, both into the passenger doors. TOSADO stated she noticed several casings out on the street in front of the bar and started to pick them off the ground prior to police arrival, she stated she didn't want anyone else to come by and pick them up. TOSADO stated she did not see who shot into her car and didn't hear any vehicle speed off. TOSADO stated she did not call the police.

I observed TOSADO's 2010 Burgundy Acura with WI plate AFF1186 with one bullet hole through the front passenger window and through the front passenger seat. There was a second bullet hole in the rear passenger door frame, exit hole out through the trunk. There were two bullet fragments recovered from the vehicle, one on the front passenger seat and the other on the ground behind the vehicle.

Kenneth J BLUE (b/m, 07/07/82), who is currently dating TOSADO and co-owns the bar with her. BLUE stated he also heard several gunshots but did not see anything or anyone who was shooting. I asked BLUE and TOSADO if something happened inside the bar that could have led to shots fired outside the bar. TOSADO and BLUE stated that there was a large group of family members inside the bar celebrating someone's birthday. TOSADO stated the shots fired occurred approximately five minutes after they kicked everyone out. TOSADO stated she doesn't know who would have shot into her vehicle and did not give anyone consent to.

On Sunday, November 10th, 2019 at approximately 12:54 AM while assigned to Squad 2565, PO Taylor BAAS and I, conducted a tavern check at 1979 S. 15th St, Don Pedro's tavern. Both Officers were equipped with Axon Flex body worn cameras which were activated for the duration of our contact.

On Saturday, November 9th, 2019 I was advised by PO Joseph LANZA that he received information from a citizen whom wished to remain anonymous that they believed patrons of Don Pedro's tavern are responsible for fights and shots fired related calls, and that the activity coming from the tavern has been escalating recently.

On arrival we attempted to gain entry to the tavern and the front door was locked. I could observe several patrons inside of the tavern. After knocking the owner of the tavern, identified as Jasmyn M. TOSADO (W/F, 02-19-1991), opened the door and seemed surprised that someone had locked the door. TOSADO appeared hesitant to allow us entry to the tavern, and agreed to speak with us outside. While walking up to the tavern I could smell a strong odor of marijuana coming from inside of the tavern, and as TOSADO opened the door the odor of marijuana grew stronger.

A prior check of the Class B tavern license for Don Pedro's tavern revealed it is valid through 12-13-19, and we did not check the licenses at this time. We advised TOSADO that she cannot lock the door or restrict access to the tavern at any time during hours of operation. We also advised TOSADO on the strong odor of marijuana coming from within the tavern, and that we could be conducting follow-up tavern checks regarding these issues.

Squad 2555, PO Desaray LARSON and PO Adrian GUTIERREZ, conducted an additional tavern check at the same tavern on 11-10-19 at approximately 2:29 AM which I was advised by Squad 2555 that TOSADO was uncooperative regarding. Please refer to MPD IR#19-314-0020 regarding the additional tavern check.

I notified the District Two Community Prosecution Unit regarding these issues via departmental email, and requested to arrange a meeting with TOSADO and the Captain of District Two.

On November 10, 2019 at approximately 2:29AM, I conducted a tavern check at 1979 S. 15th St., which is located in the City and County of Milwaukee(WI).

Prior to conducting the tavern check, myself and P.O. GUTIERREZ were monitoring bar close at this business regarding shots fired in the area earlier that evening for safety reasons. While monitoring, myself and P.O. GUTIERREZ observed approximately 100-120 persons exiting the business. I also observed multiple patrons exiting the business being highly disruptive and multiple vehicles blocking traffic around the business's surrounding streets.

Myself and GUTIERREZ approached the business at approximately 2:30AM on 11/10/19 to review their licenses and view the capacity limit. While reviewing the licenses, the owner, Jasmyn TOSADO(B/F, 02/19/91), was agitated with police regarding the presence at her business multiple times on 11/09/19-11/10/19 and accused police to be harassing her. On 11/09/19 at approximately 10PM, police attempted to view the business's video footage/conduct a canvass but were unsuccessful due to the business appearing to be closed and no lights illuminated. TOSADO stated her maximum capacity is 52 person. TOSADO stated she was very certain she was not over maximum capacity. TOSADO was advised that her business was loud and disruptive at bar close and to try and keep the volume to a minimum. TOSADO was uncooperative. TOSADO was advised that a report was going to be done regarding.

While exiting the business, an employee followed us out and told us after 2:30AM, the business is a closed business which means police are no longer allowed to walk into the business whenever they want. The employee then shut the door and locked the business.

the address of 1979 S. 15th St. (Don Pedros Bar), to investigate an Subject with a Gun complaint. The caller stated the subject with the gun was a Hispanic male, 20-25 years of age, long black hair and was wearing a black top burgundy bottom put the gun in a bag and walked into the bar.

Upon arrival we observed several subject standing outside in front of the bar. One subject matched the description and walked inside the tavern as we walked up to the tavern. Upon attempting to enter the tavern a patron stood by the door and held the door closed denying my partner PO SPINATO and I entry into the tavern. The subject told us we where not allowed into the bar. I had to push the door open and asked to speak with the owner.

The owner/agent Jasmyn TOSADO (W/F, 02/19/91) walked up to me and stated she was tired of police coming into to her establishment and harassing her. Upon entering the tavern I could smell the strong odor of marijuana coming from inside the tavern. I tried explaining the reason why where at the tavern but TOSADO was so uncooperative that I had to call for a Sgt. and her noncooperation obstructed us from continuing our investigation regarding the subject with gun.

Sgt. MARTIN arrived on scene and attempted to explain why we where there but TOSADO stated she was not responsible for what happened outside her tavern, she was only responsible for what happens inside the tavern. TOSADO finally calmed down and listen to us. We where unable to locate a subject matching the description the caller gave of the subject with gun but a lot of patrons had left by the time TOSADO became cooperative.

During our investigation I didn't observe a posted sign stating the number of occupants allowed inside the tavern. TOSADO stated she was never issued a sign and she was allowed to have 52 patron inside the tavern. I checked on City of Milwaukee website and noted the premise is only allowed 49 patrons inside the tavern.

We stepped outside and explained to TOSADO that we conduct tavern checks at multiple tavern at random times and we are not just going to her tavern to harass her. TOSADO stated she has no security guard because the last security guard was allowing patrons to enter with liquor bottle. We asked who was checking for identification cards and she stated she does.

TOSADO stated she understood and apologized for her actions. TOSADO entered the tavern and we stayed outside talking for several minutes. Before we left Officer SANCHEZ-ALCANTAR attempted to open the tavern front entrance door but was unable to open the door because it was locked again after we spoke to TOSADO regarding.

I was ordered by Sgt MARTIN to issue citations for open entry required (CIT#J9815M42FG) and no posted occupancy limit posted (CIT#J9815M42FH)

This report is written by PO Benjamin SPITZER, Assigned to District Two, late Power.

On Sunday, November 24th, 2018 at 1:41 AM while assigned to Squad 2565, PO Taylor BAAS and I, responded to 1979 S. 15th St, Don Pedro's tavern, to assist Squads 2325 PO RODRIGUEZ and PO TOMASZEWSKI, and Squad 2324 PO LOMELI and PO PUPOVAC, with a subject with gun and shots fired complaint.

Squad 2325 spoke with the third party caller via phone. The third party caller advised Squad 2325 that their cousin was at Don Pedro's tavern earlier in the night, and observed a group of subjects they believed to be known to cause problems inside of the tavern. The third party caller also stated that their cousin observed these subjects discharging firearms outside of the tavern in the past, and not on 11-24-19. The third party caller did not understand what the subject was telling them so they decided to call 911. The shots fired and subject with a gun portion of the investigation was deemed to be unfounded and baseless.

We attempted to gain entry to the tavern, which was locked, to speak with them regarding the dispatched assignment. The security guard, identified as Antonio L. AYALA (W/M, 03-11-97), unlocked the door and stepped in front of the door not allowing us immediate access to the tavern. AYALA stated that we were not allowed to enter, and asked on what grounds we had to enter the tavern. We had to push past AYALA to gain entry to the tavern.

I spoke with the bartender who had a valid Class D bartender's license (0229935), identified as Omayra CANDELARIA (W/F, 04-18-77), who was cooperative. CANDELARIA seemed to be unaware that the door was locked. CANDELARIA decided to close down the bar under her own power, and asked the remaining patrons to leave. CANDELARIA wanted me to speak with the "manager" of the tavern whom was identified as Kenneth J. BLUE (B/M, 07-07-1982), through previous reports BLUE was identified as the licensee's, Jasmyn M. TOSADO, boyfriend. I attempted to speak with BLUE regarding the tavern violations I observed. BLUE was not very responsive and did appear as if he wanted to speak with me, and I advised him that the licensee TOSADO would be receiving additional citations for the tavern violations I observed.

I also attempted to explain to BLUE that we would like to set up a meeting at District Two with Captain Paul LOUGH, but BLUE was highly uncooperative. As we were exiting the tavern BLUE stated that he

guaranteed this would be the last time we'd ever be inside of the tavern again.

LICENSEE MEETING

Vodicka, Kevin E 018950

12/12/2019

This report is written by P.O. Kevin VODICKA assigned to District Two, Day Shift Community Prosecution

Milwaukee Police Department

749 W. State Street Milwaukee, WI 53233

414-933-4444

Case #: 193460062

OtherEvent #: 19-LP-1381

Unit. On Thursday, December 12, 2019, at 11:00 AM, Captain Paul LOUGH, Sergeant Chad RADEN, P.O. Oscar ESPITIA, P.O. Matthew DIENER, Assistant City Attorney Heather HOUGH, and I met with the licensee of "Don Pedro's", located at 1979 S 15th St, at District Two regarding recent incidents at the tavern.

The meeting started with introductions and summaries of the seven (7) license premises reports associated with her tavern since 09/21/19. Officers noted that three of the incidents were related to firearm offenses and that investigating officers must take the complaint very seriously and that the behavior of persons associated with the tavern (employees and customers denying entrance to officers) had the possibility of creating a more dangerous situation for everyone involved.

I then explained that MPD had reached out to her and her father (who owns the building) in an effort to abate nuisance activities and to address the perceived lack of cooperation from the business. TOSADO stated that she had made multiple calls to set up a meeting and left voicemail messages that were not returned; however, the voicemail and incoming phone log did not support her statement.

Officers addressed complaints received from neighbors that there is nuisance activity at the tavern including firearm offenses. TOSADO stated that there are on-going issues with a neighbor following a "shots fired" investigation earlier in the year.

Officers then explained that tavern owners do have a responsibility regarding their patrons leaving or loitering around their business and for the impact that their patrons have on the surrounding neighborhood. Officers addressed the possible capacity issue from 11/10/19 tavern check and how a security guard at the door should monitor capacity as well as the behavior of patrons inside and outside of the building. TOSADO stated that she had changed security after her previous security guard had shown favoritism toward friends. TOSADO was unsure of which company she was using to provide security and she was reminded that she is ultimately responsible for actions of security, contracted or not.

TOSADO stated that she was unsure if she would be opening the bar tomorrow, 12/13/19, but stated that she would be going to City Hall on Monday, December 16, to renew all of her licenses.

Maribel,
What gives, another snow fall and Burger King STILL has NOT cleaned the side walk from the first or second snow falls. Along the side of forest home people have to walk in the street. There is a huge snow mountain they have put by the alley.

14th st not clear nor Burnham st all belonging to Burger King. What gives? Is the city not holding franchises to the same expectations as they do residents?

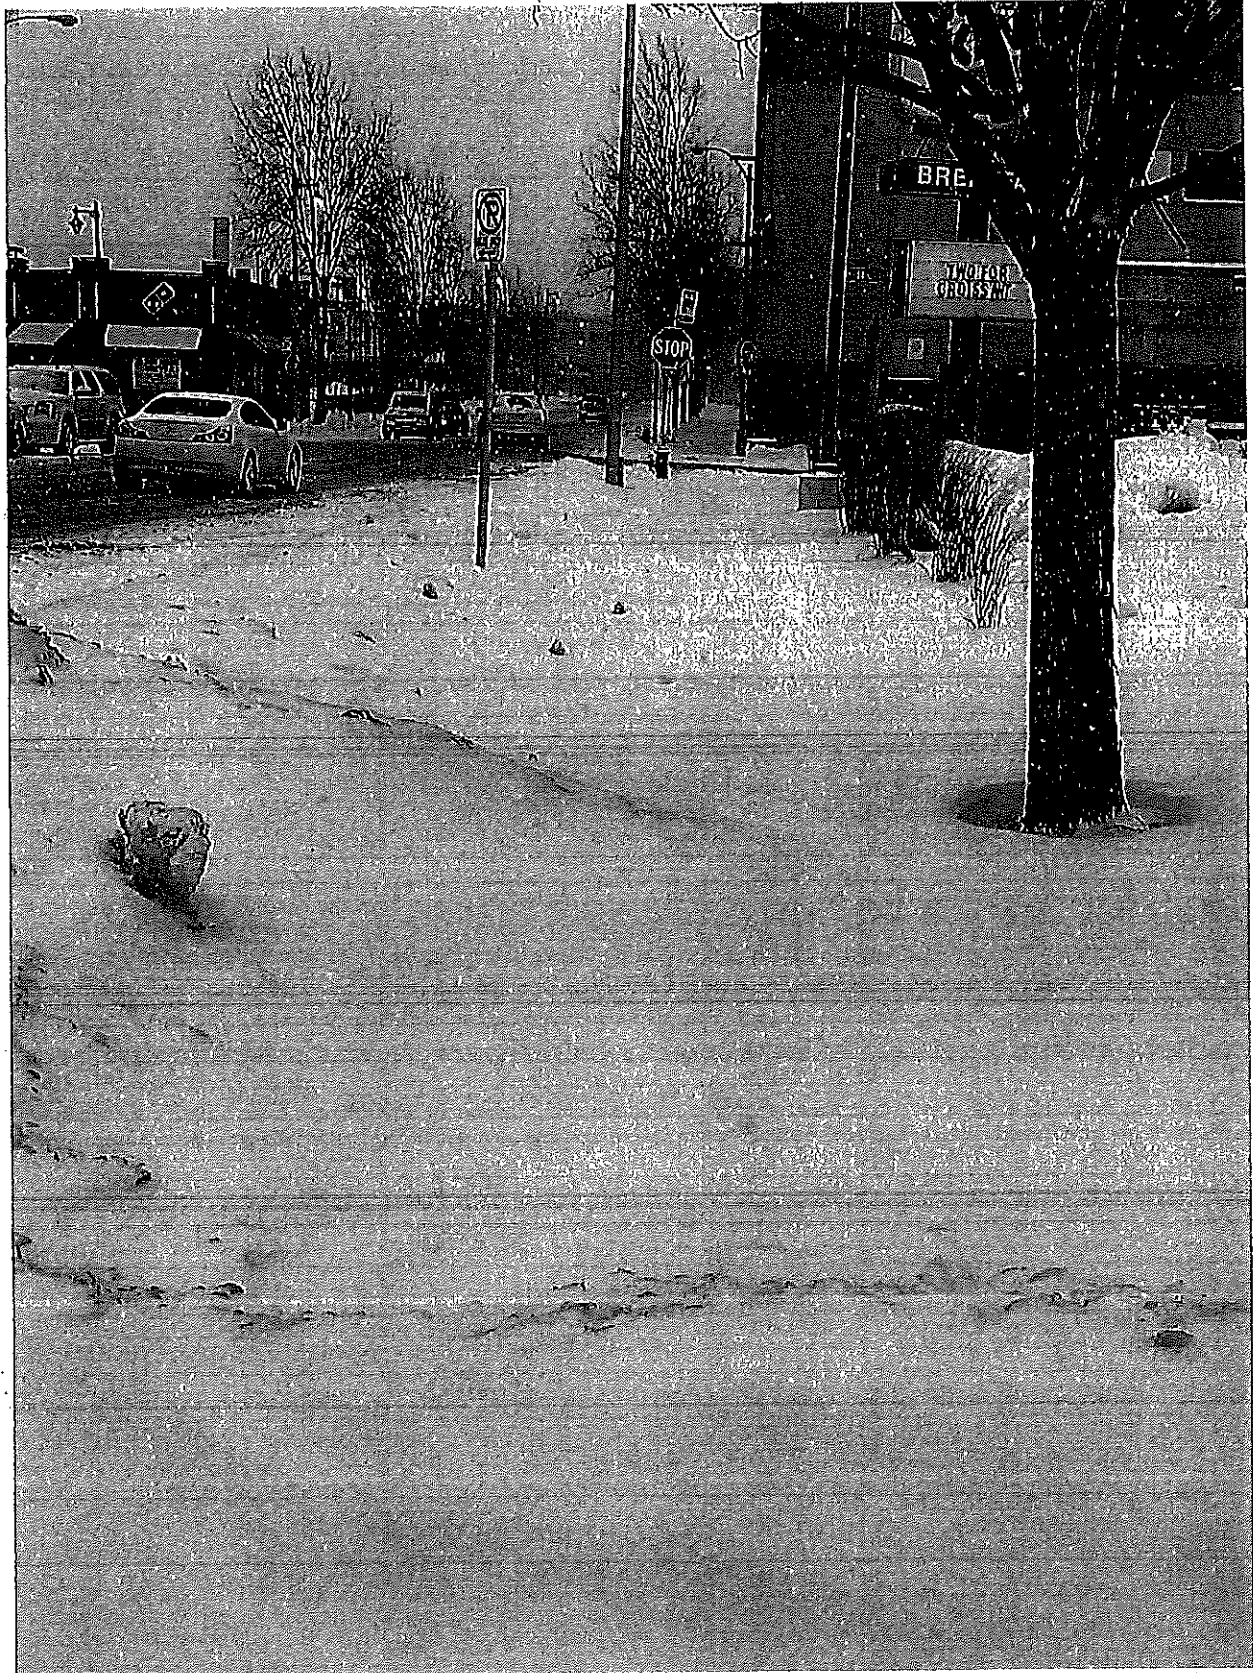

Let me know soon so I can let my neighbors know we no longer need to shovel.

Thanks

To whom it may concern:

The above application has been made by the above named applicant(s). This requires approval from the Licenses Committee and the Common Council of the City of Milwaukee. The hearing before the Licenses Committee will take place on 1/7/2020 at 9:00 AM, in Room 301-B, Third Floor, City Hall. If you wish, you may provide testimony at the hearing regarding the request; see below for further information. You are not required to attend the hearing. Once the Licenses Committee makes its recommendation, this recommendation is forwarded to the full Common Council for approval at its next regularly scheduled hearing. Please review the information below and if you have further questions regarding this process, please contact the License Division at (414) 286-2238.

Important details for those wishing to provide information for the Licenses Committee to consider when making its recommendation:

2. You must appear in person and testify as to matters that you have personally experienced or seen. (You cannot provide testimony for your neighbor, parent or anyone else; this is considered hearsay and cannot be considered by the committee.)
3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are present at the committee hearing and willing to testify).
4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.

7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
8. Business Competition is not a valid basis for denial or non-renewal of a license.
Please Note: If you have submitted an objection to the above application your objection cannot be considered by the committee unless you personally testify at the hearing.
