

Dear City of Milwaukee,

I (Jazmyn Lopez) am reaching out to you in-regards to an incident that took place on Wednesday, 12th October 2022. Around 12:00pm I arrived at campus (University of Wisconsin Milwaukee), and parked my car on N Cramer street and E Newport ave. After that, I walked to class and went to my classes. Once my day was over and it was time to go home, I walked back to my car around 3:00pm and saw a note on my car. I was scared because I was not sure what the note was or who put it on my car, so I just grabbed it quickly and got back into my car and drove off. Once I got back to my apartment I looked at the note and read it. It talked about filing a claim against the city of Milwaukee. I went outside to look at my car and that's when I saw all the dents and scratches all over my car. My car has never had anything wrong with it along with no physical problems, and this was a very scary thing for me. I am a young college woman and this has been a very stressful event. Please get back to me and let me know the future actions that I need to take.

Thank you!

Jazmyn Lopez
