### *Analysis by the Legislative Reference Bureau*

This bill provides an additional \$500,000 in each fiscal year of the 2019-21 fiscal biennium for grants to supplement the operating budgets of homeless shelters. The bill also includes additional criteria the Department of Administration must consider in awarding that additional grant money and amends administrative rules of DOA concerning the grants so that DOA's rules are consistent with certain statutory requirements.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
