Washington Park Neighborhood Improvement District #3 2022 Operating Plan

I. INTRODUCTION

A. Background

In 2006, the State of Wisconsin signed into law, the 2005 Wisconsin ACT 186, a legislative declaration created to give Wisconsin municipalities (i.e., cities, villages and towns) the power to establish one or more Neighborhood Improvement Districts (NIDs) within their community. An assessment methodology is developed to allow the assessable residential and commercial properties within the geographic area to contribute to programs aimed at neighborhood improvements and other activities as approved by the NID Board. The ACT was drafted similar to the business improvement district statute.

In 2012 the City of Milwaukee received a petition from property owners which requested creation of a Neighborhood Improvement District for the purpose of revitalizing and improving the Washington Park neighborhood area on Milwaukee's near west side. The Washington Park NID was created on 9/5/2012, Common Council Resolution #120603.

The NID law requires that every district have an annual Operating Plan to renew the Neighborhood Improvement District. This document is the updated 2021 Operating Plan for the Washington Park Neighborhood Improvement District. The NID proponents prepared this Plan with technical assistance from the City of Milwaukee Department of City Development.

B. Physical Setting

The boundary for the Washington Park Neighborhood Improvement District ("WP NID") encompasses the areas designated as Washington Park and Walnut Hill, while also including small portions of the Metcalfe Park neighborhood. The east side of N. 47th Street, which frames U.S. 41, is the western boundary for the north portion of the WP NID, including the park; below the park the boundary of WP NID is the East side of 41st Street. The eastern boundary is defined by the 30th St. Industrial Corridor. The northern boundary is roughly Meinecke Avenue. The southern boundary is the 30th St. Corridor and Vliet Street. For a specific boundary, see Appendix A, Map.

In the last decades of the 19th century and first decade of the 20th century, the area that is now the WP NID was a newly subdivided section of the City of Milwaukee located at the northwestern periphery of the growing metropolis. Streets were laid out in the standard Milwaukee grid, creating blocks nearly 700 feet long from north to south and 300 wide. Plats maximized the number of lots on each block, with the majority being 30 feet wide along the street frontage and 120 feet deep. These narrow lots created a dense development pattern once they were filled with houses, but one that met buyers' desire for a detached dwelling. No row houses were built in the area, and practically no apartment buildings. The area was bordered on the north by the thriving business district of West North Avenue and included W. Lisbon Ave, including a Post Office, banks, theater, department store and multistory apartment buildings; all typical of 19th Century urban development. Single-family and duplexes then filled in the grid.

Now, the WP NID is home to several thriving businesses, organizations and families. The area is anchored by the 135 acre Washington Park and is home to the Harley Davidson Motor Corporation. The Urban Ecology Center provides programming at the Park, together with other neighborhood organizations. North Avenue Community Development Corporation, New Covenant Housing Corporation and United Methodist Children's Services have constructed several multi-million dollar catalytic affordable housing projects since 2000. The area is also home to the Washington Park Library, Bethune Academy, West Side Academy, the Progressive Community Health Center and many more amenities.

C. Principal Office & Registered Agent

The Principal Office and Registered Office of the WP NID shall be 3940 W Lisbon Ave. Milwaukee, WI 53208. The Registered Agent of the WP NID shall be the chair elected for 2021.

II. DISTRICT BOUNDARIES

Boundaries of the proposed district are shown on the map in Appendix A of this plan. A listing of the properties included in the district is provided in Appendix B. The description in Section I. B is a general description of the boundary, the actual boundary is depicted on Appendix A and the actual properties included are on Appendix B. In the event of a discrepancy, Appendix B shall control. The WP NID may update Appendix B during each annual Operating Plan. The Boundaries are herein referred to as "WP NID Area."

III. PROPOSED OPERATING PLAN

A. Plan Objectives

The objective of the WP NID is to (a) provide assistance to homeowners, (b) create jobs in the area, (c) fund community projects, and (d) create and implement a sustainable communities plan.

B. Proposed Activities - 2021

Principle activities to be engaged in by the district during 2022 operation will include:

1. Assistance to Homeowners

- a. Continue operation of a grant fund ("Grant Fund") to provide assistance to homeowners of single family homes and duplexes in the WP NID Area to make modest grants (e.g. \$500 - \$7,500 each) to homeowners in the area to make the following improvements to their properties: energy efficiency improvements, repairs to increase water efficiency, repairs to the structural condition of the property (including roof repairs), safety improvements (including lighting, fencing and garages) and repairs to increase the curb appeal of property ("Improvements"). Grants are available to homeowners one time every five years. Additional criteria of the grants will continue to be modified by the NID Board to ensure accountability and utilization of the Grant Fund. The Board of Directors of the WP NID may at any time amend the amount of each grant, the number of grants, and any qualifying criteria.

2. Job Development

- a. Provide funds to support a local development including contracted labor, a local neighborhood-based community/environmental maintenance team.
- b. Improvements made through the grant fund must be made by pre-qualified contractors. In order to qualify, a contractor must be located in the City of Milwaukee and agree that 50% of the contractor's workforce be from the WP NID Area for all improvements paid for from the Fund. The WP NID may accept a contractor's Section 3 status in lieu of the 50% neighborhood workforce requirement. The Board of Directors of the WP NID may at any time amend this requirement to ensure accountability and utilization of the Grant Fund.

3. Support development and maintenance of local WP NID-based quality of life initiatives. (Quality of Life Initiatives Grant-formerly known as Community Improvement Project Grant) a. Continue operation of a reimbursable grant fund ("Grant Fund") to provide support towards the development of a new neighborhood Quality of Life Plan and goals (January 1, 2021 - December 31, 2021) to renew or replace the expired former plan (Washington Park Partners Sustainable Community Plan implemented between 2010-2018).

- b. Projects and support for planning and implementation of local quality of life initiatives will be funded, to the extent funds are available and plans are appropriate, by review and action of the WP NID Board of Directors.
- c. Collaborate and or contract with established community organizations and individuals with similar goals and missions of this operating plan and pursuant to the

Grant Disbursement Policy.

d. Community Response to Extenuating Circumstance (some examples could include but not limited to pandemics, natural disasters, civil unrest). The Board of Directors of the WP NID may at any time amend the amount of each grant, the number of grants, and any qualifying criteria.

4. Acquire or develop real estate to house an office and community gathering space within the WP NID Boundaries to establish a stronger WP NID presence.

a. Establish a real estate committee to explore acquisition of real estate or a real estate development opportunity.

b. Explore a partnership with a developer to determine feasibility of a real estate development project.

C. Proposed Expenditures - 2021

Proposed Budget attached as Appendix C. The WP NID Board shall have the authority and responsibility to prioritize expenditures and to revise the budget as necessary to match the funds actually available.

D. Financing Method

It is proposed to raise \$156,550 WP NID assessments (see Appendix B). Funds will also be pursued from foundations and other fundraising events. The WP NID may seek private financing for programming secured by this year's or future operating years of the WP NID.

E. Organization of NID Board

Upon creation of the WP NID, the District shall hold annual meetings to elect directors to the District Board (the "Board") consistent with terms of this subsection and the bylaws of the WP NID. The Board's primary responsibility will be implementation of this Operating Plan. This will require the board to negotiate with providers of services and materials to carry out the Plan; to enter into various contracts; to monitor development activity; to periodically revise the Operating Plan; to ensure district compliance with the provisions of applicable statutes and regulations; and to make reimbursements for any overpayments of WP NID assessments.

State law requires that the board be composed of at least five directors and that a majority of the board directors be owners or occupants of property within the district. State law requires the local legislative body must set the time and place for a meeting at which directors of the board will be elected, and shall publish a class 2 notice under ch. 985 that contains the information. The notice shall specify that all individuals who either own or occupy real property within the neighborhood improvement district are eligible to serve on the board and vote at the election.

The WP NID Board shall be structured in accordance with the Bylaws , which is consistent with the following.

1. Board Size. Minimum of five (5) directors, and up to twelve (12) directors.
2. Composition.
 - a. 3/4 of Directors shall be residents that live in the WP NID Area or owners of residential property in the WP NID Area
 - b. 1/4 of Directors shall represent organizations or businesses that occupy commercial real property in the WP NID Area or owners of commercial property in the WP NID Area.
3. Term. All directors elected to the Board shall serve for a period of one year. Directors may be re-elected.
4. Compensation. Each director shall receive a \$50 stipend for each quarterly meeting they attend and participate in. Stipend will not be given if a director is absent with or without an excused absence. Payment to be distributed within 5 business days of the attended meeting.
5. Meetings. All meetings of the Board's affairs shall be kept pursuant to public records requirements.
6. Staffing and Office. The Board may employ staff and/or contract for staffing services pursuant to this Operating Plan and subsequent modifications thereof. The Board may also maintain an office for the District, which shall be located within the District.
7. Meetings. The Board shall meet regularly, at least once every 3 months. The Annual meeting will take place the 2nd Monday of every December. The Board shall adopt rules of order (by-laws) to govern the conduct of its meetings.
8. Method of Electing Directors to District Board. An annual meeting at which directors of the Board will be elected shall be held on the second Tuesday of December of each year of the District's existence. Prior to the meeting, the City shall publish a Class 2 notice that contains the time and place of the annual meeting. The notice shall specify that all individuals who either own or occupy real property within the District are eligible to serve on the Board and vote at the election.
9. Changes. Any change in the Board size, composition or election methodology must be approved by a 2/3 majority of the entire Board.

F. Relationship to other Organizations

The WP NID shall be a separate entity from any organizations it contracts with notwithstanding the fact that members, officers and directors of each may be shared. The contracted organizations shall remain a private organization, not subject to the open meeting law, and not subject to the public record law except for its records generated in connection with the WP NID Board. The contracted organizations may, and it is intended, shall, contract with the WP NID to provide services to the NID, in accordance with this Plan.

IV. METHOD OF ASSESSMENT

A. Assessment Rate and Method

The principle behind the assessment methodology is that each property should contribute to the WP NID in proportion to the benefit derived from the WP NID. After consideration of other assessment methods, it was determined that for residential properties, the number of residential units was the characteristic most directly related to the potential benefit provided by the WP NID. For commercial

properties it was determined that a flat fixed fee was most appropriate. Therefore, a fixed assessment of \$50 per residential unit for residential properties was selected as the basic assessment methodology for residential properties in the WP NID (“Residential Methodology”); a fixed assessment of \$100 per commercial properties was selected as the basic assessment methodology for commercial properties in the WP NID (“Commercial Methodology”), and a fixed assessment of \$50 per vacant land residential or commercial properties (i.e. vacant lot with no structure) was selected as the basic assessment methodology for vacant land properties in the WP NID (“Vacant Land Methodology”). In the event a property contains both residential units and a commercial use, the Residential Methodology shall apply.

Maintaining an equitable relationship between the WP NID assessment and the expected benefits requires an adjustment to the basic assessment method. To prevent the disproportional assessment of a small number of high value properties, a maximum assessment of \$500 per parcel will be applied.

As of January 1, 2021, the properties in the proposed district had a total assessed value of approximately \$128,041,300 and approximately 1877 parcels. Appendix B shows the projected WP NID assessment for each property included in the district.

The assessment assigned to each parcel based on this formula is herein referred to as “WP NID Assessment.” Any WP NID Assessments related to a previous year or years may not be contested. The WP NID Assessment will be as shown on the attached list. Any WP NID Assessment related to this Operating Plan may only be contested prior to approval and adoption of this Operating Plan by the City Council.

B. Excluded and Exempt Property

The NID Statute 66.1110 requires explicit consideration of certain classes of property. In compliance with the law, the following statements are provided.

1. In accordance with the interpretation of the City Attorney regarding Wis. Stats. Section 66.1110(7)(a), property exempt from general real estate taxes has been excluded from the District activities will be asked to make a financial contribution to the District on a voluntary basis. Those tax exempt properties adjoining the District which are later determined no longer to be exempt from general property taxes shall automatically become included within the District and subject to assessment under any current operating plan without necessity to undertake any other act.

IV. PLAN AND ORDERLY DEVELOPMENT OF THE CITY

A. City Plans

In February 1978, the Common Council of the City of Milwaukee adopted a Preservation Policy as the policy basis for its Comprehensive Plan and as a guide for its planning, programming and budgeting decisions. The Common Council reaffirmed and expanded the Preservation Policy in Resolution File Number 881978, adopted January 24, 1989.

The Preservation Policy emphasizes maintaining Milwaukee's present housing, jobs, neighborhoods,

services, and tax base rather than passively accepting loss of jobs and population, or emphasizing massive new development. In its January 1989 reaffirmation of the policy, the Common

Council gave new emphasis to forging new public and private partnerships as a means to accomplish preservation.

The district is a means of formalizing and funding the public-private partnership between the City and property owners in the Washington Park neighborhood and for furthering preservation and redevelopment in this portion of the City of Milwaukee. Therefore, it is fully consistent with the City's Comprehensive Plan and Preservation Policy.

B. City Role in District Operation

The City of Milwaukee has committed to helping private property owners in the district promote its development. To this end, the City expected to play a significant role in the creation of the

Neighborhood Improvement District and in the implementation of the Operating Plan. In particular, the City will:

1. Provide technical assistance to the proponents of the district through adoption of the Plan, and provide assistance as appropriate thereafter.
2. Monitor and, when appropriate, apply for outside funds that could be used in support of the district.
3. Collect assessments, maintain in a segregated account, and disburse the monies of the district.
4. Receive annual audits as required per sec. 66.1110 (4)(c) of the NID law.
5. Provide the board, through the Tax Commissioner's Office on or before June 30th of each Plan year, with the official City records and the assessed value of each tax key number with the district, as of January 1st of each Plan year, for purposes of calculating the NID assessments.
6. Encourage the State of Wisconsin, Milwaukee County and other units of government to support the activities of the district.

VI. PLAN APPROVAL PROCESS

A. Public Review Process

The Wisconsin Neighborhood Improvement District law establishes a specific process for reviewing and approving proposed districts. Pursuant to the statutory requirements, the following process will be followed:

1. The Milwaukee City Plan Commission will review the proposed district boundaries and proposed Operating Plan and will then set a date for a formal public hearing.
2. In the initial year, the City Plan Commission will send, by certified mail, a public hearing notice and a copy of the proposed Operating Plan to all owners of real property within the proposed district. In addition a Class 2 notice of the public hearing will be published in a

local newspaper of general circulation.

3. The City Plan Commission will hold a public hearing, will approve or disapprove the Plan, and will report its action to the Common Council.
4. The Economic Development Committee of the Common Council will review the proposed NID Plan at a public meeting and will make a recommendation to the full Common Council.
5. The Common Council will act on the proposed NID Plan.
6. If adopted by the Common Council, the proposed NID Plan is sent to the Mayor for his approval.
7. If approved by the Mayor, the NID is created and the district board will be elected pursuant to section 3.E above.

B. Petition against Creation of the NID

The City may not create the Neighborhood Improvement District if, within 30 days of the City Plan Commission's hearing, a petition is filed with the City containing signatures of:

Owners of property to be assessed under the proposed initial Operating Plan having a valuation equal to more than 50% of the valuation of all property to be assessed under the proposed initial Operating Plan, using the method of valuation specified in the proposed initial Operating Plan; or

Owners of property to be assessed under the proposed initial Operating Plan having an assessed valuation equal to more than 40% of the assessed valuation of all property to be assessed under the proposed Operating Plan.

VII. FUTURE YEAR OPERATING PLANS

A. Phased Development

It is anticipated that the WP NID will continue to revise and develop the Operating Plan annually, in response to changing development needs and opportunities in the district, in accordance with the purposes and objectives defined in this initial Operating Plan.

Section 66.1110 (6)(b) of the NID law requires the board and the City to annually review and make changes as appropriate in the Operating Plan. Therefore, while this document outlines in general terms the complete development program, it focuses upon Year One activities, and information on specific assessed values, budget amounts and assessment amounts are based on Year One conditions. Greater detail about subsequent year's activities will be provided in the required annual Plan updates, and approval by the Common Council of such Plan updates shall be conclusive evidence of compliance with this Plan and the NID law.

In later years, the WP NID Operating Plan will continue to apply the assessment formula, as adjusted, to raise funds to meet the next annual budget. However, the method of assessing shall not be materially altered, except with the consent of the City of Milwaukee.

B. Amendment, Severability and Expansion

This WP NID has been created under authority of Section 66.1110 of the Statutes of the State of Wisconsin (“NID Statute”). Should any court find any portion of this Statute invalid or unconstitutional its decision will not invalidate or terminate the WP NID and this WP NID Operating Plan shall be amended to conform to the law without need of re-establishment.

Should the legislature amend the Statute to narrow or broaden the process of a NID so as to exclude or include as assessable properties a certain class or classes of properties, then this NID Plan may be amended by the Common Council of the City of Milwaukee as and when it conducts its annual Operating Plan approval and without necessity to undertake any other act.

VII. Contraction with WP NID

Any contracting with the WP NID shall be exempt from the requirements of Sec 62.15, Wis. Stats. Because such contracts shall not be for the construction of improvements or provision of materials. If the WP NID does contract for the construction of improvements or provisions of material, it shall follow the requirements of such statutes to the extent applicable. Further, the annual accounting required under Sec 66.608 (3) (c) Wis. Stats., shall be deemed to fulfill the requirements of Sec 62.15 (14) Wis. Stats. The WP NID Board of Directors and the City of Milwaukee shall comply with the provisions of Sec. 66.60 before the City inserts assessments for this NID plan onto the tax bills for the parcels assessed thereunder, only to the extent required by law, to create a lien on the parcels assessed. The WP NID may provide grant support to organizations that include the cost of staff, however, the WP NID shall not have employees directly and shall contract with a responsible party for any administration of grant funds.

2020-2021 Annual Report

Mission & Goals

Established in 2012, the Washington Park Neighborhood Improvement District 3 is intended to reinvest fully into the structural, economic, and residential & business-based engagement based plans and improvements led and collaborated on by various partners within the service boundaries (East to West: the 30th Street Corridor to N. 47th St. or WI-175 and North to South: W. Meinecke Ave. to W. Vliet St.)

2020 Total assessment: \$156,150

Accomplishments

A. Assistance to Homeowners

This narrative identifies projects completed between August 2020 and August 2021 in accordance with the City of Milwaukee Annual reporting requirements. The purpose of the Homeowners Repair program is to assist homeowners in maintaining and preserving their home by financially assisting with the maintenance repair cost up to \$7,500 of the primary residence. The repairs for 2020- 2021 consisted of various code-based repairs and health and safety repairs in alliance with our established NID Guidelines. Repairs included roof replacement, basement waterproofing, gutters, garage door repair, windows, doors, concrete, minor plumbing and electrical.

Completions:

16 projects have been completed YTD with a combined total of \$99,682 in grants disbursed.

By the end of 2021, we are projecting more home repair projects to be completed for a total of \$53,263 in additional grants disbursed.

Issues and concerns:

Building material shortage

Building materials price inflation

Contractor Shortage

Cash reserves of homeowner and contractors limited to pay down costs and wait to be reimbursed

The grant administrator is KLD Construction Management Services, LLC - Lamont Davis

B. Job Development

The WP NID contracted Reliant Property Management to execute the neighborhood environmental maintenance initiative and to employ local workers.

From August 31st, 2020, to August 31st, 2021 Reliant Property Management LLC has:

1. RPM completed the City of Milwaukee training program to hire EARN & LEARN participants. RPM hired three youth (14, 15, and 20 years old) from June 22nd ,2020 to August 31st ,2020
2. Special requests for services
RPM has responded to 10 special requests for services within the Washington Park NID boundaries. RPM removed litter, overgrown brushes and illegal dumps at various locations. Assisted with community cleanup with United Methodist Children Services and Near Westside Partners
3. Quadrant Sweeps

RPM has completed 5 sweeps per Quadrant as of September 2nd, 2021. With the extra support from the Earn & Learn students and the additional hires RPM was able to increase our presence in the neighborhood. Quadrant Sweeps consist of picking up litter, tires and accident debris from carriage walk to carriage walk.

4. Recycled Items to Drop Off Center

30 discarded tires were removed from the Washington Park Neighborhood and taken to the City of Milwaukee dump.

71 discarded televisions, a mixture of big box screens, broken flat screens and older models containing cathode-ray tube (CRT). Taken to the City of Milwaukee dump.

5. Highlight Events

Made over 100 trips to the city dump during the first three months of the contract term totaling the removal of 1200.5 cubic yards (maybe more) of debris and illegal dumping removed from the Washington Park Neighborhood. (Trailer dimension 3ft. x 5ft. x 12ft. =180 ft. /27 cubic ft. = 6.7 cubic yards).

Contract ended November 23, 2020, due to the city dump not charging we extended the contract to December 19, 2020.

We worked with Bill Schmitt from UMCS and participated in 2 collaborative clean ups on the 27th street corridor project from 27th & Wisconsin to 27th and North AV. Progressive Community Clean – Up

37th & Sarnow St. Perennial dump site removed debris

Relocated Business to Washington Park Neighborhood 3940 W Lisbon inside the UMCS building. Office includes a garage that is safe and secure where I store my tools and equipment.

Assisted Washington Park residents after the August 2021 storms with tree branch and brush removal

*Note we have noticed an increase of dumped building materials

The work conditions are not always Ideal. The hazardous encounter of used needles which is disposed of in a (medical sharps disposal container,) condoms and the occasional shots fired does happen. In these situations RPM relocates employees to a safe work site and will revisit the previous work site to complete the job when conditions are safe. In lieu of the Covid – 19 Virus RPM has instituted a policy requiring safety masks or respirators, along with hand and eye covering at all work sites. The equipment is provided by RPM.

Washington Park NID has enlisted the help of BNB Consults from June - August 2021 to gather all data to determine the Strengths, Weaknesses, Opportunities and Threats that will affect the needs, wants and services of the Washington Park NID and residents. This will bridge the gap to determine where allocation of resources will be directed toward in the fiscal year and beyond.

Month 1:

BNB will review the Quality-of-Life strategy and create a plan to bridge the gap between what the Washington Park has established with the community and generate innovative ideas to connect the Board Members, residents, and business owners within the Washington Park Area.

BNB Consults will conduct a survey starting with a mass mailing throughout the Washington Park community, including door-to-door campaigns with approved and Washington Park NID approved surveys.

NOTE A - Summary of Significant Accounting Policies

Organization

Washington Park Neighborhood Improvement District (The "Organization") was organized under Wisconsin State Statute 66.1110. This statute provides for the formation of Neighborhood Improvement Districts (NIDs) upon the petition of at least one property owner in the district. The purpose of a NID is to revitalize and improve a neighborhood area in Milwaukee. An assessment methodology is developed to allow the assessable residential and commercial properties within the geographic area to contribute to programs aimed at neighborhood lighting, distinctive signage, and pocket-parks, enhanced public green spaces and other activities as approved by the NID board.

Washington Park Neighborhood Improvement District is exempt from tax as an affiliate of a governmental unit under Section 501(a) of the Internal Revenue Code.

Accounting Method

The financial statements of the Organization have been prepared on the accrual basis of accounting.

Basis of Presentation

The Organization reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

Cash and Cash Equivalents

For purposes of the statement of cash flows, cash and cash equivalents include all highly liquid debt instruments with original maturities of three months or less when purchased.

Contributions and Grant Revenue

Contributions received and unconditional promises to give are measured at fair value and are reported as increases in net assets. Contributions are considered available for the Organization's general operations and included in net assets without donor restrictions unless specifically restricted by a donor. A restricted contribution is reported in revenue and net assets without donor restrictions when the restriction is met within the same reporting period as the contribution is received. Contributions received restricted for a purpose not yet met or to support a future period are included in net assets with donor restrictions. When a donor restriction from a prior year expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Conditional contributions are not recognized as revenue until they become unconditional. A conditional contribution is one that has both a barrier that must be overcome and an agreement requiring advance payment to be returned or future payment not to be obligated if the barrier is not overcome.

Contributions of assets other than cash are recorded at their estimated fair value at the date of the gift. Donated services are recognized as contributions if the services create or enhance nonfinancial assets or the services require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. Accordingly, the value of contributed time that does not meet these requirements has not been determined and is not reflected in the accompanying financial statements.

WASHINGTON PARK NEIGHBORHOOD IMPROVEMENT DISTRICT
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2020
(See Accountant's Review Report)

NOTE A - Summary of Significant Accounting Policies (continued)

When a donor requires the investment of a contribution and restricts the use of investment income, the investment income is reported as net assets with donor restrictions until appropriated for the designated time or use when the net assets are released to net assets without donor restrictions.

Functional Expenses

The Organization allocates costs directly to program or management when appropriate. All expenses are directly allocated based on the nature of the expense.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE B - Accounting Change

Accounting Standards Update 2020-07, Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets (Topic 958) will be effective for fiscal years beginning after June 15, 2021. The amendments in this update are required and provide new presentation and disclosure requirements about contributed nonfinancial assets to nonprofits, including additional disclosure requirements for recognized contributed services. Contributed nonfinancial assets will be required to be reported as a separate line in the statement of activities. A financial statement note will be required to provide disaggregated contributed nonfinancial assets by category including: the type of contributed nonfinancial asset; qualitative information about the monetization or utilization of the nonfinancial assets; the policy about the monetization or utilization of nonfinancial assets; a description of restrictions, valuation, and the market used to determine the fair value. The amendments, required to be presented retrospectively to all periods presented, will not change the recognition and measurement requirements for those assets.

Accounting Standards Update 2016-02, Leases (Topic 842) will be effective for fiscal years beginning after December 15, 2021. This update requires the recognition of lease assets and lease liabilities on the statement of financial position measured at the present value of lease payments and requires disclosure of key information about the leasing arrangements.

Accounting Standards Update 2020-08, Receivables – Nonrefundable Fees and Other Costs (Topic 310-20) will be effective for fiscal years beginning after December 15, 2021. The amendments in this update represent changes to clarify the codification. An organization shall apply the amendment prospectively. This amendment impacts the effective yield of an existing individual callable debt security.

NOTE B - Accounting Change (continued)

Accounting Standards Update 2016-13, Financial Instruments - Credit Losses (Topic 326) will be effective for fiscal years beginning after December 15, 2023. The main objective of this update is to provide financial statement users with more decision-useful information about the expected credit losses on financial instruments and other commitments to extend credit held by a reporting entity at each reporting date. To achieve this objective, the amendments in this update replace the incurred loss impairment methodology in current GAAP with a methodology that reflects expected credit losses and requires consideration of a broader range of reasonable and supportable information to inform credit loss estimates, including exploring more forward-looking alternatives.
