Milwaukee, WI 53202-3515

It is important to the City of Milwaukee to use adaptive reuse for all of the Pabst Brewery Historic District buildings.

One of the joys of traveling to Europe is admiring century old buildings.

It has been proven that Historic Preservation is an economically positive source of tourist dollars.

The Historic Preservation of Wisconsin has an architect available for consultation to consult on adaptive reuse.

Yours truly,  
Drew A. Innesburg
