

Mahlik Residence – HOA approval letter

2200 North Terrace, Milwaukee, WI

I, Joan Miller, am the adjoining neighbor residing at 2202 North Terrace and co-member of the Home Owners Association of this property.

I have reviewed and approve the proposed Front Entry Door upgrade for the Dan and Michelle Mahlik Residence residing at 2200 North Terrace.

I will not be replacing my Front Entry Door, and I'm completely satisfied with the overall appearance of the Building façade having two separate front entry doors:

Comments:

The two condo's doors will compliment each other.
