To the Public Improvements Committee

Subject: 2005 Capital Improvements Program
Infrastructure Services Division
Federal/State Aid Project
West State Street from
North 12th Street to North 17th Street

Dear Honorable Members:

The 2005 Capital Improvement Program includes the improvement of West State Street from North 12th Street to North 17th Street under the Surface Transportation Program. The Federal Program provides cost participation for the improvement of traffic control devices in conjunction with the highway paving.

One hundred percent of the total cost will be funded by the Wisconsin Department of Transportation (WISDOT).

We have, therefore, prepared the attached resolution, which authorizes and directs the Commissioner of Public Works to execute a Service and Supply contract with WISDOT that allows City forces to install and/or modify traffic control facilities in conjunction with the improvement of West State Street from North 12th Street to North 17th Street in the 4th Aldermanic District.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Jeffrey J. Mantes
Commissioner of Public Works
