SUBJECT: 7TH ALD. DIST. - FILE #240240  
INSTALL NO PARKING ON THE WEST SIDE OF NORTH 35TH STREET  
FROM WEST MELVINA STREET TO A POINT 50 FEET NORTH

Dear Alderman Jackson:

This is in response to your request on behalf of a local resident to install the above-captioned parking restriction.

Our traffic engineering staff has investigated this request and found motorists on West Melvina Street have a difficult time seeing southbound traffic traveling on North 35th Street when vehicles park close to the intersection. Therefore, in the interest of public safety, we recommend installing the above-captioned parking restrictions to increase cross traffic visibility at the intersection.

We will prepare the necessary legislation that will be heard at the next Public Safety and Health Committee meeting, so that you may support it to final passage.

Sincerely,

Kevin J. Muhs, PE, AICP

Dear Alderman Brostoff:

This is in response to your request on behalf of Greif Packaging located at 1514 East Thomas Avenue to restrict on-street parking on the west side of North Newhall Street to allow trucks to maneuver to their loading dock area. Our traffic engineering staff has investigated this request and found that the installation of this restriction will improve access to the loading docks of Greif Packaging and we therefore, recommend the installation of this restriction.

We will prepare the necessary legislation for the next Public Safety and Health Committee meeting, so that you may support it to final passage.

Sincerely,
