I am very sorry this is happening. I will enter your email into their licensing file so there will be a hearing at their next license renewal before the license committee. You can testify about what you are experiencing along with your neighbors. It is critical that residents that are being disturbed attend and testify.

Robert Bauman,  
I live \_\_\_\_\_ from the bar "McGillyCuddy's" (1133-37 N Water St Milwaukee, WI 53202) on the \_\_\_\_\_ floor at the intersection of \_\_\_\_\_. Nearly every single night this summer (including weeknights) the bar plays extremely loud music with their outdoor DJ setup from approximately 9pm to 2am. This has cost me countless hours of lost sleep since the music is so loud I can hear it clearly in my apartment. I had contacted the Milwaukee Police Department several times about the issue with little help until finally an officer informed me that the bar has a "Public Entertainment Premises License" which makes them exempt from normal noise regulations. The officer told me to get in contact with my local Alderman. After some research I discovered that the regulations for this license stipulate hours of operation:

108-23. Hours for Public Entertainment

1. INDOOR PUBLIC ENTERTAINMENT. Indoor public entertainment shall be permitted as established by the common council in its approval of the licensee's plan of operation.
2. OUTDOOR PUBLIC ENTERTAINMENT. Outdoor public entertainment shall be discontinued no later than 10:00 p.m. Sunday through Thursday nights and no later than 12:00 a.m. on Friday and Saturday nights, unless a different time of discontinuation, either earlier or later, is established by the common council in its approval of the licensee's plan of operation.

If McGillyCuddy's has not established a different time with the city council then they have been in violation of their license. If this is the case I ask that they be penalized properly for the

infraction. If they are operating within their agreed upon plan of operation I ask for your advice on any other ways to resolve this situation since I have no other ideas.

AC

I'd like to mention that I am taking this course of action not because I dislike the bar, the owner(s), customers, etcetera but solely because I have been unable to get the proper amount of sleep and it has become a great nuisance in my life.

Some people who received this message don't often get email from [City Records Center](#). [Learn why this is important](#)

I believe that "McGillicuddy's Bar & Grill" (1133-37 N Water St Milwaukee, WI 53202) is violating their Public Entertainment Premises License, specifically the section that stipulates:

108-23. Hours for Public Entertainment  
 1. INDOOR PUBLIC ENTERTAINMENT. Indoor public entertainment shall be permitted as established by

AC

the common council in its approval of the licensee's plan of operation.

2. OUTDOOR PUBLIC ENTERTAINMENT. Outdoor public entertainment shall be discontinued no later than 10:00 p.m. Sunday through Thursday nights and no later than 12:00 a.m. on Friday and Saturday nights, unless a different time of discontinuation, either earlier or later, is established by the common council in its approval of the licensee's plan of operation.

Every night except Mondays and Tuesdays this bar plays loud music outdoors until approximately 2am. Can you please provide me a copy of their active Public Entertainment Premises Licence or check if the license establishes a different time?

Thanks,

On Monday May 29, 2022 I was assigned Code Red overtime at District 1 on squad 1443 with Police Officer Jamar LUCKY.

P.O LUCKY and I were assigned to North Water and East Juneau St for Code Red. P.O LUCKY and I started the shift at 7:00 P.M and were on the same street for the duration of the shift.

While assigned to Code Red we are asked to monitor bars, restaurants and other businesses. We often go inside of the businesses to show presence and to introduce ourselves.

While on Code Red we typically get out of the squad cars and walk our strip to keep busy and to again show presence.

P.O LUCKY and I were standing at approximately 165 E Juneau when we were approached by two male citizens who stated that there was approximately three black males in McGillicuddy's with firearms and it seemed as if their intentionally looking for trouble. The two citizens stated that they left the business to avoid trouble after seeing the incident a few weeks ago during the Milwaukee Bucks Playoff Game. McGillicuddy's is located at 1135 N water St, there is an indoor bar and an outdoor patio.

The two male citizens stated that all of the subjects with the firearms were on the patio, the citizens failed to give us detailing descriptions of the subjects besides black males. Once this information was received we passed it to the officers and sergeant that was assigned to code red on water and Juneau st.

At the time of the getting this information we didn't have much to work off of to find these subjects or do anything about it. P.O LUCKY and I took the limited information of we had and went over to the patio of McGillicuddy's to observe the business.

While outside of the business by the patio we noticed that for approximately two hours everyone that entered the business from the patio was able to show an id and just enter the patio. No one was pat down for weapons, no one was check with a wand, there were no metal detectors and no purses or bags were opened and looked into or felt to insure that weapons weren't being brought into the business.

P.O LUCKY and I were not sure of the policies or normal security measures that is in place at McGillicuddy's so we continued to stand and monitor the patio from the outside of the fence.

While monitoring the business a guy and his girlfriend approached P.O LUCKY and I and stated that there were multiple subjects in the business on the patio with firearms and they didn't feel safe so they were leaving. These two people stated that one of the subjects was a black male with short dreadlocks,

wearing a black hoody with a design on the front.

P.O LUCKY and I observed a subject matching that description, the subject was accompanied by another black male subject. While watching the subjects we didn't see a firearm or anything that resembled a firearm so we had no reason to make contact with the subjects.

P.O LUCKY and I went to the front door of McGillycuddy's Where we were met by a guy who stated he was the manager of the business and asked us if everything was alright. We told him that we were going to do a walk through at the business because we have gotten several complaints about subjects in the business with firearms.

One of the subjects who was described as being in possession of a firearm had left the business through the front doors and later returned. While there we personally didn't see anyone in possession of a firearm. The manager was also informed that no one was being checked at the door.

We didn't get much help from the manager as the security continued to just let people come into the business without doing anything. P.O LUCKY and I didn't get the managers name during the process. Later while still on Code Red P.O LUCKY and I were with approximately four more cops by the patio of McGillycuddy's when we heard a lot commotion followed by a guy being pulled out of the business fence by a male and female citizen. The individual that was being pulled out was observed to be wearing one shoe, he had jewelry in his hands and the front neck portion of his t shirt was stretched out as if there was some sort of physical altercation, these people were later victims of 1st Degree Reckless Endangering Safety.

During this incident the security never flagged us down or asked for assistance in any kind of way. The victims all walked away together so we didn't stop them. Once they were out of the business there was no further incident for us to respond, and no one approached us or stated they wanted to report anything.

The victim that appeared to had been in a physical altercation was upset and was stating " Okay, watch this watch this" as he along with the two people who came out of the bar with him began to walk east bound on East Juneau St.

The victims began walking east bound on Juneau St and then north bound on N Water St. As the subjects were walking on Water St, we observed approximately five to six subjects yelling at the victims. The victims continued walking north bound on N Water St as the other subjects were still yelling at them and walking north bound as well.

P.O LUCKY and I along with the other officers began to look at both parties of people as the victims were walking away on North Water St and the other party continued to yell and try to antagonize them. Due

to the subject statement as "watch this" and the other party trying to engage them we figured there was going to be a problem.

P.O LUCKY, P.O Jazzmin KING, P.O De'Shon NASH and I began to walk north bound on North Water St behind both parties to solve any issues that might occur. P.O Zachary LATAWIEC and department issued horse started going east bound on east Juneau St.

While we were walking I observed a black male wearing a black hooded sweater with writing on the front and writing on the back that says "anti-social club" black jeans, and black gym shoes along with another subject running towards the victims. The subject running had both his hands in his front hoody pocket; he was later verbally identified as Amarri M. CARTER (b/m, 6/21/01).

The victims turned around and observed CARTER and another subject running behind them so they all began to run. I then informed the other officers that one subject had his hands in his pockets while chasing the victims.

P.O LUCKY and I began to walk towards where the subjects were running, we then started to jog and as we were approaching we heard what sounded like a single gunshot coming from N Water St and E Knapp St.

While running and activating our body cameras we approached the corner of E Knapp St and observed an officer talking to an unknown black male. That black male pointed to the east and stated "them right there, they shooting".

P.O LUCKY and I rounded the corner we observed CARTER and another subject who was later identified as Samuel G. RODATOS (w/m, 10/13/93) walking on the south side of the street going east bound on Knapp St.

P.O LUCKY yelled "hey stop police" as CARTER and RODATOS began running. P.O LUCKY ran after RODATOS as I went after CARTER.

While chasing behind CARTER I yell " hey hey, get on the ground" as CARTER continued running in attempt to avoid arrest. I gave CARTER several commands to get on the ground as ran away from me, twice while running CARTER looked back at me and continued running.

During the foot pursuit of CARTER he looked back at me and picked up speed, showing that he wasn't willing to stop. Carter continued running south bound in Milwaukee School of Engineering fenced in parking lot. P.O LATAWIEC and his horse were coming directly towards the way that both CARTER and RODATOS were running.

CARTER noticed the horse coming his way and began to slow down, he then started looking around for an exit route at which time he didn't have any. CARTER then stopped put his hands up and was given orders to get on the ground. CARTER was handcuffed and then searched before being placed in a marked squad car.

Later during this investigation it was revealed by the victims and suspects that this incident stemmed from something that occurred at McGillicuddy's.

It was later revealed that the suspects were in fact armed with firearms in McGillicuddy's and it was revealed that the subjects were also drinking alcohol in McGillicuddy's.

### License Premise Report

Debraska, Raymond 019440

07/14/2022

This report is written by PO Raymond DEBRASKA, assigned to District 1 Late Power Shift.

On Thursday, 07/14/22 at 12:52am, I (Squad 1442) was monitoring the bar district around the intersection of N Water St / W Juneau Ave when I observed a fight in progress in front of McGillyCuddy's Bar (1135 N Water St). I observed approximately 12 subject's physically fighting one another on the sidewalk. I called for additional squads and began to break up the fight. I spoke with one of the subject's involved who advised me that the fight began inside McGillyCuddy's Bar. The subject stated that 2 groups of patrons began to argue inside the tavern and began pushing each other before being escorted outside by security. Once outside the 2 groups began fighting each other.

I was able to watch surveillance video inside the bar that showed the 2 groups involved begin to argue/push each other inside the tavern before being escorted out of the tavern. I also observed the physical fight that occurred just outside the front door of the tavern.

Security quickly intervened and attempted to stop the fight from occurring inside the tavern and ejected those involved. Bar staff was cooperative with the investigation into this incident.

The manager on duty during this incident, Aaron A OLSON (w/m, 08/20/86), was advised a report would be filed regarding this incident.

This incident required 7 MPD Squads to control the scene / incident.

End of Report.
