

August 30, 2006

To the Honorable, the Common Council

Dear Council Members:

Please find attached a "Title Only" resolution for introduction at the next Common Council meeting. It is our intent to insert the body of the resolution in this jacket prior to the September 14 meeting of the Public Safety Committee.

This resolution authorizes an agreement to be made between the City of Milwaukee and the Potawatomi Bingo Casino for the installation and funding of two new traffic control signals. One traffic signal will be at the intersection of West Canal Street and North Potawatomi Circle (Old 16th Street). The other traffic signal will be at the intersection created when the Potawatomi Structure Ramp is built and it connects to the South 16th Street Viaduct. Both traffic signals will be installed at no cost to the City of Milwaukee and are in the 8th and/or 12th Aldermanic District.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer
