INSTALL STOP SIGNS ON
NORTH 78TH STREET AT WEST CHAMBERS STREET

Dear Alderman Bohl:

This is in response to your request on behalf of Ms. Lora Gorecki to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that a sight obstruction on the southeast corner of this intersection reduces the available safe approach speed. We, therefore, in the interest of public safety, recommend the installation of stop signs on North 78th Street at West Chambers Street.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Dear Alderman Bohl:

This is in response to your request on behalf of Ms. Sally Lloyd to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that a sight obstruction on the northeast corner of this intersection reduces the available safe approach speed. We, therefore, in the interest of public safety, recommend the installation of stop signs on West Townsend Street at North 94th Street.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Dear Alderman Sanchez:

This is in response to your request to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that the accident data received from the Milwaukee Police Department revealed an increase in accidents at this intersection that would warrant the above-captioned traffic control. We, therefore, in the interest of public safety, recommend the installation of a four-way stop control on West Bow Street and South Union Street.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.
