CITY CLERK'S OFFICE

On this day Nov. 29, 2021 I Trevonn Smith raise claim for inappropriate destruction of property of 2008 Acura rdx turbocharged. In the year 2019 I was arrested by Milwaukee police department and my vehicle was towed to the City of Milwaukee tow lot as evidence tow #1710785. This vehicle was processed by Detective Brenden Dolan, and P.O.'s Joseph Egveda and Phillip Ferguson. Upon my arrest a P.O. Sutyak spoke to Mohammad Morrar W/M 10/24/1992 while speaking to Morrar he was told he sold me a silver Acura RDX and he showed P.O. Sutyak a bill of sale for this transaction. Morrar owns a car dealership at the address of 2001 S. 6th St. On June 7, 2021 I was sentenced for my case #19CF935. And on the day Nov. 15, 2021 I had a Return of Property where Judge David Feiss granted the return of my property and the Milwaukee city attorney notified me and the judge that my truck was destroyed in 2019. The judge notified me that based on this information I have grounds for a claim against the city of Milwaukee. I am suing for the Kbb value of the truck, legal expenses and violation of due process rights. The truck value is 10,739 on Kelly blue book miles 75,000 the truck was in good condition, and this matter caused stress and financial dilemma.
