Alderman James Bohl
Alderman Robert Donovan
Members of the Public Safety Committee

Gentlemen:

The judges have reviewed the latest substitute ordinance relating to drug paraphernalia - LRB 06057-5 dated March 31, 2006. The amended penalties are consistent with our interest in providing a penalty range that will allow our judges to consider the circumstances of an offense when we impose judgment against a guilty party.

We appreciate the opportunity to provide our input in this matter.

Sincerely,

DEREK C. MOSLEY
Municipal Judge
Branch Two
