Community Activities

2007-Present

Board Member, Cesar E. Chavez Dr. Business Improvement District (BID 38)

Oversee economic development and architectural projects within the BID boundaries to ensure the health, safety, and welfare of the BID residents. To further the growth and development of Cesar E. Chavez Dr. and its overall aesthetic environment. To promote good relationships among the business people, surrounding community, and City Municipalities.

EMPLOYMENT

2007-Present

Architect-Project Lead, William M. Karr & Associates

Responsible for working on substantial projects to select, evaluate, and implement procedures and construction techniques. Responsible for writing reports and specifications used on projects, and overall guidance on objectives and design concepts. Supervise the preparation of architectural plans, overall design, and reviewing completed plans and estimates.

2002-2007

Program Assistant, City of Milwaukee Board of Zoning Appeals

Supporting the City of Milwaukee Board of Zoning Appeals by assisting in the processing of applications for variances and special uses; organizing submission materials to prepare related communication and notices; providing information to the general public, architects, appellants, other departments, and Council members. Reviewing project documents to assist in providing technical advice and design suggestions. Lead the Zoning Administrative Group (ZAG), which consists of coordinating technical reviews on various types of projects with representatives from the Department of City Development, Department of Public Works, and the Department of Neighborhood Services. Assist in the coordination of the Board of Zoning Appeals public hearings.

2003-2005

Production Assistant, GX Planning

Assisted in the consulting of zoning and urban design strategies on various types of developments. Produced and assisted in the development of schematic drawings and final renderings. Reviewed projects and developments to assist in providing technical advice and design suggestions. Assisted in presenting design solutions to the client.

2001-2001

Economic Development Intern, Layton Boulevard West Neighbors

Worked on creating a database for a consumer survey, providing valuable information to determine what types of additional businesses were needed to better serve a specific community. Aided in the development of a portfolio of commercial properties occupied and vacant to include photos, property information, and design alternatives. Communicated with commercial property owners, business owners, government officials, and representatives of the City of Milwaukee Department of City Development to develop beneficial urban design strategies to implement within a designated community.
