Please submit this e-mail letter from the president of Water Tower Landmark Trust Neighborhood Association to the file for the ZND public hearing.

The letter says, in part, Given that substantial changes to the plan have recently occurred, WTLT formally requests the CPC and ZND delay approval of the Downer Avenue DPD until WTLT has an opportunity to review the revised plan.

Thank you,

**Subject:** RE: Review of Downer Project

Dawn, Mary and Fellow Trustees,

WTLT has achieved quorum on an electronic vote regarding the Downer Avenue proposal and the upcoming hearings. Our official response is:

"Water Tower Landmark Trust appreciates the need for progress in the Downer Avenue neighborhood and also understands the need to maintain the architectural integrity of this historic district. Given that substantial changes to the plan have recently occurred, WTLT formally requests the CPC and ZND delay approval of the Downer Avenue DPD until WTLT has the opportunity to review the revised plan."

Please let me know if someone is able to read that stance at the hearing today – I am working all day and evening.

A review is currently scheduled for Wednesday, February 13<sup>th</sup> at 2pm Kenilworth Building WTLT offices (on the Farwell side). The WTLT Buildings and Institutions Committee will provide an initial stance to the trustees following that review.
