Re: Whom it May Concern, On June 7, 2004
 I (Margaret McCain) came home from work,
 parked my truck in front of my house at 3720 N. 21st,
 approximately 8:30 AM, I got out of my truck
 started walking toward my house, I got to
 the curb, stepped one foot up onto the curb
 then started to step the other foot up
 when I tripped on the sidewalk that
 was approximately 2 inches higher than the
 curb, I fell on my left arm, I could
 not move my left arm, I knew then it
 was broken, One of the neighbor's son
 was out side he came over and rang my
 doorbell to tell my husband, I was on
 ground, I had fell and to call 911, an
 Ambulance came, they took me to St. Joe's
 hospital where I was admitted and had
 surgery on my left arm. I am presently
 off work, still under doctor's care and therapy.
