Subject: Wendy's 63rd & Capitol

Dear Alderman Johnson,

Wendy's on 63rd and Capitol continues to pose problems for the neighborhood.

The area behind Wendy's fence has been overgrown with very tall weeds/small trees which trap all manner of debris, garbage, and other waste. It is also a prime haven for vermin such as rats, which are attracted to the garbage and food waste that collects there. The garbage and vermin are adjacent to our properties and this poses a quality of life issue for us whos. I speak for myself when I ask, whose job is it to maintain that part of the alley behind the fence? Is it my responsibility as a resident? Is it the City's responsibility, or is it Wendy's? Surely, if the restaurant were not there, this problem would not exist.

I had spoken to some of the people managing Wendy's at one of the zoning meetings that were held pre-Covid (Nicole Fernandez, nee Schmit). At that time, I was told that management would keep the alley and area around the restaurant picked up. Initially, this was the case. Unfortunately, long term, management has defaulted on that promise.

I see a thriving business of long lines of cars waiting in the drive through from the moment the doors open, until the time doors close. I am assuming you can provide some kind of clean-up help on a regular basis.

In mid-August of this year, I personally spoke with the daytime manager at Wendy's about the problem, who told me that he would speak to his superior, Mr. Morgan (Valerie Suave and I met Mr. Morgan several years ago on one of our neighborhood walks). On September 10 of this year, our neighborhood group, along with yourself, Todd Miller, and several other City of Milwaukee employees, viewed the said area on a neighborhood walk, organized by the Dineen Park Neighborhood Association. At that time, the problem was noted and addressed verbally.

As I recall, a follow-up phone call or letter was to be forwarded to the owners/operators of Wendy's so that the problem could be resolved. To date, the alley remains full of debris, the overgrown shrubbery still there, with things getting worse instead of better.

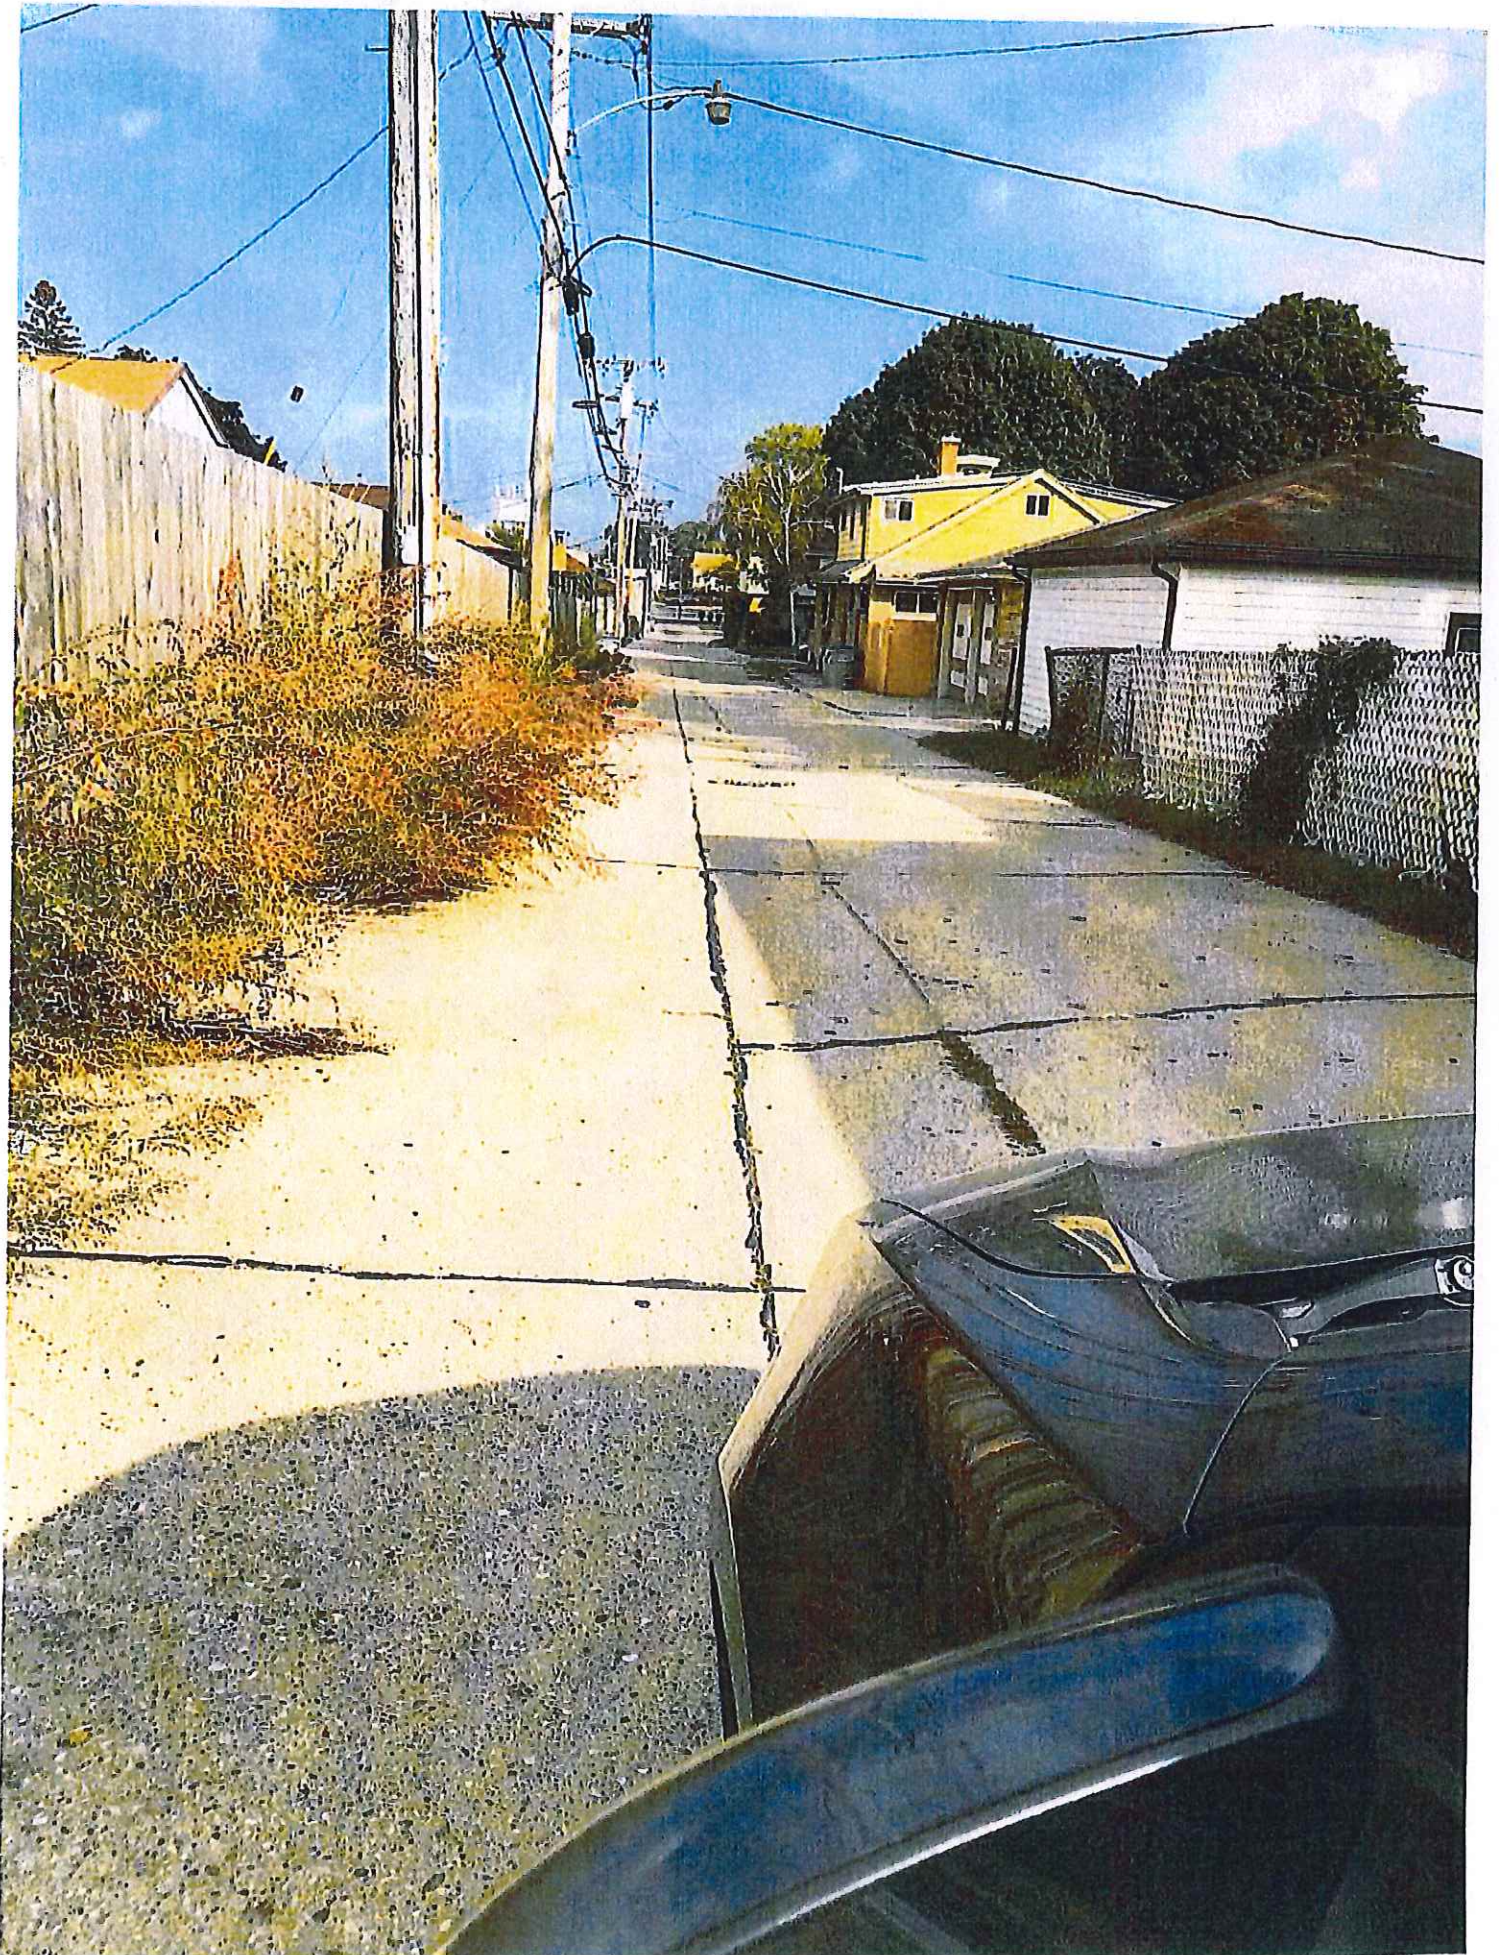

We can't expect the social epidemics in our city to improve if the little things do not. To others, this might appear to be a little thing. But to the residents of this neighborhood, it is not.

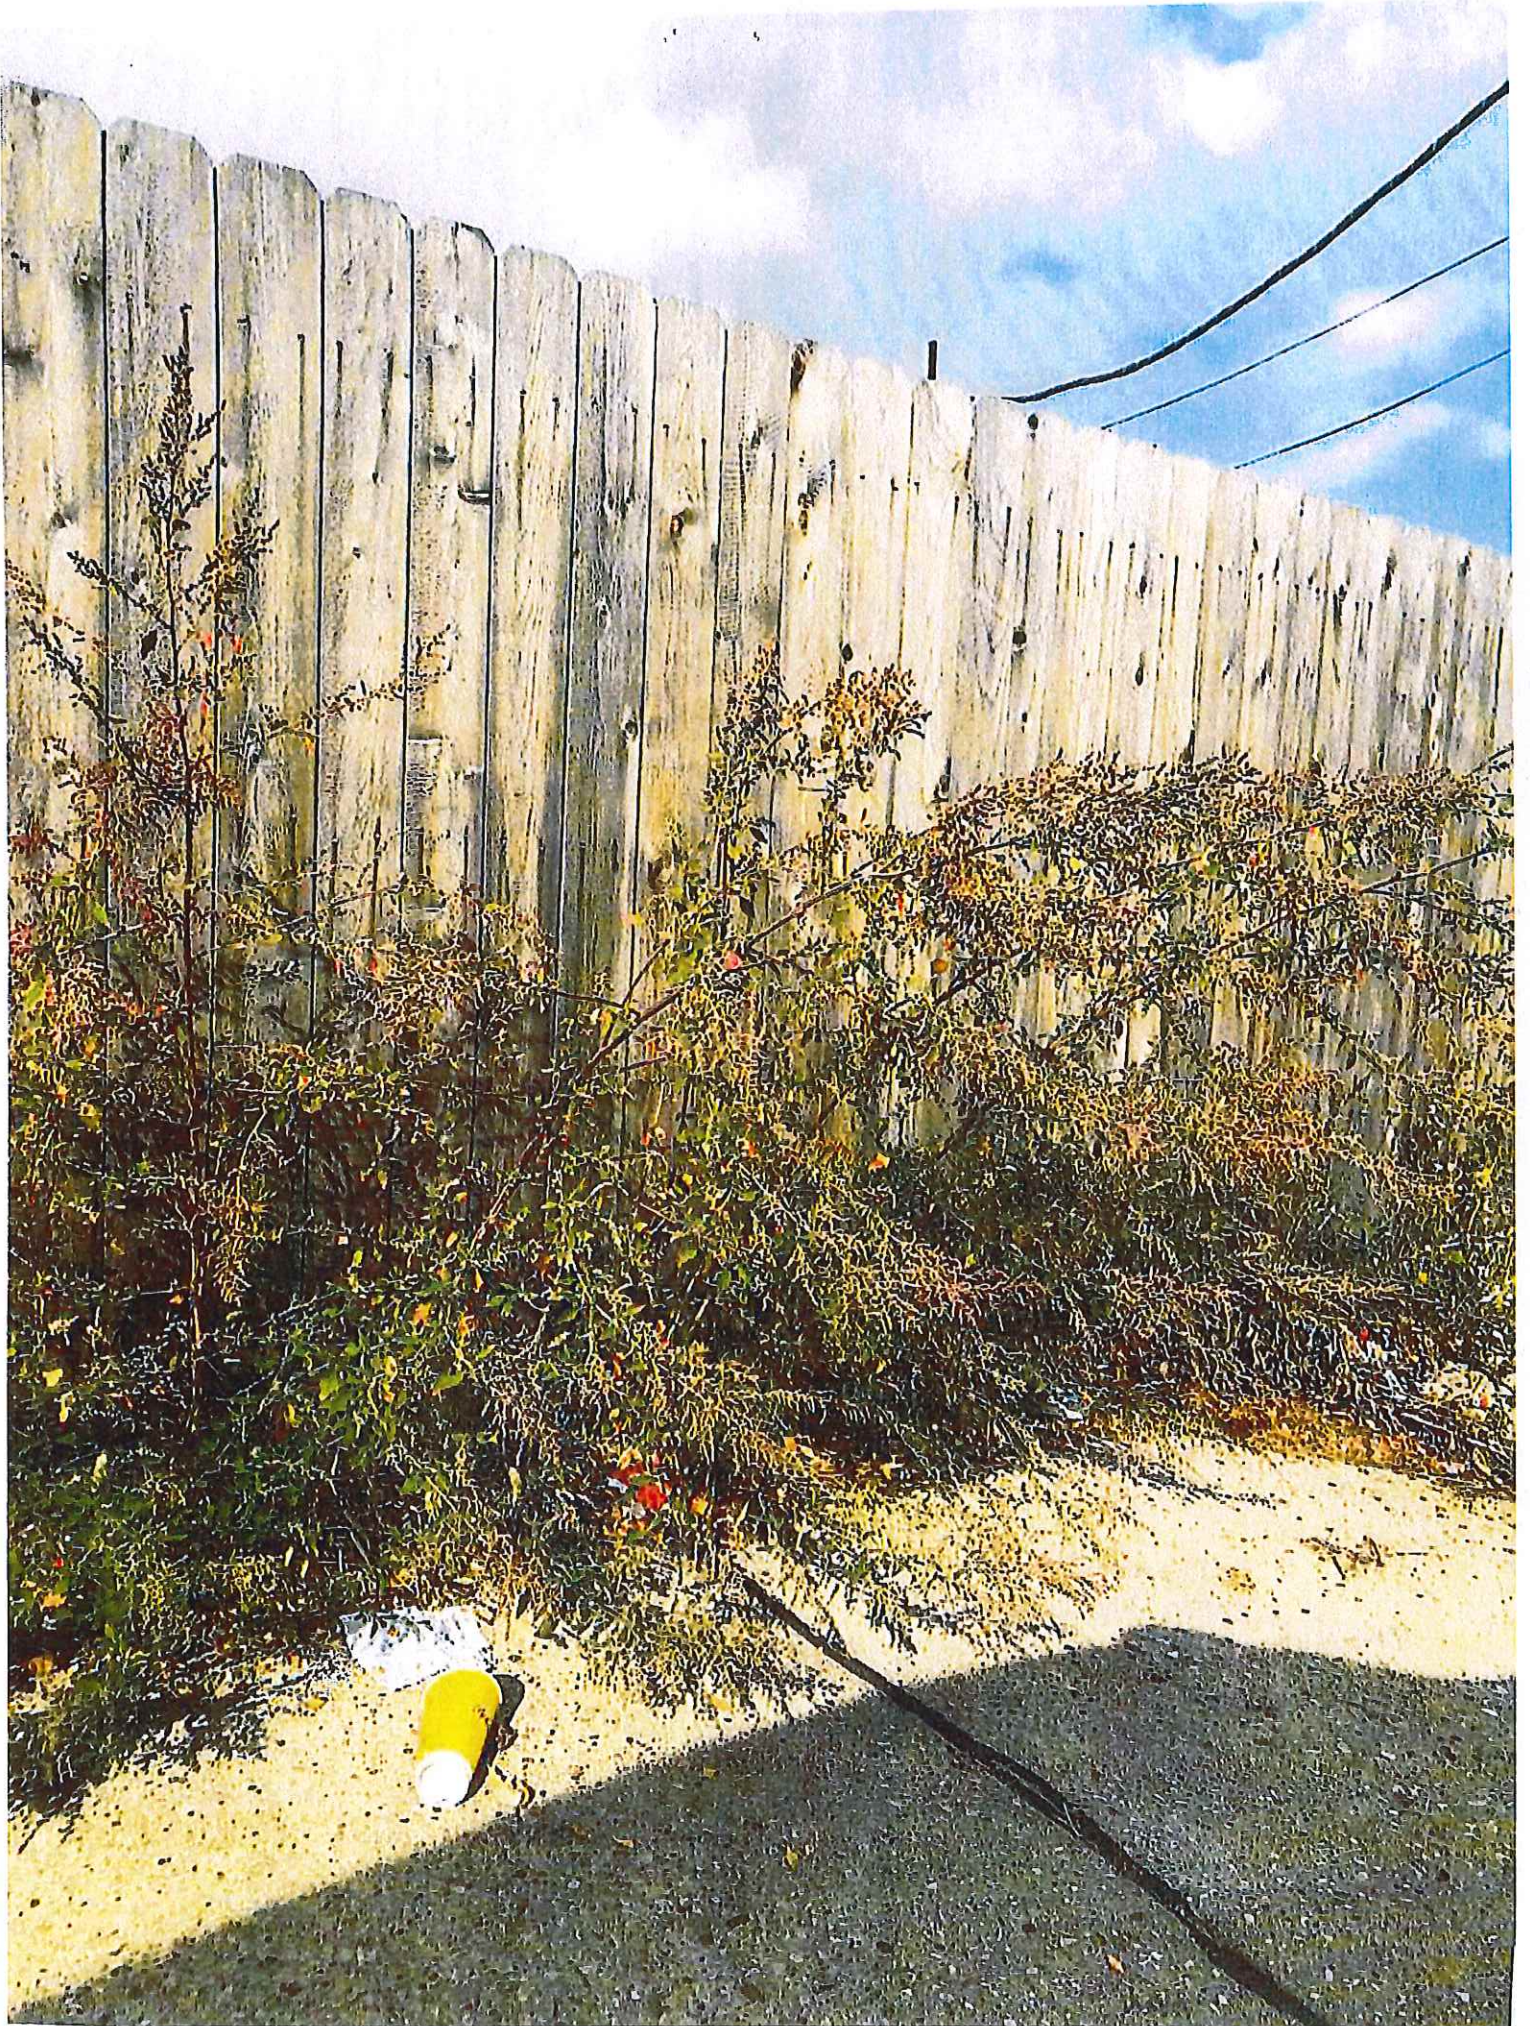

Attached please find photos of the alley as well as a jpg of Paul S. Thompson's business card (Wendy's Chief Operating Officer) that was given to me at the last in-person zoning meeting.

Thank you, for your time and attention.

Sincerely,

LICENSE PREMISE REPORT WENDYS

Ours, Maxwell t 019781

09/11/2021

This report is written by PO Maxwell OURS assigned t District 7, Late Shift.

On Thursday, September 09, 2021, at 12:41 AM, while assigned to Squad 7340 with PO Nicholas GAJEWSKI, we were dispatched to a Shots Fired complaint at 6225 W Capitol Dr, Wendy's, in the City and County of Milwaukee.

Employee Statements

Once on scene I spoke with the manager of Wendy's, identified as Tiquilla M ANDERSON (B/F 07/22/84). ANDERSON stated that she had a customer, suspect 1, make a large order that cost more than \$40. ANDERSON stated that when they came up to the window they had several coupons for their order. ANDERSON stated that normally they only accept 2 coupons per order but she could tell this subject was highly intoxicated and was going to be an issue so she was going to allow more to be used. ANDERSON stated that the discounted price came to about \$27. ANDERSON stated that the subject then became upset and began yelling at her. ANDERSON stated that she told him he could take the coupons back and try at a different Wendy's. ANDERSON stated that the subject got out of the vehicle. ANDERSON stated that she believed the subject hit the window with an unknown object. ANDERSON stated that she told the other employees to go to the back of the restaurant and to get away from the window. ANDERSON stated that while in the back she heard 5-6 gunshots. ANDERSON stated she did not see anything else. ANDERSON stated no one inside the business was hurt during this incident.

I also spoke with another employee, identified as Lyle A SHUMPERT (B/M 04/12/68). SHUMPERT stated he was initially working the window but his manager, ANDERSON, took over for the order regarding the suspect. SHUMPERT stated he observed the suspect yelling at ANDERSON and being disrespectful towards her. SHUMPERT stated that the suspect was grabbing towards ANDERSON and the window. SHUMPERT stated he believed he observed the driver, suspect 1, and the rear driver side passenger, suspect 2, with handguns. SHUMPERT stated that he got away from the window and armed himself with grease if the suspects attempted to gain entry to the restaurant. SHUMPERT stated that he then heard 5-6 shots fired but did not see anything else. SHUMPERT had no further information.

Manager, ANDERSON, provided access to video system and cooperated with the investigation.

End of report.
