04/02/2025	Rec'd email from Mr Anders requesting direction on what information to put on Appeal form. He states "My contractor doesn't have pictures of the removal. I have two payments to him on the 13th and 17th for trash removal. I've left voicemails for vVctor and Heidi just a moment ago. Any help would be much appreciated please." Replied copying HW & VC to please follow the instructions on the appeal form, completing each field before submitting to the Administrative Review Board of Appeals.	KNIEVE
04/02/2025	Rec'd email from Mr Anders "My contractor came out on the 13th and again on the 17th and removed two trailer loads full. Before I filed the appeal I wanted to see if you have pictures of what was actually removed on the 20th before they got started. It should have been two trailer loads less than what the pictures show on the 12th.. I was notified of the debris on the 12th and handled it promptly to following day, even despite the terrible weather. My guys were out there cleaning it up. "	KNIEVE
04/02/2025	Rec'd addt email from Mr Anders "Oh I see now the before and afters on the day of the 20th. I missed that. The side of the house is completely removed on the pictures at 8:25 ant 2/20. And the rear pile is also a little less. I know for a fact I spoke with my guys about them taking some of that. So the afters taken at 8:50 with the debris cleared. 25 minutes of work removing the debris is 3000 dollars?"	KNIEVE
