To the Utilities and Licenses Committee

Dear Honorable Members:

The attached substitute resolution authorizes the approval of a conduit occupancy license agreement between the City of Milwaukee and TDS Metrocom for TDS Metrocom to occupy a portion of the City's communications conduit system.

This agreement will enable the City to obtain revenue from excess capacity of the City's communications conduit system.

Your positive consideration is requested.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer
