Common Council
City of Milwaukee

Subject: Ordinance Pertaining to Implementation of the Neighborhood Services
Department

Dear Honorable Members:

On October 9, 1998, we asked that two files be introduced by title, one related to charter ordinance changes to implement the Neighborhood Improvement and Inspection Department; the other related to ordinance changes needed for the same purpose.

Since that time, a budget amendment was passed that changed the title of the new department to the Neighborhood Services Department. In addition, the City Attorney's Office has determined that a charter ordinance change is not necessary for implementation of the department on January 1, 1999.

Due to these changes, we respectfully ask that the file title be amended to reflect the department's new name as determined by the Council. Attached is the amendment.

We also ask that the charter ordinance change be withdrawn at this time.

Sincerely,

Laura J. Engan
Budget and Management Director
