To Whom It May Concern:

I Bernadette Lewis would like to file
an appeal do to incident that happened
on Sunday July 14, 2013 at 4:45 pm
I was driving 35th Street North turned onto
Capitol going west got to 36th + Capitol
when I approached 36th and Capitol my car
lunged up then down do to street was
separating and breaking into pieces which caused
substantial damage to my car

I called the police non er. Number -
was told they knew about the problem and
they were going to look into it
the Police gave me the City Number I
spoke to a young lady named Gerri
who was the operator she said she's
aware of the problem she gave me
the City clerks office no.

They sent me out a packet to Respon.
City clerk office sent back a answer
which I feel was not fair That's why
I'm filing a appeal

If it had just been pot hole I wouldn't
be writing you but it's not the streets
were separating. So I feel the it's
not fair that we drive and the
streets damage you cars and nothing
to be done about it, If the street
had opened it would have been
something different do to someone getting.

hurt or killed.

I do understand Milwaukee Streets
aren't Perfect but that wasn't just
a pot hole it was the street,
I haven't been ~~able~~ able to drive
my car do to Damage but I'm
driving a rental ~~to~~ to
get to work.

I'm asking could you please look
into the matter.

Thank you
