**Project/Program Title:** United States Fire Service Assistance in Response to Hurricane Katrina

**Grantor Agency:** U.S. Department of Homeland Security - FEMA

**Grant Application Date:** September 2, 2005

**Anticipated Award Date:** September 2, 2005

### Please provide the following information:

**1. Description of Grant Project/Program (Include Target Locations and Populations):**

The Federal Emergency Management Agency (FEMA) has requested assistance from the United States Fire Service in response to Hurricane Katrina. FEMA is requesting 1,000 two-person teams to be deployed to the areas affected by Hurricane Katrina, and will reimburse the cost of salaries and overtime for the personnel deployed. This grant will allow the Milwaukee Fire Department to deploy up to 30 members (voluntary) as part of this effort.

**2. Relationship to City-wide Strategic Goals and Departmental Objectives:**

Public Safety Strategic Goal: Protect Milwaukee's citizens from crime, fires, and other hazards  
Strategy 7: Reduce the damage caused by fires and other catastrophes that do occur.

This grant is related to the department's mission to protect people and property within the city – although this effort will not occur within the City, it does allow the department to provide humanitarian aid to American citizens.

**3. Need for Grant Funds and Impact on Other Departmental Operations (Applies only to Programs):**

This grant will allow the department to respond to the nation's most catastrophic natural disaster by providing skilled and trained personnel to the areas affected by Hurricane Katrina.

Deploying these personnel will not impact the Milwaukee Fire Department's ability to provide fire suppression and emergency medical services to the citizens of Milwaukee.

**4. Results Measurement/Progress Report (Applies only to Programs):**
