1. Description of Grant Project/Program (Include Target Locations and Populations):
Shipsshape II is a joint project of Milwaukee Public Library and the Wisconsin Marine Historical Society to add an additional 2,000 records on an important period in Great Lakes history to the Great Lakes Vessel Files database created with the Shipsshape I Grant. The grant will also enable us to work with a consultant to create a Web version of the database. Staff and volunteers have been creating the vessel files for more than 40 years. They are a unique resource used by researchers from all over the world.
2. Relationship to City-Wide Strategic Goals and Departmental Objectives:
Library Goals:
 - 1.) To preserve, enhance, and transform the Milwaukee Public Library collections and services to effectively respond to changing communities and to emerging technologies.
 - 2.) To coordinate a grant-writing program to identify, apply for, implement, and track grant money to enhance collections, equipment, and services.
 City-Wide Strategic Goals:
 - 1.) To enhance the value of Milwaukee, including the connectedness of its people and the City self vision that encompasses a flourishing culture recognized for its arts and museums.
3. Need for Grant Funds and Impact on Other Departmental Operations (Applies only to Programs):
4. Results Measurement/Progress Report (Applies only to Programs):
