I, Kyle Denton, a man, serve notice to any man, woman, PERSON, doing business as or acting for a corporation (including a municipal corporation) of any type, who believes they possess authority to administer my Property without my consent.

The Common Council of the City of Milwaukee proposes Ordinance 210628 that seeks to deprive the People of Milwaukee including I, Kyle Denton the right to breathe freely by means of compelling the

usage of a medical device such as a face mask or facial covering that restricts proper air flow, forces to breathe bodily exhaust, restricts the spirit granted by my Creator at birth, and does so without due process of law.

The living Men and Women who have been named as “Respondent” have before them a vote on an ordinance that seeks to deprive their fellow brethren of the community and people of good faith, and I, Kyle Denton from the right to breathe freely by means of compelling a medical device such as a face mask or facial covering.

TAKE NOTICE: the proposal of Ordinance 210628 is in direct violation of **18 U.S. Code § 241 - Conspiracy against rights, and 18 US Code § 242 - Deprivation of rights under color of law.**

TAKE NOTICE: the proposal of Ordinance 210628 is in direct violation of the United States Constitution Article 14.

1. No State shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States; nor shall any State deprive any person of life, liberty, or property, without due process of law; nor deny to any person within its jurisdiction the equal protection of the laws.

TAKE NOTICE: the proposal of Ordinance 210628 is in direct violation of Article 1 of the Wisconsin Constitution, section 1

1. Equality; Inherent Right- All people are born equally free and independent, and have certain inherent rights; among these are life, liberty and the pursuit of happiness; to secure these rights, governments are instituted, deriving their just powers from the consent of the governed.

The proposed ordinance and those that vote for it seek to **WILLFULLY INTEND** the removal of independence, the inherent rights of people (being born equally) including children, by compelling the usage of a medical device such as a face mask or facial covering, which is **UNREASONABLE** and **UNLAWFUL** under the rights granted under the United States Constitution and the Constitution of the State of Wisconsin, and outside of the scope of the Corporate Charter of the City of Milwaukee.

The proposed ordinance by the Common Council of the City of Milwaukee and those that vote for it seeks to **WILLFULLY INTEND** to deprive the inherent rights of people by means of compelling a medical device such as a face mask or facial covering without due process of law, which is **UNREASONABLE** and **UNLAWFUL** under the rights granted under the United States Constitution and the Constitution of the State of Wisconsin, and outside of the scope of the Corporate Charter of the City of Milwaukee.

All governments and for profit partnerships, such as, Title 42 Revenue generating programs (**Title 42 § 411.351**) are without authority to interfere with any freedom or liberty stated and declared in all of the State Constitutions and all attempts to violate the rights of the People is duress and coercion.

When considering CDC guidance, it is important to consider that the CDC is protected from liabilities concerning their advice, because they have no ability to enforce adherence. When municipalities or businesses adopt the CDC’s guidance and decide to enforce that guidance, they are assuming responsibilities for the outcome of those actions. The proposal seeks to compel mask usage in places of public accommodation. The justification of this ordinance is to reduce the number of new cases of “Covid-19 Virus,” however mask manufacturers clearly state that their products are not intended for this purpose. Further, face masks are regulated by the FDA as medical devices. From the FDA website:

“The FDA regulates face masks, including cloth face coverings, and surgical masks as medical devices when they are marketed for medical purposes. Medical purposes include uses related to COVID-19, such as face masks to help stop the spread of disease, surgical masks, and surgical masks with antimicrobial/antiviral agents. Face masks marketed to the general public for general non-medical purposes, such as for use in construction and other industrial applications, are not medical devices.”

TAKE NOTICE: With a proposed ordinance of masks, you are **WILLFULLY INTENDING** to compel usage of a medical device and enforcing its usage, for purposes **AGAINST** manufacturer’s recommendations which is **UNREASONABLE**.

Wisconsin code 448.03 License or certificate required to practice; use of titles; civil immunity; practice of Christian Science

(a) **No person may practice medicine and surgery, or attempt to do so or make a representation as authorized to do so, without a license to practice medicine and surgery granted by the board.**

TAKE NOTICE: the Common Council of Milwaukee and the living Men and Women named as “Respondent” are **WILLFULLY INTENDING** to assume the authority to practice medicine without a license, which is a violation of **Wisconsin Code 448.3** justifying a criminal complaint and pursuing to the full extent of the law if necessary.

TAKE NOTICE: The Common Council has yet to provide the public with informed consent of the potential health risks of a forced medical procedure such as face masks and facial coverings which is in violation of **448.30 Informed consent, 146.82 Confidentiality of patient health care records** and

Wisconsin Code 895.046 - Remedies against manufacturers, distributors, sellers, and promoters of products.

1. (1g) Legislative findings and intent. The legislature finds that it is in the public interest to clarify product liability law, generally, and the application of the risk contribution theory of liability.

TAKE NOTICE: In lieu of informed consent (the risk assessment of plans to recognize the hazards of a compelled medical procedure such as face mask and facial covering), I, Kyle Denton, hold responsible the Common Council, the Office of the Mayor of the City of Milwaukee, the Department of Health of the City of Milwaukee, and the living individuals named as “Respondent” responsible for any damages incurred, in both their professional office and individual (private) capacity with a fee schedule attached to this document.

TAKE NOTICE: The Common Council has yet to provide examples of experiments using the scientific method that shows an organism infected with what is called “Covid-19 virus or any of its variants” transmitting it to another organism and infecting it, with independent, dependent and control variables. Correlative examples do not meet the rigorous standards of the scientific method, and are fallacious in attempting to do so. Furthermore, the council has yet to provide proof of an isolated organism(s) called “COVID-19 virus or any of its variants.” The claim of the existence of an isolated organism(s) called “COVID-19 virus or any of its variants” that is communicable and that the transmission of “COVID-19 Virus” is prevented or hindered from the use of face masks or facial coverings remains unjustified.

TAKE NOTICE: The Common Council of Milwaukee has yet to provide proof that “case numbers” as determined by testing are to be considered accurate, or the reporting of such testing to be accurate, and the claim remains unjustified.

TAKE NOTICE: The Common Council and City of Milwaukee have not provided confirmation that all members of the Health Department and any other branch who is employed to enforce the proposal have been fully trained with respect to health risks associated with face masks, including with regards to recognizing the health contra-indications from the use of the same.

TAKE NOTICE: I will immediately pursue **42 U.S. Code § 1983 - Civil action for deprivation of rights** unless ordinance 210628 and any of the same merit are immediately removed from the agenda. I, Kyle Denton will proceed with civil claims against those in their personal (private) capacity for damages incurred for practicing medicine without a license (compelling the use of a medical device regulated by the FDA such as a face mask or facial covering) per Wisconsin code 448.3. Further, if this trespass of **GROSS NEGLIGENCE** shall pass, I will seek to petition a grand jury to investigate that the City of Milwaukee, Common Council, Office of the Mayor, and Milwaukee Department of Health has **WILLFULLY INTENDED** a criminal act.

TAKE NOTICE: compelling anyone, especially children, to wear a face mask or facial covering is a direct violation of the right to bodily integrity and/or personal autonomy granted by the Most High Creator and thus constitutes an abuse and a trespass.

1. "If anyone causes one of these little ones—those who believe in me—to stumble, it would be better for them to have a large millstone hung around their neck and to be drowned in the depths of the sea." Luke 18:6 NIV

For the avoidance of any doubt, I object to our community being subjected to such abuse and call for immediate removal from the agenda and a call for an end to it forthwith.

TAKE NOTICE: Any failure on your part to take immediate action to address and remedy the matters outlined above will render such inaction highly irresponsible, and potentially damaging. If any harm befalls myself, those who have not conceded their body autonomy to your assumed and unjustified authority, or any child as a result of your acts and omissions, you and/or your office shall be held liable in your professional and individual capacity. I formally request that the ordinance or any future proposals of the same merit be removed from the agenda immediately. Failure to do so will and I will initiate the process of criminal and civil claims against your office and your individual person in both your professional capacity, as well as notify the insurance agent that bonds these public positions.

TAKE FURTHER NOTE: As you have been placed on notice of the foregoing grave and serious issues regarding face masks, any failure to take action, as a consequence of your position and remit, may also expose you and members of the common council to personal liability in law, for any adverse health effects suffered by myself, anyone who does not consent to granting their bodily autonomy to your assumed authority, any child as a result of your acts and/or omissions.

It is my desire to reach an amenable understanding, in a calm and harmonious manner, with this affidavit of notice; however, no further infringement on my rights will be tolerated. Please know that further measures will be implemented if it becomes necessary.

NOTICE: A fee schedule for damages incurred:

1. The fine for each incident of Trespass and Administration of my [Kyle Denton] property without right is \$100,000 per man/woman involved.

8. Fines may be enforced through the Commercial Lien process against each man and woman in their individual capacity.
9. Fines may be enforced through a formal Judicial process in a Court of Record, with all the qualities and incidents of a Court of Record at Common Law.
10. Any Attorney that involves themselves in any matter involving I, a man, Kyle Denton, and my property, will not only be B.A.R. Grieved, but will be served Affidavits and a Notice of Claim for Trespassing and Administering property without right, and for uttering forged documents, in the amount of \$200,000 per each incident.

This Notice is enforceable from the day of its receipt by the Respondent(s)
