Re: New claim for damages against the City of Milwaukee / Milwaukee Police Dept.

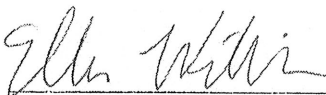

To Whom It May Concern:

Per the posted instructions online for the City of Milwaukee Clerk's Office, please consider this letter our document requesting reimbursement of \$7,960.00 payable to Catholic Mutual Group.

On October 29, 2020 the Milwaukee Police Department forcibly entered St. Anthony School, 1747 S. 9th Street, Milwaukee, WI 53204, damaging both Maple St. entrance doors and the door frame. The event was captured by surveillance cameras and the M.P.D. left a damage notice on site regarding their actions.

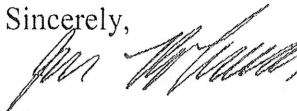

This is an elementary school building. Immediate action was required to maintain building safety for the staff and students of the school, as well as keep the building secure during the overnight hours when break-ins are more likely to occur.

We request monetary reimbursement of the cost to replace the door and frame. Total \$7,960.00

Re: New claim for damages against the City of Milwaukee / Milwaukee Police Dept.

Detailed description of loss:

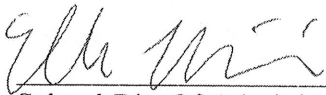

On October 29, 2020 at approximately 7:40 pm, the Milwaukee Police Department forcibly entered St. Anthony School, 1747 S. 9th Street, Milwaukee, WI 53204, damaging both Maple St. entrance doors and the door frame. The event was captured by surveillance cameras and the M.P.D. left a damage notice on site regarding their actions. You will find four copies of photographs taken of the doors, frame, damaged hardware, the M.P.D. tactical unit inside the building and the damage notice left at the school after the incident occurred.

We do appreciate the efforts of the entire Milwaukee Police Department to keep our city safe, but St. Anthony School is an innocent party to this act. Replacement doors and a new frame became an urgent need to maintain building security. Two estimates for these repairs are included:

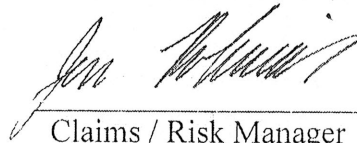

Foremost Doors Quote #401963	\$7,960.00
Mohns Inc. Quote #L115	\$9,100.00

The school selected the lower price quote of \$7,960.00. St. Anthony School's \$1,000 per-incident deductible has been applied, and Catholic Mutual Group issued a claim payment of \$6,960.00 to the school.

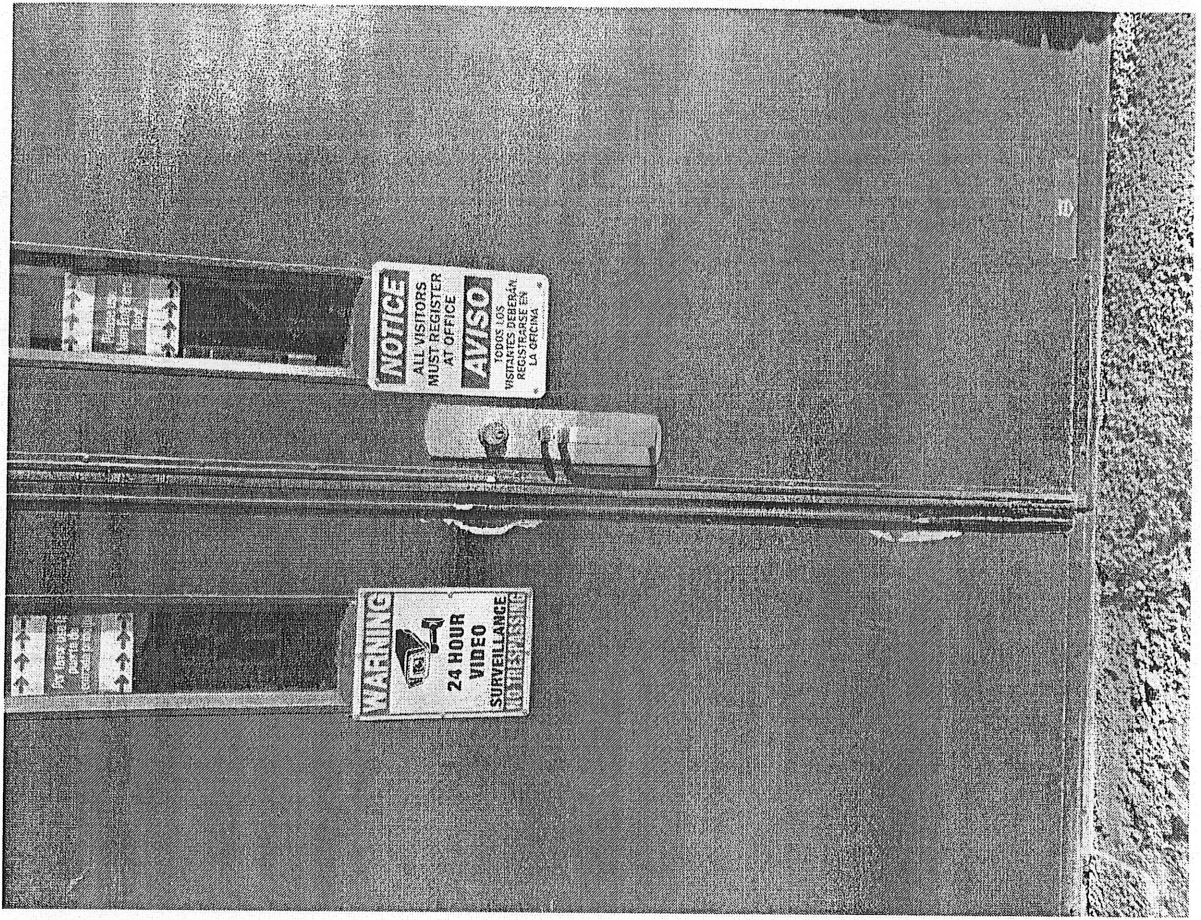

We request monetary reimbursement of the cost to reimburse both St. Anthony School and Catholic Mutual Group the cost to replace this door, frame and hardware. Total \$7,960.00

ADDITIONAL INFORMATION

Before you can file a lawsuit against the City of Milwaukee for reimbursement, State law requires that you first follow the claim procedures established by the City Clerk.

Filing a claim against the City does not automatically guarantee reimbursement from the City. However, the City examines each claim on an individual basis in determining if reimbursement is legally required.

In order to obtain reimbursement for a claim against the City, you must prove that the City or its employees acted unlawfully or negligently.

Only the City Attorney or the Common Council and the Mayor can authorize payment of a claim against the City. Any other representations made by City employees are not legally binding on the City.

893.80 Claims against governmental bodies or officers, agents or employees; notice of injury; limitation of damages and suits. **(1)** Except as provided in subs. (1g), (1m), (1p) and (8), no action may be brought or maintained against any volunteer fire company organized under ch. 213, political corporation, governmental subdivision or agency thereof nor against any officer, official, agent or employee of the corporation, subdivision or agency for acts done in their official capacity or in the course of their agency or employment upon a claim or cause of action unless:

(a) Within 120 days after the happening of the event giving rise to the claim, written notice of the circumstances of the claim signed by the party, agent or attorney is served on the volunteer fire company, political corporation, governmental subdivision or agency and on the officer, official, agent or employee under s. 801.11. Failure to give the requisite notice shall not bar action on the claim if the fire company, corporation, subdivision or agency had actual notice of the claim and the claimant shows to the satisfaction of the court that the delay or failure to give the requisite notice has not been prejudicial to the defendant fire company, corporation, subdivision or agency or to the defendant officer, official, agent or employee; and

(b) A claim containing the address of the claimant and an itemized statement of the relief sought is presented to the appropriate clerk or person who performs the duties of a clerk or secretary for the defendant fire company, corporation, subdivision or agency and the claim is disallowed.
