

December 1, 2008

Honorable Robert G. Donovan
Alderman, 8th Aldermanic District
Room 205, City Hall

SUBJECT: 8th ALD. DIST. - FILE #080918
REMOVE NO PARKING ON THE NORTH SIDE OF
WEST BECHER STREET FROM SOUTH 25TH STREET
TO A POINT 40 FEET EAST AND ON THE SOUTH SIDE
OF WEST BECHER STREET FROM SOUTH 25TH STREET
TO A POINT 40 FEET WEST

Dear Alderman Donovan:

The above captioned parking restrictions were installed to provide sight clearance to motorists on South 25th Street in order to see on-coming east and west bound vehicles on West Becher Street. Due to the installation of the all-way stop at the intersection of West Becher Street and South 25th Street these parking restrictions are no longer needed. Therefore, we recommend removing these restrictions and restoring on-street parking in these areas.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Honorable Michael J. Murphy
Alderman, 10th Aldermanic District
Room 205, City Hall

Subject: 10th ALD. DIST. - FILE #080918

INSTALL NO PARKING 7:00 AM TO 7:00 PM ON THE
SOUTH SIDE OF WEST WISCONSIN AVENUE FROM
NORTH 89TH STREET TO A POINT 50 FEET EAST

Dear Alderman Murphy:

This is in response to a request from Wisconsin Lutheran College to install the above-captioned parking restriction.

Our traffic engineering staff has investigated this request and found north bound motorists on North 89th Street have a difficult time seeing traffic traveling west bound on West Wisconsin Avenue when vehicles park close to the corner. Therefore, in the interest of public safety, we recommend installing this restriction to increase cross traffic visibility at the intersection.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Honorable Milele A. Coggs
Alderwoman, 6th Aldermanic District
Room 205, City Hall

SUBJECT: 6th ALD. DIST. - FILE #080918
INSTALL NO STOPPING 3:00 PM TO 6:00 PM
MONDAY THROUGH FRIDAY ON THE NORTH
SIDE OF WEST MCKINLEY AVENUE FROM
NORTH OLD WORLD THIRD STREET TO
NORTH 6TH STREET

Dear Alderwoman Coggs:

Due to traffic backups during the afternoon peak hours passing through the traffic signal at West McKinley Avenue and North 6th Street, we are recommending the installation of the above-captioned parking restriction to create an additional westbound through traffic lane serving the intersection. It should be known that this restriction was already in place on a temporary basis as a result of the Marquette Interchange Project. However, since the need for an additional westbound traffic lane still exists we recommend its permanent installation.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.
