 SUBSTITUTE AMENDMENT
 PROCEDURAL MOTION

MOTION BY ALD. BROSTOFF

RELATING TO FILE NO. 221499

VERSION: Proposed Substitute B

TITLE: A substitute ordinance relating to a moratorium on the issuance of certificates of occupancy for establishments selling electronic smoking devices or electronic smoking device paraphernalia

ITEM NUMBER: 60

COMMITTEE: Zoning, Neighborhoods, and Development Committee

MOTION

I move for consideration of Proposed Substitute B in lieu of the Original.

I further move for passage of the file as substituted.

ANALYSIS OF MOTION

This motion introduces and moves for passage of Proposed Substitute B, which limits the scope of the moratorium to establishments where 10 percent or more of the floor space or stock-in-trade consists of electronic smoking devices or electronic smoking paraphernalia. This substitute also clarifies that establishments already in the process of applying for a certification will be exempt from the moratorium, and adds a provision granting the Department of Neighborhood Services and the Police Department the authority to enforce the moratorium.
