To be added to objections for against viral lounge and Viral Enterprises AND Exclusive Bar N Lounge-License applied for twice same location multiple times!!:

There was an additional murder outside of this bar this year but I could not find it. Chalk marks, coroner was on site within view of my dental office.

This is proof of what I will testify to so I want this entered into the record for my objection and I want a police audit of all bars listed and made public for this hearing to see what a problem alcohol is in the area of my

Please do a thorough search of all Police reports and murders by this bar and the surrounding bars for 3 block radius.

Please decline to license Crystal A Moore, Agd. Exclusive Bar N Lounge LLC at 5403 W. Hampton Ave.

Please note this was previously applied for by Kelton V. Bufort Agt. Viral Enterprises so changing the name already is an indication of trying to get licensed under many names by different agents!!!

This seems very sketchy and inappropriate. I received a Notice of public interest again Friday 12/1/2023 and this was just sent out under this other name.

You are requested to attend a hearing which is to be held in Room 301-B, Third Floor, City Hall or you may attend virtually using the link below.

There are 2 bars within 1 block of this address already!

We do not need or want more drunken, disorderly patrons in our neighborhood! Please pull the police reports to see how many tickets, shootings, disorderly citations exist within this area.

I am against another bar in our neighborhood. We have a bar across the street from us and have drunken and disorderly patrons walking the streets in this area. There is a bar on that has constant pot smoke and trash with drunken and stoned people often found behind our office urinating and defecating.

The driving in Sherman Park neighborhood is horrendous with violations of traffic laws, a shortage of police presence and past history of violence. One only needs to read police reports to see how crime ridden our area has become.

I have many complaints that are from this area. They do not need more drunken patrons, horrible living and crime in this already stressed and challenged area.

I request you decline a liquor license to Kelton V. Bufort, AGT. Viral Enterprises LLC . I do not want Viral Lounge near me and do not want any additional alcohol in this area. I strongly request you pole the police and they can confirm the crime level, number of drunk and disorderlies and the understaffing and shortages which will be more omnipresent with the addition of an additional bar.

Sincerely,
