CITY CLERK

In the winter of 2002 they towed my 2000 Daewoo Lanos that was parked on the slab of cement directly behind my garage at 5070 N 23 RD ST. which was in a \$25,000 Lemon law lawsuit. Total damages for that are \$14,000. This year Oct 6 2003 at 5070 N 23 RD ST. they towed my 1990 Geo Prizm one day after I moved. I moved twice once in Oct 2003 + Nov 2003 so my mail made in to me after my prizm was crushed. Total damages for that was \$190.00 in Avon that had to be returned and \$100.00 worth of brand new parts that were going to be took off on that particular day. My address for all my mail is P.O. Box 04846 Milwaukee WI 53204.
