

New Berlin Planning Area and Approved Sanitary Sewer Area

The Planning Area

The MMSD planning area was established in the 1960's

The MMSD planning area is an area that is utilized every 10 years to determine what capital improvements MMSD must make to stay ahead of development in the upcoming 10 year period.

The Sewer Service Area

The MMSD Sewer Service area is established by the City of New Berlin.

The service area is modified within the planning area by a process that is initiated by the City of New Berlin.
