**Mariano A. Schifalacqua**  
Commissioner of Public Works

**James P. Purko**  
Director of Operations

**Jeffrey S. Polenske**  
City Engineer

April 23, 2004

To the Honorable  
Common Council

Subject: East North Avenue  
North Booth Street to  
North Bremen Street

Dear Council Members:

The improvement of East North Avenue from North Booth Street to North Bremen Street is included on the Department of Public Works Long-Range Street Program.

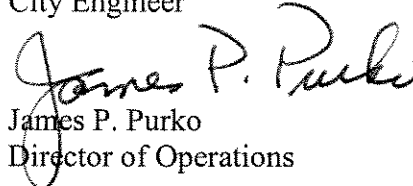

This project is eligible for Federal/State cost participation for improvements under the State Hazard Elimination Safety Program. We have requested and received preliminary approval from the Wisconsin Department of Transportation (WISDOT) along with a project agreement to be executed by the City for programming and construction.

We have, therefore, prepared the attached resolution which authorizes and directs the Commissioner of Public Works to execute the project agreement with the WISDOT for the programming and construction of the improvements to East North Avenue from North Booth Street to North Bremen Street with Federal/State aid. This resolution also directs the City Comptroller to transfer funds and establish the necessary project/grant chartfield values for the preliminary engineering work for the project.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer

James P. Purko  
Director of Operations
