RE: Claim #1258524

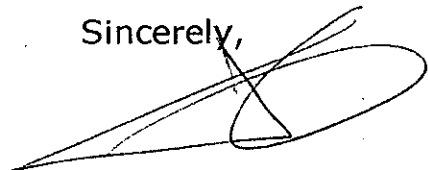

My car had sustained significant damage on December 27, 2007, at about 10:45 p.m. I was traveling west bound on Capital Drive, in the left lane, while crossing Menomonee River Parkway bridge between Grandtosa Blvds. I hit a major pot hole, in excess of 4 x 3 feet, which immediately immobilized my car destroying 2 rims. Please see attached pictures. Because the 2 rims that were damaged were no longer available, I had to replace all the wheels on the car.

The following is an itemized list of expenses incurred from this incident:

Ray's Towing, Inc.	\$101.78
Taxi Fare	15.00
Repairs (International Autos)	517.35
Tire Rack (wheels)	<u>734.44</u>
Total	\$1368.57

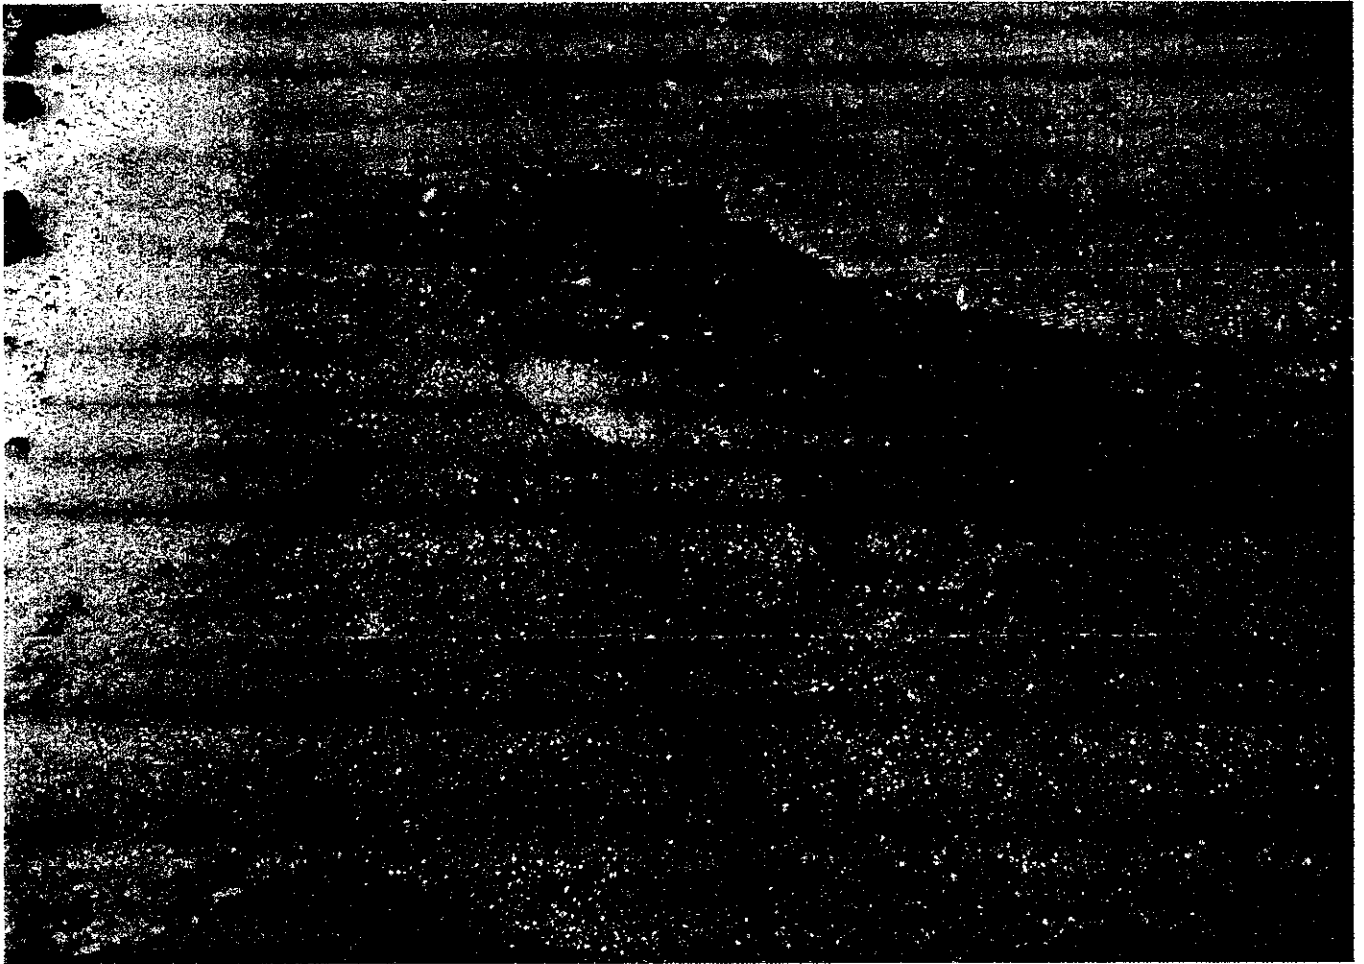

Thank you for handling this matter.

Sincerely,

James Geracie
