Attachment to Fiscal Note

This file authorizes City entry into a settlement agreement with Kilbourn Tower, LLC ("KT") so the City may collect the \$950,000 purchase price KT agreed to pay City in 2003 when City sold 923 East Kilbourn and a vacated right turn bypass to KT for KT's construction of the Kilbourn Tower Condominiums. The \$950,000 would be paid in one payment within 4 business days of the Council and Mayor approving this Resolution file. Under the settlement agreement, as of January 25, 2008, the City would waive \$282,769.25 of interest income (if calculated at the non-default rate of interest) and \$316,124.80 of interest income (if calculated at the non-default rate of interest until May 4, 2006 and then at the default rate until January 25, 2008).
