It's not a requirement, but it is helpful when her nomination is reviewed by the CC.

A letter (e-mail) of nomination from you, Alderman, and her(?) resume would be sufficient. This does require CC confirmation.

Questions, &c., please just let me know.

Thank you, Mitchell.

Jarrett: Can you check with the City Clerk and his staff regarding  
proper procedure here?

Best,

Committee

Hello Alderman Spiker,

I'm Mitchell Henke, the current chair of the Pedestrian and Bicycle  
Advisory Committee. Barry Weber, the vice chair is copied on this  
email as well. A couple months ago, Kathleen Brengosz in the  
LRB reached out to you about a vacancy on the Committee.

I apologize for the delayed follow up, but we would like you to  
consider nominating Emily Cadman. I have included a personal  
statement from her below:

I am a 27 year old woman living with a physical  
disability. As I am not able to drive my primary  
mode of transportation is walking or rolling rather,  
to and from work and other appointments. I am an  
independent living coordinator independence first  
and I am the chair of our Transportation Consumer  
Advocacy Team. As someone with a disability , I  
feel it's important to be a voice for those in the  
disabled community who also are pedestrians in the  
city. I feel my input could benefit this committee.

I think the Milwaukee would benefit greatly by having someone  
with her perspective on the Committee. Her email address is  
[ecadman@independencefirst.org](mailto:ecadman@independencefirst.org).

I am not sure on the next steps regardless of your nomination decisions, but if you'd like to speak with me further, I would be glad to.

Thanks,

- Mitchell Henke
